Modocs Their War:

The Modocs and Their War Keith A. Murray, 1959 Along the shores of Tule Lake in northern California three small bands of Modoc Indians joined forces in the fall and winter of 1872-73 to hold off more than one thousand U S soldiers and settlers trying to dislodge them from their ancient refuge in the lava beds [The Modoc War](#) Robert Aquinas McNally, 2017-11-01 On a cold rainy dawn in late November 1872 Lieutenant Frazier Boutelle and a Modoc Indian nicknamed Scarface Charley leveled firearms at each other Their duel triggered a war that capped a decades long genocidal attack that was emblematic of the United States conquest of Native America's peoples and lands Robert Aquinas McNally tells the wrenching story of the Modoc War of 1872-73 one of the nation's costliest campaigns against North American Indigenous peoples in which the army placed nearly one thousand soldiers in the field against some fifty-five Modoc fighters Although little known today the Modoc War dominated national headlines for an entire year Fought in south central Oregon and northeastern California the war settled into a siege in the desolate Lava Beds and climaxed the decades long effort to dispossess and destroy the Modocs The war did not end with the last shot fired however For the first and only time in U S history Native fighters were tried and hanged for war crimes The surviving Modocs were packed into cattle cars and shipped from Fort Klamath to the corrupt disease-ridden Quapaw reservation in Oklahoma where they found peace even more lethal than war The Modoc War tells the forgotten story of a violent and bloody Gilded Age campaign at a time when the federal government boasted officially of a peace policy toward Indigenous nations This compelling history illuminates a dark corner in our country's past **Modoc War** Erwin N. Thompson, 2014-07-11 This is an excellent brief narrative of the military campaign during the war between the Modoc Indians of Northern California and Southern Oregon and units of the U S Army during 1872-1873 The author provides a high level of detail on the troop movements units and soldiers involved The text is complemented by a number of appendices and excellent set of maps and a number of photographs *Remembering the Modoc War* Boyd Cothran, 2014-09-15 On October 3 1873 the U S Army hanged four Modoc headmen at Oregon's Fort Klamath The condemned had supposedly murdered the only U S Army general to die during the Indian wars of the nineteenth century Their much anticipated execution marked the end of the Modoc War of 1872-73 But as Boyd Cothran demonstrates the conflict's close marked the beginning of a new struggle over the memory of the war Examining representations of the Modoc War in the context of rapidly expanding cultural and commercial marketplaces Cothran shows how settlers created and sold narratives of the conflict that blamed the Modocs These stories portrayed Indigenous people as the instigators of violence and white Americans as innocent victims Cothran examines the production and circulation of these narratives from sensationalized published histories and staged lectures featuring Modoc survivors of the war to commemorations and promotional efforts to sell newly opened Indian lands to settlers As Cothran argues these narratives of American innocence justified not only violence against Indians in the settlement of the West but also the broader process of U S territorial and

imperial expansion *The Modoc War in the Lava Beds* Mark Berhow,2014-06-24 The six month war is a classic case study of the cultural conflicts that made up the North American Indian wars It has the distinction of being the most costly Indian war fought by the United States Army considering the shortness of the war and the number of Indians involved It was also the only Indian War in which a general grade officer was killed It highlighted the deficiencies of the post Civil War Army a motley crew of badly trained soldiers led by equally poorly trained officers who fought on battlefields of the Indian s choosing and about which the Army had absolutely no information what so ever At the end of the war there were over 1000 soldiers hunting down 160 Modocs of which there was not more than 60 effective fighting men The Modocs are gone from Lava Beds but they are not forgotten The land they fought for was a wild landscape of lava flows caves and cinder cones Today the area is preserved as Lava Beds National Monument **The Modoc War, 1872-73** Erwin N. Thompson,1967 **The Terrible Indian Wars of the West** Jerry Keenan,2016-04-27 Expansion The history of the United States might well be summed up in that single word The Indian Wars of the American West were a continuation of the struggle that began with the arrival of the first Europeans and escalated as they advanced across the Appalachians before American independence had been won This history of the Indian Wars of the Trans Mississippi begins with the earliest clashes between Native Americans and Anglo European settlers The author provides a comprehensive narrative of the conflict in eight parts covering eight geographical regions the Pacific Northwest California and Nevada New Mexico the Central Plains the Southern Plains Iowa Minnesota and the Northern Plains the Intermountain West and the Desert Southwest with an epilogue on Wounded Knee Eyewitnesses to the Indian Wars: 1865-1890 Peter Cozzens,2002-02-01 Eyewitnesses to the Indian Wars 1865 1890 The Wars for the Pacific Northwest is the second in a planned five volume series that will tell the saga of the military struggle for the American West in the words of the soldiers noncombatants and Native Americans who shaped it Patterned after the classic Battles and Leaders of the Civil War the series will represent the most comprehensive work on the Indian Wars in the West yet published Volume II The Wars for the Pacific Northwest covers five distinct conflicts and their aftermaths The Snake Paiute War and After 1866 72 The Modoc War 1872 73 The Nez Perce Campaign 1877 The Bannock War 1878 and The Sheepeater Campaign 1879 It contains accounts from participants on both sides of the conflict including George Crook Charles King and Nelson A Miles as well as Chuslum Moxmox Yellow Bull Young Two Moon and Heinmot Tooyalakekt Chief Joseph California's Hidden Gold Alton Pryor,2002 **Mining California** Andrew C. Isenberg,2024-09-04 An environmental History of California during the Gold Rush Between 1849 and 1874 almost 1 billion in gold was mined in California With little available capital or labor here s how high pressure water cannons washed hillsides into sluices that used mercury to trap gold but let the soil wash away eventually more than three times the amount of earth moved to make way for the Panama Canal entered California s rivers leaving behind twenty tons of mercury every mile rivers overflowed their banks and valleys were flooded the land poisoned In the rush to wealth the same chain of foreseeable consequences reduced California s forests and

grasslands Not since William Cronon's *Nature's Metropolis* has a historian so skillfully applied John Muir's insight When we try to pick out anything by itself we find it hitched to everything else in the universe to the telling of the history of the American West Beautifully told this is western environmental history at its finest Encyclopedia of Frontier Biography: A-F Dan L. Thrapp, 1991-06-01 Includes biographical information on 4 500 individuals associated with the frontier **Imperial Wars 1815-1914** Professor Dennis Showalter, 2013-09-16 The Imperial Wars volume in the Encyclopedia of Warfare Series describes the wars and battles that took place during the height of European imperialism A chronological guide to conflict on every continent in the century after the fall of Napoleon the book covers from the South American Wars of Independence to the Mexican Revolution The Indian History of the Modoc War Jeff C. Riddle, 2004 Jefferson C Davis Riddle 1863 1941 was the son of Frank Riddle and his Modoc wife Tobey both of whom played prominent roles in the Modoc War of 1873 Only ten years old at the time and known by his Modoc name the young Charka experienced the northern California conflict firsthand After the war his parents who had supported the Modoc peace faction renamed their son for the Regular army colonel who helped end the hostilities Written to give both sides of the troubles of the Modoc Indians and the whites *The Indian History of the Modoc War* vividly recounts this episode of Western history It remains one of the most important books on the Indian Wars Book jacket *The Center of the World, the Edge of the World* Frederick L. American Indian Policy in Crisis Francis Paul Prucha, 2014-04-14 In this book a distinguished authority in the field presents an account of United States Indian policy in the years 1865 to 1900 one of the most critical periods in Indian white relations Francis Paul Prucha discusses in detail the major developments of those years Grant's Peace Policy the reservation system the agitation for transfer of Indian affairs to military control the General Allotment Act the Dawes Act Indian citizenship Indian education Civil Service reform of the Bureau of Indian Affairs and the dissolution of the Indian nations of the Indian Territory *American Indian Policy in Crisis* focuses on the Christian humanitarians and philanthropists who were the ultimate driving force in the reform of Indian affairs The programs of these men and women to individualize and Americanize the Indians and turn them into patriotic American citizens indistinguishable from their white neighbors are examined at length The story is not a pretty one for reformers changes were often disastrous for the Indians and yet it is a tremendously important work for understanding the Indians situation and their place in American society today Prucha does not treat Indian policy in isolation but relates it to the dominant cultural and intellectual currents of the age This book furnishes a view of the evangelical Christian influence on American policy and the reforming spirit it engendered both of which have a significance extending beyond Indian policy alone Thorough documentation and an excellent bibliography enhance its value **Modoc National Forest (N.F.), Motorized Travel Management**, 2009 **The Army Lawyer**, 2010
