Modernization Its Impact Upon Korean:

Modernization of Korean Theatre in the 20th Century Meewon Lee, 2024-09-02 Lee provides a comprehensive guide that traces the transformation of Korean theatre from traditional to modern theatre and examines the impact of the introduction of Western plays to Korean society Important changes in Korean theatre are discussed chronologically from the beginning of the modernization Sinpa Theatre Singeuk Theatre Theatre of Ideology The Little Theatre Movement Madanggeuk experiments for modernizing traditional Korean theatrical arts and transitions to postmodern theatre These changes happened rapidly and coupled with Eurocentric globalization By the end of the century the reinterpretations of Western drama like Shakespeare s plays had reached a point where they received attention from the Western world Today Korean theatre keeps pace with the world theatre and strives to contribute as a member of it This book is a vital resource for scholars and students pursuing Korean studies and East Asian theatres with an authentic Korean perspective from a Korean scholar who has lived and researched in Korea The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Transforming Korean Politics Young Whan Kihl, 2015-03-26 Over the past fifteen years South Korea has transformed itself from an authoritarian government into a new democracy with a vibrant capitalist economy Modernization democratization and globalization have played important roles in this transformation and have greatly influenced the programs and policies of Korea s Sixth Republic Covering developments through the 2003 elections this book shows how the South Korean government and society have been shaped not only by the dynamics of these forces but also by their interaction with the cultural norms of a post Confucian society The author provides a conceptual framework and baseline for examining political developments in Korea and offers an analysis of the factors that are transforming Korean institutions society and politics He discusses the forces shaping Korea s political economy and the performance of successive ROK governments and also highlights the challenges faced by the newly elected administration of Roh Moo Huan the North Korean issue and more

Rules of the House Sungyun Lim, 2018-11-13 A free ebook version of this title is available through Luminos University of California Press s Open Access publishing program for monographs Visit www.luminosoa.org to learn more Rules of the House offers a dynamic revisionist account of the Japanese colonial rule of Korea 1910 1945 by examining the roles of women in the civil courts Challenging the dominant view that women were victimized by the Japanese family laws and its patriarchal biases Sungyun Lim argues that Korean women had to struggle equally against Korean patriarchal interests Moreover women were not passive victims instead they proactively struggled to expand their rights by participating in the Japanese colonial legal system In turn the Japanese doctrine of promoting progressive legal rights would prove advantageous to them Following female plaintiffs and their civil disputes from the precolonial Choson dynasty through colonial times and into postcolonial reforms this book presents a new and groundbreaking story about Korean women s legal struggles revealing

their surprising collaborative relationship with the colonial state The Making of Modern Korea Adrian Buzo,2022-11-30
This fully updated fourth edition of *The Making of Modern Korea* provides a thorough balanced and engaging history of Korea from 1876 to the present day The text is unique in analysing domestic developments in the two Koreas in the wider context of regional and international affairs Key features of the book include comprehensive coverage of modern Korean history since 1876 expanded coverage of social and cultural affairs up to date analysis of contemporary North Korea including assessments of the Kim Jong Un administration and development of its nuclear weapons programme a detailed chronology and suggestions for further reading *The Making of Modern Korea* is a valuable one volume resource for students of modern Korean history international politics and Asian Studies *Colonial Modernity in Korea* Gi-Wook Shin,Michael Robinson,2020-03-23 The twelve chapters in this volume seek to overcome the nationalist paradigm of Japanese repression and exploitation versus Korean resistance that has dominated the study of Korea s colonial period 1910 1945 by adopting a more inclusive pluralistic approach that stresses the complex relations among colonialism modernity and nationalism By addressing such diverse subjects as the colonial legal system radio telecommunications the rural economy and industrialization and the formation of industrial labor one group of essays analyzes how various aspects of modernity emerged in the colonial context and how they were mobilized by the Japanese for colonial domination with often unexpected results A second group examines the development of various forms of identity from nation to gender to class particularly how aspects of colonial modernity facilitated their formation through negotiation contestation and redefinition **Makers of Modern Korean Buddhism** Jin Y. Park,2012-02-01 The first book in English devoted exclusively to modern Korean Buddhism this work provides a comprehensive exploration for scholars students and serious readers *Makers of Modern Korean Buddhism* focuses on three key areas Buddhist reform Zen revival and the interrelationship of religion history and politics In Korea the modern period in Buddhism begins in earnest in the late nineteenth century during the closing years of the Chos n dynasty which was characterized by a repressive brand of neo Confucianism Buddhist reformers arose to seek change in both Buddhism and Korean society at large The work begins with a look at five of these reformers and their thought and work The Zen revival that began at the end of the nineteenth century is covered from that period to contemporary times through an exploration of the life and thought of important Zen masters The influence of Japanese Buddhist missionaries the emergence of Korean engaged Buddhism known as Minjung Buddhism and the formation of modern Buddhist scholarship in Korea are discussed as well This outstanding collection will be highly valued by the scholarly community for the way it deals comprehensively and insightfully with an important though relatively unexplored topic in the modern era Steven Heine author of *Zen Skin Zen Marrow Will the Real Zen Buddhism Please Stand Up* Jin Y Park is Associate Professor of Philosophy and Religion at American University She is the author of *Buddhism and Postmodernity Zen Huayan and the Possibility of Buddhist Postmodern Ethics* and the editor of several books including *Buddhisms and*

Deconstructions **Marxist Perspectives on South Korea in the Global Economy** Martin Hart-Landsberg, Seongjin Jeong, Westra Richard, 2017-03-02 This volume brings together work by international scholars to provide a unique analysis of the past present and possible future trajectory of Korea's political economy from a distinctly Marxist perspective The volume differentiates the Marxian approach to the political economy of Korean development from the Keynesian social democratic approach that currently dominates the critical literature In doing so the volume provides a unique view of the development of the South Korean Economy **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States. Congress. House. Committee on Foreign Affairs (1789-1975), 1968 **State, Rural Women, and Domestication in Korea** Jaok Kwon, 2024-07-29 This book explores the dynamic interactions between the state and society during the industrialization of South Korea in the 1960s and 1970s focusing on rural women as a marginalized social group By illuminating rural women's interactions with the state and their aspirations for entering the middle class it effectively reveals insights into the gender and class perspectives of industrialization in South Korea Utilizing an analysis of personal letters from peasant movement activists documents and periodicals issued by the Korean Catholic Peasant Women's Organization as well as in depth interviews with farmers housewives activists of the peasant movements and governmental officers this book represents a reconsideration of state society relations as well as a reinterpretation of housewife ideology theory Highlighting the often invisible experiences of marginalized rural women this book will be of great interest to students and scholars of Korean Studies Women's Studies and Rural Studies **Buddhism and Violence** Vladimir Tikhonov, Torkel Brekke, 2012-09-10 It is generally accepted in the West that Buddhism is a peaceful religion The Western public tends to assume that the doctrinal rejection of violence in Buddhism would make Buddhist pacifists and often expects Buddhist societies or individual Asian Buddhists to conform to the modern Western standards of peaceful behavior This stereotype which may well be termed positive Orientalism since it is based on assumption that an Oriental religion would be more faithful to its original non violent teachings than Western Christianity has been periodically challenged by enthusiastic acquiescence by monastic Buddhism to the most brutal sorts of warfare This volume demolishes this stereotype and produces instead a coherent nuanced account on the modern Buddhist attitudes towards violence and warfare which take into consideration both doctrinal logic of Buddhism and the socio political situation in Asian Buddhist societies The chapters in this book offer a deeper analysis of Buddhist militarism and Buddhist attitudes towards violence than previous volumes grounded in an awareness of Buddhist doctrines and the recent history of nationalism as well as the role Buddhism plays in constructions of national identity The international team of contributors includes scholars from Thailand Japan and Korea The New China Policy: Its Impact on the United States and Asia United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Asian and Pacific Affairs, 1972 The Inter-Asia Cultural Studies Reader Kuan-Hsing Chen, Beng Huat Chua, 2015-04-22 Asian Cultural Studies or Cultural Studies in Asia is a new and burgeoning field and the Inter Asia

Cultural Studies Journal is at its cutting edge Committed to bringing Asian Cultural Studies scholarship to the international English speaking world and constantly challenging existing conceptions of cultural studies the journal has emerged as the leading publication in Cultural Studies in Asia The Inter Asia Cultural Studies Reader brings together the best of the ground breaking papers published in the journal and includes a new introduction by the editors Chen Kuan Hsing and Chua Beng Huat Essays are grouped in thematic sections including issues which are important across the region such as State violence and social movements and work produced by IACS sub groups such as feminism queer studies cinema studies and popular culture studies The Reader provides useful alternative case studies and challenging perspectives which will be invaluable for both students and scholars in media and cultural studies

Colonial Industrialization and Labor in Korea Soon-Won Park, 2020-03-23 This book is a study of labor relations and the first generation of skilled workers in colonial Korea a subject crucial to the understanding of modernization in twentieth century Korea Born in rural Korea these workers confronted both the colonial experience and the modern workplace as they interacted with Japanese managers and workers Based on the archives of the Onoda Cement Factory and interviews with surviving workers this work analyzes the complex relationship between colonialism and modernization

Consuming Korean Tradition in Early and Late Modernity Laurel Kendall, 2010-09-22 Contributors to this volume explore the irony of modern things made in the image of a traditional us They describe the multifaceted ways tradition is produced and consumed within the frame of contemporary Korean life and how these processes are enabled by different apparatuses of modernity that Koreans first encountered in the early twentieth century Commoditized goods and services first appeared in the colonial period in such spectacular and spectacularly foreign forms as department stores restaurants exhibitions and staged performances Today these same forms have become the media through which many Koreans consume tradition in multiple forms In the colonial period commercial representations of Korea tourist sites postcard images souvenir miniatures and staged performances were produced primarily for foreign consumption often by non Koreans In late modernity efficiencies of production communication and transportation combine with material wealth and new patterns of leisure activity and tourism to enable the localized consumption of Korean tradition in theme parks at sites of alternative tourism at cultural festivals and performances as handicrafts art and cuisine and in coffee table books broadcast music and works of popular folklore Consuming Korean Tradition offers a unique insight into how and why different signifiers of Korea have come to be valued as tradition in the present tense the distinctive histories and contemporary anxieties that undergird this process and how Koreans today experience their sense of a common Korean past It offers new insights into issues of national identity heritage preservation tourism performance the commodification of contemporary life and the nature of tradition and modernity more generally Consuming Korean Tradition will prove invaluable to Koreanists and those interested in various aspects of contemporary Korean society including anthropology film cultural studies and contemporary history Contributors Katarzyna J Cwiertka Kyung Koo Han Keith Howard Hyung Il Pai

Laurel Kendall Okpyo Moon Robert Oppenheim Timothy R Tangherlini Judy Van Zile The Development of Modern South Korea Kyong Ju Kim, 2007-01-24 This book provides a comprehensive analysis of South Korean modernization by examining the dimensions of state formation capitalist development and nationalism **The New China Policy: Its Impact on the United States and Asia** United States. Congress. House. Foreign Affairs, 1972 Routledge Handbook of Modern Korean History Michael J Seth, 2016-01-29 Beginning in the mid nineteenth century when Korea became entangled in the world of modern imperialism and the old social economic and political order began to change this handbook brings together cutting edge scholarship on major themes in Korean History Contributions by experts in the field cover the Late Choson and Colonial periods Korea's partition and the diverging paths of North and South Korea Topics covered include The division of Korea Religion Competing imperialisms Economic change War and rebellions Nationalism Gender North Korea Under Kim Jong Il Global Korea The Handbook provides a stimulating introduction to the most important themes within the subject area and is an invaluable reference work for any student and researcher of Korean History *A Korean Nationalist Entrepreneur* Choong Soon Kim, 1998-04-23 This book delineates the drive for Korean modernization by cultural nationalists during the colonial era in the early twentieth century The cultural nationalism movement led by moderate nationalists eschewed overt resistance to Japanese imperialism and advocated self strengthening programs to lay the foundation for future Korean independence To describe this movement this book focuses on Kim Sungsu and his various projects for Korean modernization The author provides a narrative that includes encapsulated stories and sheds light on the Japanese colonial policies concerning Korea *A Korean Nationalist Entrepreneur* examines Kim's projects in chronological order reflecting historian Carter J Erkert's statement that Kim's life history has been so closely intertwined with some of the deepest currents of modern Korean history itself The book describes how Kim took over and developed a post elementary school founded Korea's first modern textile firm established one of Korea's major newspapers and established Posong Junior College which later became Koryo University In 1946 after Korea's liberation from Japan Kim became a pivotal figure in the conservative Korean Democratic Party which became the main opposition party in Korea in the 1950s He eventually became vice president in 1951 under Syngman Rhee *Conflict Prevention and Management in Northeast Asia* Alec Forss, Sofia Ledberg, Niklas Swanström, 2010-03-08 Two of the world's most dangerous flashpoints this edited volume with contributions by leading scholars offers a comprehensive evaluation and comparison of approaches to conflict management and prevention on the Korean Peninsula and in the Taiwan Strait The consequences of any escalation of these two conflicts and the difficulties in resolving them necessitate a fresh look at designing new strategies to prevent and contain conflict as well as highlighting the limitations of existing measures Presenting both a theoretical and practical examination of conflict prevention and management the volume provides a comparative analysis of the Korean Peninsula and the Taiwan Strait identifying lessons that could be transferred between the two cases but also the obstacles to this The experiences of other regions and the role

of third parties are also examined This is a valuable addition to the literature for students of peace and conflict studies as well as policy makers with an interest in Northeast Asia *Korean Film* Eungjun Min, Jinsook Joo, Han Ju Kwak, 2003-04-30

Despite its rise in the global market recent political progress and a surging interest worldwide Korean films are relatively unknown and rarely studied This new work begins by investigating the history industry structure and trends of filmmaking in Korea going on to examine how Hollywood films have affected both Korean mainstream and nonmainstream film industries in terms of both means of production and narrative Moreover the authors analyze the ways in which Korean films of recent years have represented the modernization process in Korea itself as well as the ideological implications that arise from the cinematic constructions of Korean imagination More than a mere chronological account of Korean cinematic history *Korean Film R* attempts to consider the films as a popular cultural form that have a life beyond their theatrical runs stars genres and key movies become part of any culture s identity and in their narratives and meanings can be located evidence of the ways in which a culture makes sense of itself Korea has never before been given such an extensive treatment of this central idea and here for the first time the nation s culture and cinema are merged into one discussion that both reflects and shapes our understanding of it
