Slatta,2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to

separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs Shot in the Back William W. Johnstone,J.A. Johnstone,2015-06-01 From the greatest western storytellers of our time comes a new twist on the legend of notorious outlaw Jesse James who just might not have died on that fateful April 3 1882 1942 Granbury Texas A ninety five year old man walks into a recruiting office with the crazy idea to enlist and an even crazier story He claims to be the one and only Jesse James the infamous bank robber allegedly shot by Robert Ford sixty years earlier Using another man s corpse to collect the reward Ford allowed James to slip away and start a new life Changing his name to Dalton Jesse worked as a cattle broker in Fort Worth and fathered a pair of twins named Bill and Frank But when one of the boys turns out to be a chip off the old block young outlaws in the making Jesse has no choice but to school his sons in the fine art of bank robbing so they don t get their fool heads blown off Problem is once Jesse s sons get a taste of the outlaw life they decide it isn t for them after all Father Jesse on the other hand misses it So begins the wildest story the West has never known proving that some legends are bigger than life and a lot harder to kill **Catalog of Copyright Entries, Third Series** ,1951 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Catalog of Copyright Entries** Library of Congress.
