Committee on Education and Labor, 1936 **The Annihilation of Allison Station** D.L. Mac McDonald, 2018-02-09 This work is dedicated to all United States veterans past present and future From the mind of retired Air Force veteran D L Mac McDonald comes a tale of intrigue deceit death and destruction Fourteen years after the Brinari Conflict and just ten years after Sarasota Catastrophe that brought the former enemies together as lifelong friends Don Wallace and TaKira are once again fighting against time to avoid a renewed conflict A highly classified test facility built on asteroids GC954 has been all but completely destroyed Without a single survivor Don Wallace and his crew must find the answer to what happened by bringing life to the devastated stations core computer However the core isn't giving up its secrets without a fight and they need to know what led to the destruction of the Allison Houston's synchronized hyperinduction terminal to squelch the tensions of renewed conflict and to keep it from happening again *The Devious Route* Helen Kanevsky, 2012-11-09 We often judge remarkable achievements by the rarity in which they are performed It is no exaggeration to place that judgment on these provocative poems by Helen Kanevsky These writings are something special and rare from a poet who only began to learn English as an older adult bringing into her new lettered world the life experience of a native to Russian Jewish culture with its deep literary tradition intertwined with the complex history of a country that not so long ago stood at the crossroads of world events and the forefront of social revolution Reading these poems by Helen Kanevsky makes me think of the power of words the power to evoke the power to lead the mind through new avenues of hitherto unknown realities Helen is very conscious of this power and rejoices in their potential when she proclaims her adamant faith in the superpower of words Helen has emerged as a new person in a new world And it occurs to me that the words have formed the woman as much as the woman has formed the words There is in this a gift to the reader As a foreigner brought on to the shores of English expression she brings a unique framework As she directs her verbal lens we see the world in a different way Bruce Neuburger author of Lettue Wars **Federal Energy Regulatory Commission Reports** United States. She argues that these sovereign stories and blood memories not only reveal the multilayered histories and identities shared by each author but demonstrate how their narratives are grounded in ancestral memory and land. These autobiographies recall settler colonialism, deterritorialization and genocide as the writers and activist scholars reclaim their voices across cultural, national and digital boundaries. Portillo provides close readings of memoirs, life stories, oral histories, blogs, social media sites and experimental multigenre narratives including those by Delfina Cuero, Ruby Modesto, Leslie Marmon Silko, Pretty Shield, Zitkala-Sa and Sarah Winnemucca Hopkins. *Beneath the Cashew Tree* Lindaura DaSilva, 2014-01-28 Life on a cacao farm in Brazil was full of adventure, especially when you were the youngest of seven children. Lily, the baby of the family, didn't have a swing set or lots of toys to play with, but she didn't need those things because she had a farm to explore, animals to play with and a beautiful cashew tree in her front yard to climb in and play and dream under. Lily felt safe when she played under her favorite tree; all seemed right with the world when she sat beneath its outstretched branches. *Beneath the Cashew Tree* is a children's chapter book that draws readers into the story of the Justo family and the Good Vision Farm. It is a story of harvest time and thieves of hard work and sacrifice of learning about God and trusting in Him to take care of you. It is a story about the comfort of home. *Somebody Is Walking on Your Grave* Mariana Enriquez, 2025-09-30 An enchanting, highly personal tour of some of the most iconic cemeteries of the world, part travelogue, part memoir, part excursions through death by the author of *Our Share of Night* and queen of horror. *Los Angeles Times*: Not a travelogue so much as a grave-a-logue. *Somebody Is Walking on Your Grave* is an exuberant, witty wander among the dead. You could not have a better friend to take you by the hand and lead you for a long trudge among tilting tombstones, dank crypts and chilling history. Joe Hill. Enriquez knows cemeteries are the repositories of life's pain and beauty. I felt more alive as I read. Caitlin Doughty. *New York Times* bestselling author of *Smoke Gets in Your Eyes*. And other lessons from the crematory. An eccentric and enlightening peek into how memorialization happens across the world. *Publishers Weekly* starred review. Fascinating. Enriquez hides a celebration of life in a book about death. *Booklist* starred review. One of *Publishers Weekly's* Top 10 New Releases of the Fall. A Most Anticipated Book of the Fall. *Chicago Tribune*, *Los Angeles Times*, *Literary Hub*, *Ms Magazine*, *Bustle*, *Book Riot*. *Publishers Lunch*. Cemeteries have great stories and sometimes I steal some for my books. Mariana Enriquez called by *The New York Times* a sorceress of horror has been fascinated by the haunting beauty of cemeteries since she was a teenager. She has visited them frequently, a goth flaneur taking notes on her aesthetic obsession as she walks among the headstones where dying seems much more interesting than being alive. But when the body of a friend's mother, who was disappeared during Argentina's military dictatorship, was found in a common grave, Enriquez began to examine more deeply the complex

meanings of cemeteries and where our bodies come to rest In this rich book of essays excursions through death she calls them Enriquez travels through North and South America Europe and Australia visiting Paris s catacombs Prague s Old Jewish Cemetery New Orleans s aboveground mausoleums Buenos Aires s opulent Recoleta and more Enriquez investigates each cemetery s history and architecture its saints and ghosts its caretakers and visitors and of course its dead Weaving personal stories with reportage interviews myths hauntology and more Somebody Is Walking on Your Grave is memoir channeled through Enriquez s passion for cemeteries revealing as much about her own life and unique sensibility as the graveyards and tombstones she tours Fascinating spooky and unlike anything else Enriquez s first work of nonfiction translated by the award winning Megan McDowell is as original and memorable as the stories and novels for which she s become so beloved and admired
