**Molly Mormon?** Tamra Norton, 2002-03 *Irish Mormons* Hazel O'Brien, 2023-06-06 The Church of Jesus Christ of Latter day Saints is one of the international religions that have arrived from abroad to find adherents in Ireland Drawing on fieldwork in two LDS communities Hazel O'Brien explores how these adherents experience the Church in Ireland against the backdrop of the country's increasingly complex religious identity Irish Latter day Saints live on the margins of the nation's religious life and the worldwide LDS movement Nonetheless they create a sense of belonging for themselves by drawing on collective memories of both their Irishness and their faith As O'Brien shows Irish Latter day Saints work to shift the understanding of Ireland's religious landscape away from a predominant focus on Roman Catholicism They also challenge Utah based constructions of Mormonism in order to ensure their place in the Church's powerful religious and cultural lineage Examining the Latter day Saint experience against one nation's rapid social and religious changes *Irish Mormons* blends participant observation and interviews with analysis to offer a rare view of the Latter day Saints in contemporary Ireland

**The Routledge Handbook of Mormonism and Gender** Taylor Petrey, Amy Hoyt, 2020-04-30 The Routledge Handbook of Mormonism and Gender is an outstanding reference source to this controversial subject area Since its founding in 1830 the Church of Jesus Christ of Latter day Saints has engaged gender in surprising ways LDS practice of polygamy in the nineteenth century both fueled rhetoric of patriarchal rule as well as gave polygamous wives greater autonomy than their monogamous peers The tensions over women's autonomy continued after polygamy was abandoned and defined much of the twentieth century In the 1970s 1990s and 2010s Mormon feminists came into direct confrontation with the male Mormon hierarchy These public clashes produced some reforms but fell short of accomplishing full equality LGBT Mormons have a similar history These movements are part of the larger story of how Mormonism has managed changing gender norms in a global context Comprising over forty chapters by a team of international contributors the Handbook is divided into four parts Methodological issues Historical approaches Social scientific approaches Theological approaches These sections examine

central issues debates and problems including agency feminism sexuality and sexual ethics masculinity queer studies plural marriage homosexuality race scripture gender and the priesthood the family sexual violence and identity The Routledge Handbook of Mormonism and Gender is essential reading for students and researchers in religious studies gender studies and women s studies The Handbook will also be very useful for those in related fields such as cultural studies politics anthropology and sociology

Dara Says Vasco Phillip de Sousa, 2021-03-15 Once upon a time in Aberystwyth a set of film students would have done anything to get a movie made This was NOT that movie Instead they decided to try for what was possible a film that could be shot in one location with three

actors for a crowdfunded budget That budget would mainly go to making perks and perhaps entering a few film festivals When that failed one of them made this film instead Strangely enough some people who watched it laughed at something other than the production valleys Er values Yes it was entertaining on its own merits How do you make a movie that people enjoy when the neighbour he is British so he s not a neighbor is cutting his hedge at full volume How do you make a film at all in a terraced house without a parking space If you want to see why our audience liked it then watch the film But if you also want to know how it was made to see the skeleton of a screenplay that the actors had to work with then this book might be for you     Secrets and Wives Sanjiv Bhattacharya,2013-07-01 What do we really know about modern practicing

polygamists not fictional ones like the Henrickson family on HBO s Big Love We ve seen the Fundamentalist Church of Jesus Christ of Latter Day Saints in the news the underage brides in pioneer dresses on a Texas ranch But the FLDS is just one of many groups that have broken with mainstream Mormonism to follow those parts of Joseph Smith s doctrine disavowed by the LDS Church Gaining unprecedented access to these communities journalist Sanjiv Bhattacharya reveals a shadow country teeming with small town messiahs dark secrets and stories both heartbreaking and strange Polygamy s dark side incest forced marriages and physical abuse is laid bare But Bhattacharya also finds warmth in the fundamentalist diaspora and even finds himself taking an ideological stand for polygamy s legalization More than just an expose of Mormon polygamy Secrets and Wives is the personal journey of a foreign atheist and liberal a stranger in a strange land who grapples with hard questions about marriage monogamy and the very nature of faith     **Postsecular Feminisms** Nandini Deo,2018-07-26

Postsecular Feminisms explores the contested relationship between feminism and secularism through a series of case studies featuring perspectives from the global North and South It offers insights beyond those of the Abrahamic traditions and includes multiple examples from South Asia By decentering the European experience Postsecular Feminisms shows how secularism and feminism have been constituted in North America South Asia and Anglophone West Africa The book asks can postsecular feminism offer a way to think about religion and gender so as to support women in all the variety of their lived experiences The contributors show that postsecular feminism is a variety of feminism that is not necessarily either secularist or anti secular Rather it is feminism informed by a history of secularist bias within liberal feminism Postsecular Feminisms explores both the potentials and pitfalls of postsecular feminisms with some authors arguing that a contextually grounded praxis is possible while others make a strong case against postsecular feminism as theory and practice     **Women in Utah**
