Interpreting Zhejiang's Development: Cultural And Social Perspectives Lixu Chen, 2019-07-30 This book explores the development of Zhejiang province an eastern coastal province of China Since China's reform and opening up Zhejiang has become one of China's forerunners in economic social and political transformation This province has prioritized and

encouraged entrepreneurship and the private sector has played an important role in boosting the regional economy This book analyzes Zhejiang's transformation from an underdeveloped region to one of the richest regions in China with unique cultural and social perspectives It also highlights the impact of the Belt and Road Initiative on Zhejiang and its role in this initiative

Hong Kong Wei-Bin Zhang, 2006 Hong Kong has an urbanisation history of an interesting course from fishing village of the Qing dynasty under the Manchu rule to British colony with 98 per cent of its population being Chinese to global city with great wealth and business activities to Communist China's Special Administrative Region SAR from 1 July 1997 China resumed sovereignty over Hong Kong and granted Hong Kong the right to self government for at least 50 years except over diplomatic and defense matters Long before the return of Hong Kong to China the colony had already firmly established itself as a regional business centre It had been at the forefront of the East Asian economic miracle between the 1970s and the mid 1990s Lightened by multi coloured neon signs of commercial advertisements the semi westernised Chinese city is more attractive in night than in daytime Hong Kong is full of contrasts and paradoxes The wide variety of the city's contrasting and yet fluid and interesting social and cultural images aptly has been described as east and west local and colonial modern and traditional extravagant and frugal has earned it the epithet a cultural kaleidoscope The author explores these contrasts and paradoxes not only from economic cultural and social perspectives but also from perspectives of non linear theory and Adam Smith's and Confucian philosophies an endeavour which no other author has systematically made before

The Political Economy of Telecommunications Reforms in Thailand Sakkarin Niyomsilpa, 2018-10-24 A study of the changing character of state society relations in contemporary Thailand using the telecommunications industry as a case study It examines the privatization and gradual reforms of the 1980s and 1990s and the political dynamics behind these policies as well as conflicts and co operation among the various players and their interests The book also covers bureaucratic and political corruption and their implications for Thailand's political democratization and economic liberalization It argues not only that the bureaucracy is no longer the dominant power in Thai politics but also that the country has moved towards a more pluralistic socio political system in which a broadly based liberalization coalition has emerged
