Mom And Dad Please Come To The Principals Office:

Mom and Dad, Please Come to the Principal's Office Miriam M. Teaff, 1995-03-01 Choke Chain Jason

Donald, 2009-02-19 An exceptional debut Independent Alex is twelve and he lives with his younger brother and his parents in a dirt poor white neighbourhood in 1980s South Africa He and Kevin are trying to grow up while their mother Grace is simply trying to keep them safe Apart from the usual lessons of childhood the boys are finding out about deceit petty crime and casual violence and the person that s teaching them is their father A devious self centred volatile man Bruce Thorne sees the world as a battleground where the winner is the one who throws the first punch Ruling the family through fear it is only when he abandons them for a teenage lover that their problems really begin Exposing the rotten insidious patterns of fathering that most societies still ignore Choke Chain shows two boys struggling to find steady ground in a disintegrating household Watching quietly as their mother diminishes in the black light of her husband they learn that not all adults are right and true that some have evil bred or beaten into them Opening with a thunderstorm and hail the size of apricots this extraordinary first novel is a series of emotional storms and aftershocks with any brightness on the horizon shadowed by gathering dark Beautifully written and intensely moving the novel builds to the drama of its conclusion the turbulence turning to frenzy and clearing finally to some redemptive light The Tunnel of Hugsy Goode Eleanor Estes, 2003-08-01

Nobody believed Hugsy Goode when he prophesied that a tunnel lay beneath the alley until generations later Nicholas alias Copin and Timothy alias Tornid decide to explore And lo and behold right under the vine covered hole outside the house where Hugsy Goode used to live they find an entrance to adventures beyond their wildest dreams A sequel to The Alley
