The Unabbreviated Horologion or Book of the Hours Holy Trinity Monastery, 2012-11-01
This book provides the basic skeleton for all the services of the Orthodox Church into which variable texts from other sources are inserted. The work is presented in a well bound large print format. Using traditional English the book has the fixed texts for all the daily services of the Orthodox Church. Clear rubrics set out in red ink explain how the form of the services varies between Sundays and weekdays, fasting seasons etc. This edition also includes extracts from the variable texts of the Menaion Triodion and Pentecostarion. An absolute must for any student of Christian liturgy **A Master Builder** Charles Henry Brent, 1916

Memory Eternal Sergei Kan, 2014-07-01
In *Memory Eternal* Sergei Kan combines anthropology and history anecdote and theory to portray the encounter between the Tlingit Indians and the Russian Orthodox Church in Alaska in the late 1700s and to analyze the indigenous Orthodoxy that developed over the next 200 years. As a native speaker of Russian with eighteen years of fieldwork experience among the Tlingit, Kan is uniquely qualified to relate little known material from the archives of the Russian church in Alaska to Tlingit oral history and his own observations. By weighing the one body of evidence against the other, he has reevaluated this history, arriving at a persuasive new concept of converged agendas: the view that the Tlingit and the Russians tended to act in mutually beneficial ways but for entirely different reasons throughout the period of their contact with one another. The Russian American Company began operations in southeastern Alaska in the 1790s. Against a description of Tlingit culture at the time of the Russians' arrival, Kan examines Russian Orthodox theology, ritual practice and missionary methods and the Tlingit response to them. An uneasy symbiosis characterized the early era of the Russian American Company when the trading relationship outweighed any spiritual or social rapprochement. A second major focus of Kan's study is the Tlingit experience with American colonial domination. He attributes a sudden revival of Tlingit interest in Orthodoxy in the 1880s as their attempt to maintain independence in the face of concerted efforts by the newcomers and especially Presbyterian missionaries to Americanize them. *Memory Eternal* shows the colonial encounter to be both a power struggle and a dialogue between different systems of meaning. It portrays Native Alaskans not as helpless victims but as historical agents who attempted to adjust to the changing reality of their social world without abandoning fundamental principles of their precolonial sociocultural order or their strong sense of self respect **Russian emigré recollections life in Russia and California oral history transcript 1979-1983** Olga Chapovitsky Morgan, Vera

Metropolitan Anthony of Sourozh Avril Pyman, 2016-11-29 Andrei Bloom 1914-2003 better known as Anthony Bloom or Metropolitan Anthony of Sourozh led an extraordinary life He was an individual who sought to be in touch with his God yet in solidarity with and responsibility for a tragically disconnected society a man of God who knew the world From the difficulties of Russian emigre life that conditioned him as a monk without a monastery through the trials and suffering of war and revolution to his calling as Priest and Bishop of the Russian Orthodox Church in Great Britain he moved between many changing landscapes striving always to take his bearings in prayer and contemplation In spite of the collapse of their whole way of life his parents brought him up to be a generous and courteous friend to those around him As a surgeon and doctor in German occupied France he would provide treatment to those in need irrespective of ethnic or ideological affiliation In his character joy in the good and the beautiful was compounded with ardor and tragic depths This biography explores how Metropolitan Anthony sought the mind of Christ to cultivate and control his own loving heart and occasionally harsh exigence Avril Pyman draws on a mosaic of available evidence to offer deeper insight into the life and times of a remarkable spiritual teacher charismatic speaker and priest whose cosmopolitan background character and experience of science and medicine made a unique and significant contribution to Orthodox Christian thought and practice throughout the world
