Moments that Matter Sharon Cowley, 2016-01-29 Who can t remember the delight of building a fort of cozy caverns with quilts and blankets on a cold wintry day as a child The anticipation of a visit from the tooth fairy in the night still brings squeals of excitement from children today For generations children have imagined themselves flying high above their schoolyards while friends gaze up in amazement This collection of more than fifty whimsical poems was written for children though parents and even grandparents will enjoy reading side by

side with them They will discover together many shared experiences of childhood and be inspired to turn more of these moments into memories So many simple everyday happenings are all around and right in front of us These can become moments that matter to be recognized and appreciated if we pause long enough in our busy lives to notice them Moments that Matter in the Learning and Development of Children Kelly Ann Kolodny,2020-08-01 Moments that Matter in the Learning and Development of Children Reflections from Educators explores the significant moments that unfold for young people in their schooling from the perspectives of teachers and school staff Educators often reflect on moments as being a critical piece of their work with children They can help make things better for students and produce a difference in lives They are meaningful for young people as well as consequential for teachers and school staff as they reflect on the outcomes of their efforts Yet as they are difficult to define and capture these moments often are not studied for the value they offer This book promotes awareness of these moments as well as their connected meanings and possibilities Recognizing the significance of moments extends an opportunity to situate schooling in broader contexts and to understand learners as whole embodied beings engaged in social interactions making sense of their surrounding world and generating transformations in it When educators reflect deeply about the possibilities connected to the moments they share with children they recognize the multitude of opportunities that support their learning and development They become awake to some of moments promises
