Momentary Marriage:

This Momentary Marriage John Piper, 2009-04-03 Reflecting on forty years of matrimony John Piper exalts the biblical meaning of marriage over its emotion exhorting couples to keep their covenant for all the best reasons Even in the days when people commonly stayed married til death do us part there has never been a generation whose view of marriage was high enough says Pastor John Piper That is all the more true in our casual times Though personal selfishness and cultural bondage obstruct the wonder of God s purpose it is found in God s Word where his design can awaken a glorious vision capable of freeing every person from small Christ ignoring romance intoxicated views As Piper explains in reflecting on forty years of matrimony Most foundationally marriage is the doing of God And ultimately marriage is the display of God It displays the covenant keeping love between Christ and his people to the world in a way that no other event or institution does Marriage therefore is not mainly about being in love It s mainly about telling the truth with our lives And staying married is not about staying in love It is about keeping covenant and putting the glory of Christ s covenant keeping love on display This Momentary Marriage unpacks the biblical vision its unexpected contours and its weighty implications for married single divorced and remarried alike **Desiring God, Revised Edition** John Piper, 2011-01-18 Experience the Lifelong Pleasures of Knowing God Satisfaction Happiness Joy According to John Piper the pursuit of pleasure in God is not only permissible it s essential Desiring God is a paradigm shattering work that dramatically alters common perspectives on relating to God Piper reveals that there really is no need to choose between duty and delight in the Christian life In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God He discusses the implications of this for conversion worship love Scripture prayer money marriage missions and suffering Piper beckons us to approach God with the hedonist s abandon Finally we are freed to enjoy Jesus not only as our Lord and Savior but also as our all surpassing soul satisfying Treasure Desiring God may turn your Christian world upside down And that will be a good thing for the glory of God and for your deepest joy Includes a study guide for individual and small group use **Marriage Done Right** Jim Daly, 2016-06-13 A book to challenge the status quo spark a debate and get people talking about the issues and questions we face as a country **Engaging the Doctrine of Marriage** Matthew Levering, 2020-08-12 This book is the next volume in Levering s Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image

even pastors have a variety of viewpoints on divorce and remarriage When you study these sources you may discover two common approaches they give for deriving their conclusions One popular approach comes from the personal experiences of the authors or from the experiences of those close to them For many authors who are Christians additional scientific research and Bible verses are added Another popular approach comes from ministers and or biblical scholars who evaluate the dozen or so scripture passages directly related to divorce The authors suggest a biblical understanding of marriage and divorce which comes from the study of these selected passages Then you come across this book The approach of this book is very different The first part of the book pursues where truth originates This becomes the foundation for building any faith structure The next phase of the book looks at the big picture of truth and how it relates to life and eventually to aspects of marriage After presenting the big picture the book moves to the third phase which looks at the details of some related passages In addition to a focus on the true source of truth and a focus on the macroscopic in balance with the microscopic the book adds another unique feature fallacies Thirty four fallacies expose many false beliefs that are common today May you look beyond the black and white perspectives of dos and don ts and move to the life of living color which God makes available to each of us when we put our trust in him and choose to stand for God s ideal His principles for life are practical and not a bunch of rigid rules His truths lead us to an abundant life filled with relevance
