Moments Of Knowing Some Personal Experiences Beyond Normal Knowledge:

Moments of Knowing: Some Personal Experiences Beyond Normal Knowledge Ann Bridge, 1970 **R. G. Collingwood:**
A Research Companion James Connelly, Peter Johnson, Stephen Leach, 2014-11-20 R G Collingwood is an important 20th century historian archaeologist and philosopher whose works are the subject of continued interest analysis and study There is an unquestionable need to support this research activity with the provision of a reference guide which is fully up to date informed and authoritative The Companion therefore lists all primary and secondary material relevant to the study of Collingwood in all his fields of expertise historical theory philosophy and archaeology It also provides a guide to archive material relevant to his life together with sources and locations The resulting volume is an essential companion to the understanding of the life and thought of R G Collingwood *Behind Everest* Kate Nicholson, 2024-07-31 Behind Everest embarks on a captivating exploration that intertwines the remarkable life of Ruth Mallory wife of legendary Everest climber George Mallory with a parallel journey a century later Through examining Ruth s attitude to danger a century ago Kate Nicholson explores our evolving attitudes towards risk and responsibility Kate s quest to understand Ruth takes her to forgotten corners of archives in the UK and USA to conversations with the few remaining people who knew both George and Ruth and into private recollections and precious private collections Using two decades of research the author unveils the real story behind Ruth and George Mallory s marriage shedding light on George s relationships with women such as Jelly d Aranyi Mary Ann O Malley and Stella Cobden Sanderson Stella like Ruth hailed from Arts and Crafts royalty both women were daughters of strong feminists but only Ruth chose to climb Ruth was a natural and accomplished climber a founder member of the first all female rock climbing club in the UK the Pinnacle Club As Kate experiences the challenges and triumphs of rock climbing with that still thriving club she discovers not only the elusive key to George Mallory but also an inspiring and resilient companion in Ruth This book goes beyond expeditions to Everest offering readers a profound glimpse into the real story of the Mallorys Through Ruth s lens the book explores the complexities of marriage the indomitable spirit of early female climbers and the enduring impact of the First World War the League of Nations and the Empire on individual lives This is a non fiction masterpiece that intertwines personal and historical narratives inviting readers to scale the heights of human experience **A Philosopher at the Admiralty** Peter Johnson, 2012-05-29 This book is volume one of a two part series volumes sold separately Taken together the two volumes of A Philosopher at War examine the political thought of the philosopher and archaeologist R G Collingwood against the background of the First and Second World Wars Collingwood served in Admiralty Intelligence during the First World War and although he was not physically robust enough to play an active role in the Second World War he was swift to condemn the policies of appeasement which he thought largely responsible for bringing it about The author uses a blend of political philosophy history and discussion of political policy to uncover what Collingwood says about the First World War the Peace Treaty which followed it and the crises which led to the

Second World War in 1939 together with the response he mustered to it before his death in 1943 The aim is to reveal the kind of liberalism he valued and explain why he valued it By 1940 Collingwood came to see that a liberalism separated from Christianity would be unable to meet the combined evils of Fascism and Nazism How Collingwood arrived at this position and how viable he finally considered it is the story told in these volumes **Twentieth Century Crime & Mystery Writers** NA NA,2015-12-25 **Journal of the Society for Psychical Research** Society for Psychical Research (Great Britain),1969 **Paranormal Foreknowledge** Jule Eisenbud,1982 **Contemporary Authors** ,1998 The Moment of First Encounter: Processes used by teachers of adults Helen Tyzack,2017-05-31 The Moment of First Encounter presents the 2 Volume academic thesis completed for a Doctor of Philosophy degree as one publication This book focuses on the observations first impressions thinking and decision making of teachers during their moment of first encounter with a new class group of adult learners The study defined a First Moment System knowledge of which should assist with training those people who want to teach adult learners **Parapsychology Review** ,1970 **The unconscious : The fundamentals of human personality, normal and abnormal** Morton Prince,2023-07-11 In The Unconscious The Fundamentals of Human Personality Normal and Abnormal Morton Prince delivers a profound exploration of the unconscious mind s intricate role in shaping human behavior Grounded in the emerging psychological theories of the early 20th century Prince employs a systematic and analytical literary style that combines clinical case studies with theoretical discourse This work not only delves into the distinctions between normal and abnormal manifestations of personality but also examines the implications of repressed memories and desires presenting a comprehensive framework within which psychoanalytic theories can be understood and applied Morton Prince an influential figure in the fields of psychology and psychiatry was deeply inspired by the burgeoning interest in the unconscious notably influenced by contemporaries such as Sigmund Freud His extensive clinical experience coupled with his passion for scientific inquiry impelled him to dissect the complex interplay of conscious and unconscious processes As a pioneer of the psychodynamic perspective Prince s insights reflect both his personal and professional commitments to unraveling the enigmas residing beneath the surface of human consciousness Recommended for scholars and lay readers alike this thought provoking text invites an overarching examination of identity and psychological health Prince s work is vital for those interested in the evolution of psychological thought and the intricate dimensions of human personality making it a critical acquisition for any library dedicated to the human sciences English Literature Harvard University.
