Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts. Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library. In the first of two volumes, this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin, Pickford, Fairbanks to the mid 1960s when the old studio and star systems came crashing down. Each listing includes a brief biography, photos from the famed Screen World archives with many rare shots, vital statistics, a comprehensive filmography, and an informed, entertaining assessment of each actor's contributions, good or bad. In addition to every major player, Monush includes the legions of unjustly neglected troupers of yesteryear. The result is a rarity: an invaluable reference tool that's as much fun to read as a scandal sheet. It pulsates with all the scandal, glamour, oddity, and glory that was the lifeblood of its subjects. Contains over 1,000 photos. *Froderick, Gay Son of Dracula* Cali Kitsu, 2024-08-30. My name is Froderick Dracula, but my friends call me Frode. I'm seventeen and starting my junior year of high school. My father, the famous Count Dracula, is not only the most celebrated vampire in the world, but he's also the school ruler, not to mention a huge idiot. He's completely out of touch with the world and hates anything that he doesn't understand, which is basically everything. Being the son of the ruler of the school and the highest vampire in all of vampire society is hard enough on its own, but there's one thing I forgot to mention: I'm gay. It's pretty hard keeping such a big secret, especially with my father trying to convince me to get my first bite out of the way. I'm not interested in biting any girls, though, so that's not gonna happen. Starting the first day of school will be just like every other year: boring, bland, full of classes that I don't care about. That's what I assumed until our opening assembly when I saw him: Caleb Cheval. The new vampire in school. He's also a noble, and he wants to hold my hand. Whaaat? What the fangs am I supposed to do? **Young Adult Literature** Michael Cart, 2010-09-01. This insightful and often humorous work presents the evolution of YA lit in an appealing way, making it equally useful for students of literary studies. **First Person Imperfect** Paul McComas, 2003. First Person Imperfect. To read these 19 stories is to become the confidant of 19 very different, very real people. Whether tagging along with one of the nine children who open their lives and hearts to you, or accompanying one of the 10 adults struggling to let go or hang on or strike out in a new direction, you will find yourself quickly caught up in these characters' lives. If you crave deep connection with quirky, disarmingly genuine people, then you'll enjoy an in-person look at First Person Imperfect. Original emotional stories that pulse with angst and aspiration.
