Much of the history of New York's scenic Mohawk Valley has been recounted time and again. But so many other stories have remained buried almost lost from memory. The man called the baseball oracle correctly predicted the outcome of twenty one major league games. Mrs Bennett a friend of Governor Thomas Dewey owned the Tower restaurant and lived in the unique Cranesville building. An Amsterdam sailor cheated death onboard a stricken submarine. Not only people but once loved places are also all but forgotten like the twentieth century Mohawk Indian encampment and Camp Agaming in the Adirondacks where Kirk Douglas was a counselor. Local historian Bob Cudmore delves deep into the region's history to find its most fascinating pieces of hidden history. **The Mohawk Valley** W. Max (William Max) Reid, 2012-08-01. Unlike some other reproductions of classic texts 1 We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy. *The Mohawk Valley: Its Legends and Its History* W. Mohawk Valley W. Max Reid, 2013-03-01. Bonded Leather binding Stories from the Mohawk Valley Bob Cudmore, 2011-01-09. Nestled in Upstate New York along the banks of the Mohawk River are the many communities of the Mohawk Valley. These villages towns and cities have unique histories but are inextricably tied together by the waterways that run through them. The mills railroads and the Erie Canal sustained early growth. The Painted Rocks beautified the landscape and tales from the local Mohawk Nation still enrich the folklore. Many remarkable individuals have called the Mohawk Valley home including psychedelic philosopher Benjamin Paul Blood Queen Libby the Daiquiris and actor Kirk Douglas. For over a decade local native Bob Cudmore has documented the interesting important and unusual stories from the region's past and he has compiled the best of them here. **In Mohawk Country** Dean R. Snow, Charles T. Gehring, William A. Starna, 1996-12-01. For centuries the history of the Mohawk Valley has been shaped by the complex relationships among the valley's native inhabitants the Mohawk Indians and its colonists starting with the Dutch. In *Mohawk Country* collects for the first time the principal documentary narratives that reveal the full scope of this Mohawk settler interaction. Some of the sources have never before been translated into English and several have not been previously published. Of those works that

had been published nearly all are out of print The Mohawk location near Albany New York put them at the center of transactions between the Iroquois and European colonists The Mohawk were one of the constituent nations within the League of the Iroquois These narratives written by Dutch merchants French Jesuit missionaries English soldiers romantic European travelers and other literate observers provide often biased but always fascinating accounts of the Mohawk and their valley The reader is treated to over two centuries of history starting with the arrival of the Dutch in the early seventeenth century to the planning of the Erie Canal in the early nineteenth century These records bring to life the rapid changes experienced by both the Mohawk and their European neighbors Wars catastrophic epidemics and the diplomacy of nearly two centuries are all well represented in this volume Fascinating cultural differences are also unearthed the French for example dealt with the Mohawk much differently than the Dutch or the English Just as importantly these writings reveal from the unique perspectives of the observer the Mohawk s struggle to retain their culture in the midst of evolving political social and physical environments
