18th-Century London Richard M. Ward,2014-08-28 In the first half of the 18th century there was an explosion in the volume and variety of crime literature published in London This was a golden age of writing about crime when the older genres of criminal biographies social policy pamphlets and last dying speeches were joined by a raft of new publications including newspapers periodicals graphic prints the Old Bailey Proceedings and the Ordinary s Account of malefactors executed at Tyburn By the early 18th century propertied Londoners read a wider array of printed texts and images about criminal offenders highwaymen housebreakers murderers pickpockets and the like than ever before or since Print Culture Crime and Justice in 18th Century London provides the first detailed study of crime reporting across this range of publications to explore the influence of print upon contemporary perceptions of crime and upon the making of the law and its administration in the metropolis This historical perspective helps us to rethink the relationship between media the public sphere and criminal justice policy in the present **Daniel Defoe and the Representation of Personal Identity**

Christopher Borsing,2016-08-25 The concept of a personal identity was a contentious issue in the early eighteenth century John Locke s philosophical discussion of personal identity in An Essay Concerning Human Understanding fostered a public debate upon the status of an immortal Christian soul This book argues that Defoe like many of this age had religious difficulties with Locke s empiricist analysis of human identity In particular it examines how Defoe explores competitive individualism as a social threat while also demonstrating the literary and psychological fiction of any concept of a separated lone identity This foreshadows Michel Foucault s assertion that the idea of man is a recent invention a figure not yet two centuries old a new wrinkle in our knowledge The monograph s engagement with Defoe s destabilization of any definition or image of personal identity across a wide range of genres including satire political propaganda history conduct literature

travel narrative spiritual autobiography piracy and history economic and scientific literature rogue biography scandalous and secret history dystopian documentary science fiction and apparition narrative is an important and original contribution to the literary and cultural understanding of the early eighteenth century as it interrogates and challenges modern presumptions of individual identity

Literature Criticism from 1400 to 1800, 2001 **The Oxford Handbook of Criminology** Rod Morgan, Mike Maguire, Robert Reiner, 2012-04-12 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple Os

Moll Flanders Daniel Defoe, 2005-02-23 Born to a petty thief in London's notorious Newgate prison and determined to make her way in a rapacious and materialistic society Moll Flanders recounts the fortunes and misfortunes of her turbulent life in this 1722 novel Though Moll Flanders was shaped by the conventions of criminal biography Defoe also drew on other literary traditions and his own rich background to create a remarkably original and still controversial work In addition to a critical introduction and substantial footnotes this Broadview edition provides a wide range of writings by Defoe as well as contemporary responses to Moll Flanders Other appendices include a selection of eighteenth century writings on crime prisons and the Virginia colony

Moll Flanders Gregory Durston, 1997 **Imperial Characters** Tara Ghoshal Wallace, 2010 In a searching but sympathetic series of textual analyses Wallace argues that the canon of eighteenth century English Literature was born out of the interplay between literary nationalism and an imperial internationalism Imperial Characters will add considerably to the globalization of the discipline that has been underway for some years now

Defoe's America Dennis Todd, 2010-07-08 The Americas appear as an evocative setting in more than half of Daniel Defoe's novels and often offer a new beginning for his characters In the first full length study of Defoe and colonialism Dennis Todd explores why the New World loomed so large in Defoe's imagination By focusing on the historical contexts that informed Defoe's depiction of American Indians African slaves and white indentured servants Dennis Todd investigates the colonial assumptions that shaped his novels and at the same time uncovers how Defoe used details of the American experience in complex often figurative ways to explore the

psychological bases of the profound conversions and transformations that his heroes and heroines undergo And by examining what Defoe knew and did not know about America what he falsely believed and what he knowingly falsified Defoe's America probes the doubts hesitations and contradictions he had about the colonial project he so fervently promoted **The Politics of Custom in Eighteenth-Century British Fiction** S. Bowen, 2010-08-30 This book argues that representations of popular culture in the eighteenth century novel served as repositories of traditional social values and played a role in Britain's transition to an imperial state **Turned to Account** Lincoln B. Faller, 1987-09-25 Turned to Account is a study that focuses on the popular genre of criminal biography examining how it played upon and reflected English society's fears and interest in aberrant behaviour Faller examines ways in which ordinary Englishmen read wrote and presumably thought on the subject of criminal actions and character Criminality and Narrative in Eighteenth-Century England Hal Gladfelder, 2003-04-01 Stories of transgression Gilgamesh Prometheus Oedipus Eve may be integral to every culture's narrative imaginings of its own origins but such stories assumed different meanings with the burgeoning interest in modern histories of crime and punishment in the later decades of the seventeenth century In Criminality and Narrative in Eighteenth Century England Hal Gladfelder shows how the trial report providence book criminal biography and gallows speech came into new commercial prominence and brought into focus what was most disturbing and most exciting about contemporary experience These narratives of violence theft disruptive sexuality and rebellion compelled their readers to sort through fragmentary or contested evidence anticipating the openness to discordant meanings and discrepant points of view which characterizes the later fictions of Defoe and Fielding Beginning with the various genres of crime narrative Gladfelder maps a complex network of discourses that collectively embodied the range of responses to the transgressive at the turn of the eighteenth century In the book's second and third parts he demonstrates how the discourses of criminality became enmeshed with emerging novelistic conceptions of character and narrative form With special attention to Colonel Jack Moll Flanders and Roxana Gladfelder argues that Defoe's narratives concentrate on the forces that shape identity especially under conditions of outlawry social dislocation and urban poverty He next considers Fielding's double career as author and magistrate analyzing the interaction between his fiction and such texts as the aggressively polemical Enquiry into the Causes of the Late Increase in Robbers and his eyewitness accounts of the sensational Canning and Penlez cases Finally Gladfelder turns to Godwin's Caleb Williams Wollstonecraft's Maria and Inchbald's Nature and Art to reveal the degree to which criminal narrative by the end of the eighteenth century had become a necessary vehicle for articulating fundamental cultural anxieties and longings Crime narratives he argues vividly embody the struggles of individuals to define their place in the suddenly unfamiliar world of modernity Criminals as Animals from Shakespeare to Lombroso Greta Olson, 2013-12-12 Criminals as Animals from Shakespeare to Lombroso demonstrates how animal metaphors have been used to denigrate persons identified as criminal in literature law and science Its three part history traces the popularization of the criminal beast metaphor in late sixteenth

century England the troubling of the trope during the long eighteenth century and the late nineteenth century discovery of criminal atavism With chapters on rogue pamphlets Shakespeare Webster Jonson Defoe and Swift Godwin Dickens and Lombroso the book illustrates how ideologically inscribed metaphors foster transfers between law penal practices and literature *Criminals as Animals* concludes that criminal animal metaphors continue to negatively influence the treatment of prisoners suspected terrorists and the poor even today *Reading the Eighteenth-Century Novel* David H.

Richter, 2017-02-13 *Reading the Eighteenth Century Novel* is a lively exploration of the evolution of the English novel from 1688 1815 A range of major works and authors are discussed along with important developments in the genre and the impact of novels on society at the time The text begins with a discussion of the rise of the novel in the long eighteenth century and various theories about the economic social and ideological changes that caused it Subsequent chapters examine ten particular novels from Oroonoko and Moll Flanders to Tom Jones and Emma using each one to introduce and discuss different rhetorical theories of narrative The way in which books developed and changed during this period breaking new ground and influencing later developments is also discussed along with key themes such as the representation of gender class and nationality The final chapter explores how this literary form became a force for social and ideological change by the end of the period Written by a highly experienced scholar of English literature this engaging textbook guides readers through the intricacies of a transformational period for the novel **Crime, Justice, and Defoe** Jeanne Clegg, 2025-09-12 Having

filched a little white bundle from under the noses of an apothecary's apprentice and his maid in London's Leadenhall Street Defoe's Moll Flanders is sure that she will be taken next time and be carried to Newgate and be tried for my life The likelihood of being arrested tried and executed runs like an electric current through Moll's accounts of the many successful getaways that follow and of how she negotiates her way out of the hands of her victims and would be prosecutors constables magistrates and judges These narratives cannot be understood in terms of the framework of law enforcement practice taken for granted by modern consumers of crime fiction and news reports *Crime Justice and Defoe* brings to the surface assumptions embedded in both Moll Flanders and Colonel Jack about who might do or say what at a crime scene before a J P in court and during negotiations for a pardon assumptions to which we are now culturally blind For help with this the book draws on social histories of crime and justice on early modern prescriptive manuals on magistrates examinations of accused persons and on reports of trials for property crime held at the Old Bailey in the early 1720s It pays special attention to the changes taking place in law enforcement in Defoe's lifetime and asks how his fictions may have helped naturalise those changes or hindered them In the process the book explores the multi-layered narrative techniques used to tell readers both what really happened and how matters might or should have turned out differently **Eighteenth-Century**

Transplantations Anna Paluchowska-Messing, Jakub Lipski, Joanna Maciulewicz, 2024-09-09 This collection studies eighteenth century British literature as enmeshed within a dynamic intercultural traffic participating in the import and

export of literary and cultural forms Eighteenth Century Transplantations places this transcultural circulation at the centre of attention and presents its products in a unique configuration Literary transplants into the British context out of it and their transmedial afterlives are set together in order to showcase the mechanisms of such cultural commerce The term transplantation borrowed from medical and horticultural discourses and evocative of eighteenth century experiments in gardening is offered here as a useful kinetic model to conceptualize the diverse practices involved in relocating a literary text into a new cultural environment **A Study Guide for Daniel Defoe's "Moll Flanders"** Gale, Cengage
