The Modernity of Tradition Lloyd I. Rudolph, Susanne Hoeber Rudolph, 1969
Rudolph, 1965 *Lloyd I. Rudolph and Susanne Hoeber Rudolph, The Modernity of Tradition: Political Development in India. The University of Chicago Press, Chicago and London 1967, S.306* John Duncan Martin, Derrett, 1967 *Political Change: Collected Essays* David Ernest Apter, 1973 Essays concerned with the current debate on how the field of politics ought to be restructured The Political Economy of Development Norman T. Uphoff, Warren F. Ilchman, 2023-11-15
Ilchman and Uphoff believe that political science has failed in the past to meet its own standards of rigor and cogency and does not meet standards of usefulness and relevance set by others The Political Economy of Change attempts to remedy these shortcomings by expanding the limits of social science analysis to deal with problems of allocation and productivity in all spheres of public choice not just the economic sphere Ilchman and Uphoff believe that political science has failed in the past to meet its own standards of rigor and cogency and does not meet standards of usefulness and relevance set by others The Political Economy of Change attempts to remedy these shortco **Tradition Modernization and Globalization** Prem Narain Pandey, 2015-01-01 The present volume provides a sequential nexus of Tradition Modernization and Globalization right from the early stages up to present time The continuum of tradition and modernity is delineated clearly in different papers in the wake of modern scientific inventions and technological innovations Some of the very brilliant analyses of the features of tradition modernization and globalization done by the sociologists of international repute and specialized scholars of social sciences have made this book a unique specimen that provides a critical and crosscultural analysis of tradition modernization and global developments with concrete instances in different domains of societies The book is divided in two major parts Part one deals with the historical perspective of tradition and modernization and part two focuses on the emerging features of tradition modernization and globalization and their impacts on different components of economy polity and social structure in the developed societies of Europe and USA as well as developing societies of Asia Africa and Latin America This book may be an academic stimulant to administrators planners and policymakers of governments and scholars of higher studies as well as scientists and technologists interested in the fields of modernization and overall global development The present volume is the outcome of a joint academic endeavour with Prof S K Srivastava who left for heavenly abode on 12 May 2012 in the mid journey of the publication **Tradition and Modernity** Kwame Gyekye, 1997 Gyekye offers a philosophical interpretation and critical analysis of the African cultural experience in modern times and shows how Western philosophical concepts help in addressing a wide range of specifically African problems Modern Political Theory Varma S.P., 1975 Modern Political Theory critically examines the contemporary state of political theory making an assessment of the achievements and limitations of the Behavioural Revolution in its totality and reviews objectively the major paradigms and conceptual frameworks adopted by the discipline The salient features of the contending conceptual models

elaborated by leading scholars operating from separate locations and disparate premises have been highlighted and intellectual inter linkages in their works have been traced The book has 3 parts Part I comprises the scope of political science as a discipline Part II deals with the tools and techniques of political analysis Part III delineates mainstreams of contemporary political thought

The Military Revolution and Political Change Brian Downing, 2020-12-08 To examine the long run origins of democracy and dictatorship Brian Downing focuses on the importance of medieval political configurations and of military modernization in the early modern period He maintains that in late medieval times an array of constitutional arrangements distinguished Western Europe from other parts of the world and predisposed it toward liberal democracy He then looks at how medieval constitutionalism was affected by the military revolution of the early modern era the shift from small decentralized feudal levies to large standing armies Downing won the American Political Science Association's Gabriel Almond Award for the dissertation on which this book was based

Handbook on Political Trust Sonja Zmerli, Tom W.G. van der Meer, 2017-01-27 Political trust in government parliament or political parties has taken centre stage in political science for more than half a century reflecting ongoing concerns with the legitimacy and functioning of representative democracy To provide scholars students and policy makers with a tool to navigate through the complexity of causes and consequences of political trust this Handbook offers an excellent overview of the conceptual theoretical methodological and empirical state of the art complemented by accounts of regional particularities and authored by international experts in this field

[Political Science and Chinese Political Studies](#) Sujian Guo, 2012-07-25 We have witnessed the substantial transformation of China studies particularly Chinese political studies in the past 30 years due to changes in China and its rising status in the world as well as changes in our ways of conducting research As area studies specialists we are no longer isolated from the larger disciplines of Political Science and International Relations IR but an integral part of them This book contains theoretically innovative contributions by distinguished political scientists from inside and outside China who together offer up to date overviews of the state of the field of Chinese political studies combines empirical and normative researches as well as theoretical exploration and case studies explore the relationship between Western political science scholarship and contemporary Chinese political studies examine the logic and methods of political science and their scholarly application and most recent developments in the study of Chinese politics and discuss the hotly contested and debated issues in Chinese political studies such as universality and particularity regularity and diversity scientification and indigenization main problems challenges opportunities and directions for the disciplinary and intellectual development of Chinese political

studies in the context of rising China **The Dravidian Pathway** Vignesh Rajahmani, 2025-08-15 The Dravidian Pathway is a timely contribution to public and scholarly understanding of South Indian politics examining a pivotal period in the rise to power of the Tamil Nadu party Dravida Munnetra Kazhagam the Dravidian Progressive Federation or DMK The scholarly canon on social movements and or electoral politics has largely neglected the interplay between the two focusing only on outcomes Vignesh Rajahmani's innovative detailed study of the Dravidian movement explores the strategic leadership of DMK and non DMK figures like Periyar E V Ramasamy C N Annadurai M Karunanidhi and K Kamaraj It illustrates their synthesis of anti caste ideology socioeconomic and educational mobility and inclusive Dravidian Tamil identity and considers why that vision resonated with marginalised communities Tracing the early DMK years from the party's social justice campaigns to its landmark electoral victory in 1967 Rajahmani highlights the challenges of navigating ideological commitments within the constraints of political pragmatism while also making politics accessible to the common person He explains how iterations on the initial ideology and political offering can reinvigorate such movements keeping their politics agile and incentivising inclusive policymaking He also shows how the DMK shaped Tamil Nadu's counter hegemonic political identity which has proven electorally resilient in spite of majoritarian onslaughts **Cosmopolitan Political Thought**

Farah Godrej, 2011-08-01 Cosmopolitan Political Thought asks the question of what it might mean for the very practices of political theorizing to be cosmopolitan It suggests that such a vision of political theory is intimately linked to methodological questions about what is commonly called comparative political theory namely the turn beyond ideas and modes of inquiry determined by traditional Western scholarship It is therefore an argument for applying the idea of cosmopolitanism understood in a particular way to the discipline of political theory itself As Farah Godrej argues there are four crucial components of this cosmopolitan intervention the texts under analysis the methods for interpreting non Western texts and ideas the application of these ideas across geographical and cultural boundaries and the deconstruction of Eurocentrism In order to be genuinely cosmopolitan Godrej states political theorists must reflect on their perspectives inside and outside various traditions and immerse themselves in foreign ideas languages histories and cultures ultimately relocating themselves within their disciplinary homes The result will be a serious challenge to accepted solutions to political life **Rethinking**

Constitutional Democracy in India Bidyut Chakrabarty, 2018-01-12 Constitutional democracy is both a structure of governance and a way of providing an ideological perspective on governance The 1950 Constitution of India established constitutional democracy in India and the narrative of the rise and consolidation of constitutional democracy in India cannot be understood without comprehending the politico ideological processes that

consolidated simultaneously both colonialism and constitutional liberalism This book examines the processes leading to constitutionalizing India and challenges the conventional idea that the Constitution of India is a borrowed doctrine A careful study of the processes reveals that the 1950 Constitution was the culmination of an ideational battle that had begun with the consolidation of the British Enlightenment philosophy in the early days of British paramountcy in India The book therefore argues that constitutionalizing endeavour in India had a clear imprint of ideas which had its root in this philosophy The study reveals a striking continuity of the same kind of ideological sentiments when the nationalists devised their own constitutionalizing design visible in the 1928 Motilal Nehru report and which reappeared in the 1945 Sapru Committee report Deviating from the conventional study of constitutional evolution of a polity which is generally legalistic this book explores the processes since the beginning of colonial rule in India which led to the conceptualization of constitutional democracy in a milieu engaging with arguments formulated by James and JS Mill A detailed analysis of the roots of constitutional and political liberalism in India this book sheds light on the material surrounding India s constitutional development It will be of interest to scholars in the field of Indian Political Theory South Asian Politics and History
