*Chance King of The Gates* R. RICHARD,2015-01-15 Justin Imperiale is running his Kingdoms He has also found a way to create interstellar Gates that allow a person to walk from planet to planet Suddenly an enormous sea creature is sighted off of his Kingdom of The Islands Justin has to figure a way to deal with the beast Justin then figures a way to take revenge on those who dumped the sea beast in Corin His Kingdom of Mesodania is attacked by revolutionaries led by one who calls himself the True Prophet Justin finds a way to fight back with model airplanes He then discovers that the Mesodanian revolutionaries were armed by the North Continent nation of Pors Justin then figures a way to take revenge on those who armed the revolutionaries Justin is then confronted by a young lady with paranormal powers The incident leads him to realize that Arvion is still after him and leads to the discovery of spies The nation of Ruthenia provides most of the natural gas used to heat homes and generate electricity in the Old World North Continent nations Suddenly Ruthenia wants to double the price of their natural gas Justin figures a way to provide replacement natural gas for his North Continent Kingdoms However if he can figure out how to supply the other North Continent nations he can probably acquire several more North Continent Kingdoms in return for solving the problem Justin does find a source for natural gas but lacks a way to get to the source However he thinks back to something that Arvion his enemy does and just maybe Justin can figure out how to do the same thing Any solution will involve the understanding of higher dimensional spaces above the three physical spaces in which the people of Corin live Along the way Justin figures out how to set up a perfect prison His solution is cheap and escape proof However he then has to deal with pipeline bandits One night Justin is again visited by a ghost or at least a creature who lives

in higher dimensional space The ghost reviews some of what Justin has done and tells Justin that some of the powerful beings who live in higher dimensional space are not too happy with him     Second Chance R Richard,2008-11-01 Justin Imperiale has become the absolute monarch of the island of Fori Novor His rule has done so well for the island that the surrounding islands place themselves under his rule in order to survive economically Justin then flimflams the Association of Nations into letting him make the waters around his expanded kingdom of The Islands into the private property of the new kingdom of The Islands A dispute arises between The Islands and the kingdom of Zaya over the ownership of an uninhabited island In the process of flimflaming the Association of Nations into giving The Islands sovereignty over the disputed island Justin is approached by Zayan rebels The Zayan rebels feel that they are misruled by the King of Zaya and basically slaves of drug dealers who infest the area of northern Zaya The Zayan rebels agree to make Justin King of Zaya if he can solve their problems Justin doesn't want to war with the drug dealers so he adopts a simple strategy of stealing the drug dealers drugs and money As a result of the wealth transfer the drug dealer empire collapses and Justin becomes the King of northern Zaya Justin's new title of King of Zaya puts him at conflict with the current King of Zaya A war is likely The old King has tanks and Justin has none Justin has the means to fight the old King's tanks but then the tanks would be destroyed Justin decides to acquire some of the old King's tanks and other armament Of course since it's Justin theft is in play However the Zayan rebels also acquire some tanks The balance begins to swing in favor of Justin Justin reasons that the current King of Zaya lives in a palace in Zaya City and there's only one King in the palace Thus Justin feels that the right commando can take down the current King of Zaya and win the war As a result a disguised Justin travels to Zaya City to take care of business The old King has heavily armed guards Justin has mainly his wits It's not an even match     **Judith Kerr** Astrid van Nahl,2019-08-12
