

Strategic Human Resource Management

MODULE 2

Source: 2017, 10th ed., Raymond A. Noe, Human Resource Management (McGraw-Hill Education)

Chapter 2

We will begin this chapter by discussing the concepts of business models and strategy and by depicting the strategic management process. Then, we discuss the levels of integration between the HRM function and the strategic management process in strategy formulation. Next, we review some of the more common strategic models and, within the context of these models, discuss the various types of employee skills, behaviors, and attitudes, and the ways HRM practices aid in implementing the strategic plan. Finally, we discuss the role of HR in creating competitive advantage.

What Is a Business Model?

A business model is a story of how the firm will create value for customers and, more important, how it will do so profitably. We often hear or read of companies that have
