May each daily reflection strengthen the bond that unites you and encourage you to pursue love and happiness together every day of the year. *Before You Live Together* David Gudgel, 2003-08-08. Will Living Together Bring You Closer or Drive You Apart? You are about to make a decision that will take your life in a totally new direction, one that will have a lasting impact on you and someone you love. If you are wrestling with that decision now is the time to stop and set your emotions gently aside and take time to sort through your own feelings as well as other people's opinions about what is best for you. The basic message of *Before You Live Together* is candid, caring and thoughtful, using true stories to illustrate different living together situations and their outcomes. It also addresses the basic questions and issues you may have asked yourself, including: Is this the best way to find out if we are compatible? Why do we need a piece of paper to tell us we are committed to each other? Is it so much cheaper than paying two rents? While this book presents biblical values in a compelling and loving way, it never lectures but instead seeks to help you decide what is best for both of you. Read it for yourself. Read it with the one you love. Read it to make the right decision at the time when it matters most. **Real Moments** Barbara De Angelis, 2013-01-09. To many of us the experiences that we grew up taking for granted leave become distant dreams in our adult lives: marriages that last a lifetime, safe neighborhoods to call home, the certainty that our children will have a better life than we did, and most of all, lots of time to spend as we wish, living for the moment. Instead we find our time and energy spent recovering from the past or protecting ourselves from the future. The result is a desperate, sometimes dangerous and often unsuccessful search for meaning in our lives. In *Real Moments* Barbara De Angelis defines happiness not as an acquisition but as a skill, the skill of capturing every moment and living it completely. With insight, wisdom and vision she teaches us how to rediscover real moments with our mates and our children, with our work and our play, in sex and intimacy and real moments with ourselves. It is an examination of our relationship with the process of living itself, offering inspiration as well as practical tools for creating more of one of the most precious moments of all, moments of true meaning in our lives. **Mother and Baby Health** Andy Raffles, Felicity Fine, Harriet Sharkey, Yehudi Gordon, 2012-09-30.
