Moment A Lifetime Between Ignorance:

LIVE LIFE... Moment by Moment AiR - Atman in Ravi,2021-07-29 What is Life Neither is Life a journey from birth to death nor is it the number of years we live on earth Life is about now This moment is Life If we lose this moment we lose Life Unfortunately most of us let Life escape us We don't live We just exist We fail to make the best of each moment But those who discover the secret to live Life moment by moment are the ones who truly live with happiness and joy This book will inspire you to Live Life in the now moment by moment It will help you discover how you can make the most of Life Pearls of Wisdom Hsing Yun,2003-03 Among the many offerings that Buddhists make to the Buddha are incense flowers candles and fruit We make these offerings out of respect to the Buddha not because the Buddha demands such offerings or because we expect to be rewarded by the Buddha for our offerings We also offer ourselves when we bow and prostrate before the Buddha To this list of offerings we may also add our words in the form of prayers to the Great Compassionate Buddha Venerable Master Hsing Yun has written this beautiful and comprehensive collection of Buddhist prayers to help Buddhists of all schools to focus their thoughts and to offer to the Buddha beautiful words of praise gratitude and thanksgiving It is our hope that readers of these prayers will meditate upon the words and how they apply to their lives will see their situations through the eyes of wisdom and will act to bring about the changes that they desire in their lives On the path towards enlightenment we will receive help from many sources and prayer or praise offerings will play a major role for many practitioners It is hoped that these special prayers by Venerable Master Hsing Yun will take the reader far along the path towards enlightenment
