Armstrong,2025-03-01 Most Bible readers know God is love 1 John 4 8 16 And most have heard the words of John 3 16 God so loved the world perhaps the best known verse in the entire Bible But few readers realize that these are perhaps the most daring verses in all the Scripture Why They tell us who God is and why we can trust him Yet very few Christians realize how much of what they believe about the nature of God is rooted in ideas foreign to divine love How did this happen What can be done to change how we can relate to the God who is perfect and inexhaustible love John Armstrong shares a deeply personal story of his long slow journey to know and experience God as a compassionate and loving Father As a pastor trained in evangelical theology he came to know and experience the teaching of the whole church about God thus the story he tells will inform how you can know the God who is amazing love This readable primer will help you develop a doctrine that can free you from guilt fear and many misconceptions we have about God You will see that what you believe about God will truly affect everything else you believe **Your Journey to Love** Simran,Simran Singh,2015-02-16 Are you ready to meet your

Shamanic Mysteries of Egypt Nicki Scully, Linda Star Wolf, 2007-03-20. A book of wisdom teachings and rituals that invoke ancient Egyptian deities to awaken human consciousness. Provides guided shamanic visualizations to invoke 26 of the most significant gods. Takes the reader through shamanic portals of death, rebirth, and illumination. Reconciles internal conflict through a sacred marriage of heart and mind. In *Shamanic Mysteries of Egypt*, Nicki Scully and Linda Star Wolf renew humanity's connection to the ancient gods of Egypt, the *neteru*. Voices from these divine ancestors remind us of the healing power of the heart and call us to bring their consciousness into the present to help us remember our true nature as divine humans with sacred purpose. The authors provide rituals, meditations, and rites of passage to help us meet our personal and planetary challenges with grace, wisdom, and love. The shamanic initiations provided are invoked, directly experienced, and transformed into embodied wisdom that awakens consciousness and illumines the intelligence of the heart. Scully and Star Wolf focus their rituals on 26 of the primary divine entities that preside over the ancient mysteries whose roots are in Old Kingdom and pre-historic Egypt. This fresh interpretation of ancient mysteries unites the energies of Thoth and Anubis to guide us through the current cycle of Earth changes and to help us remember who we really are at heart. Through these passages, Anubis lives up to his ancient title as the Opener of the Way, and Thoth as the Architect of Higher Learning. Together, they evoke their power to unite heart and mind in the sacred marriage that brings transformation, renewal, and the awakening of consciousness.
