Banks,2020-10-28 This is part 2 of Moment by Moment I Pray which deals with my praying life from September 1 2016 April 30 2017 The story behind part 2 is the same as that of part 1 which dealt with my prayer life from February 10 2016 and ends on August 31 2016 I found myself alone after the funeral of my beloved wife Annie Jewel Chief Banks We had been together almost fifty years The funeral was held on Monday January 5 2015 at Ben Hill UMC located in the heart of the Ben Hill community After a forty plus mile drive to our birth home of Griffin Georgia she was laid to rest Three days after her funeral I took my original manuscript from a storage area in the house that we had made our home and had raised our family and went out into the backyard and destroyed all twenty six thousand handwritten pages I did not see the need to continue writing or to live But that was January 8 2015 I looked up into the heavens and asked the Lord what he wanted me to do I said Lord I have pulled myself up from a small town in the state of Georgia named Griffin Georgia I had completed Fairmont High School entered Clark College now known as Clark Atlanta University completion date was May 1970 completed Woodrow Wilson College of Law Georgia State University Schools of Education for my first teacher s certification to teach school and the School of Management From 1966 1970 I completed my degree in sociology and psychology During my senior year at Clark I married the love of my life Miss Annie Jewel Hosely my high school sweetheart also from Griffin Georgia We set up housekeeping in Atlanta Georgia But in January 1971 I was drafted into the Army and I was shipped to the Republic of South Vietnam to serve a tour of duty as a squad leader in a military police unit I worked very hard and I was promoted to the rank of sergeant E5 I survived Vietnam and many other situations but Chief s death took a toll upon the very essence of my soul But on February 12 2016 I started back writing and after a talk with the Lord on September 17 2018 I had handwritten about three thousand pages At this point I asked the Lord Lord what do you want me to do A soft but firm voice came to me Warren my son I want you to publish your story which you have written in the form of a continued prayer Well looking back upon my life the Lord has always been there for me even when I thought my life was over About seven days later I was listening to my favorite gospel radio station I heard his message If you are considering publishing your manuscript call this number or go to this website I was not quick enough to get the information down therefore I missed out on getting the information that I needed to make my contact But a few days later while I was again listening to the same radio station that same message came again This time I was able to get the information that I needed and I made the contact Within the next few minutes I received a phone call The person on the other end of the line said that she had been assigned from the

Christian Faith Publishing Company to serve as my literary agent I was told that she would be my guide throughout the production process I was given information that I needed to mail my manuscript to I mailed my manuscript off to the address that was given to me Within a few days I got a call from my agent indicating that my manuscript had been accepted for publication I was really beside myself I have been in constant prayer with my Lord and Savior Jesus Christ He saw so much more in me than I saw in myself He said that he would never leave me nor forsake me and he never has

Seizing the Nonviolent Moments Nancy Small,2015-01-08 Life is filled with opportunities to practice nonviolence If we kept track we d be surprised at how often we get to choose a violent or nonviolent response to a given situation Seizing these moments is a spiritual practice that shapes a nonviolent heart Many people doing this together shapes the heart of a nonviolent world This book is a humble and accessible approach to nonviolence based on the belief that no one is perfectly nonviolent We are all works in progress Each chapter presents an imaginative interpretation of a scripture story about seizing a nonviolent moment that sheds new light on nonviolence and its spirituality Stories of contemporary peacemakers woven throughout offer lessons for living a spirituality of nonviolence for our times Prophetic words from the US Catholic bishops emphasize the essential role of peacemaking in renewing the earth Questions following each chapter inspire personal reflection and make the book a welcome resource for classrooms parishes and small groups The more we seize the nonviolent moments in our lives the more we are transformed by them And the more we experience the power of nonviolence within ourselves the more we believe in its potential to transform our troubled world
