John Zornado

Momma Why A True Story Of Savage Parental Abuse:

Momma, Why? Diane Jones, 2002-10 This book is made up of poems prayers and expressions since God changed my life on September 1 1960 I am so happy and so thankful for this new life which I did not know existed After my new life began I started to write I would write about the miracles and blessings that God was giving me As I continued to grow in the spirit I was inspired to continue to write as I fasted and prayed I found out that I had a gift so I began to write poems for wedding funerals and other special events One special reason for my writing is to try to express to God my love thankfulness joy and peace that I found in Him Then I decided to get a book printed so that I could share my wonderful life in Jesus Christ with my fellow men and women

Momma, Why? Diane Jones, 2003-02-01 Her name is Diane Jones Today her presence is calm and warm I knew her as a quiet terrified child struggling to grow up nay even to stay alive in a large violent matriarchal family There was no father figure only a sequence of men Diane was thirteen years old when I first met her Through a program in the California Department of Social Services I had been assigned to be Big Sister to a younger sister of Diane This younger sister was also badly abused both in maternal violence and in sexual abuse as was Diane but to a much lesser degree I thought of Diane s mother as a raging bull with massive mood swings from manipulative and charming to a cruel mean and evil woman I myself was afraid of her If I had known what was really going on during the years I worked with the family I would not have had the power to do anything about it My only hope and motivation at that time was to give them a view of what life was like from a different perspective and thus help them be kinder to their children I am always appalled by the fact that Social Services felt it was best to keep children connected to their families no matter how monstrous the evil in the home Twenty six years later we are all wiser MELANIE TAYLOR

Whatever Mother Says . . . Wensley Clarkson, 2014-06-10 In this true crime expos a single mother is accused of torturing and murdering her own daughters and involving their siblings in the coverup Raising her five kids alone in a rundown section of Sacramento Theresa Cross Knorr seemed like the ultimate survivor But her youngest daughter sixteen year old Terry told police another story one in which Theresa no longer the petite brunette she once was became insanely jealous of her pretty eldest daughters and enlisted the help of her two teenaged sons in a vicious campaign against them According to Terry Theresa drugged handcuffed and shot sixteen year old Suesan allowing her wounds to fester until the day she ordered her sons to burn their sister alive Next Terry said Theresa severely beat twenty year old Sheila and then locked her in a broom closet so that when the girl finally starved to death her brothers dumped her body in the same desolate mountain range where they had cremated Suesan It took Terry five agonizing years to convince authorities to investigate her grisly account of a mother so sadistic and deranged that she became her children s own executioner

Psycho Girl Shawna Savage, 2011-02 That s when he grabbed me by my arm and dragged me down the hall into the bedroom He threw me into a chair where I remained for the next six hours Dino raged intimidated brow beat degraded me and withheld food and water With tears rolling down my face emotionally exhausted and fearful for the safety of

my children and myself I reluctantly agreed and was released He smiled and said See Be a good girl and life will be much much easier for you when you learn to be a good girl Through many toxic relationships Shawna was the victim of several types of abuse from verbal assaults to pure physical torture Her courageous recounting of these and other experiences opens the door for ultimate healing from the those that may call you Psycho Girl Why me Why anyone How do I free myself from abuse In Psycho Girl author Shawna Savage confronts these and other questions She encourages readers to trust God through new thought enlightenment by explaining how we are a collective soul or energy Once you have been enlightened and realize you are not alone you ll finally be able to free yourself from the abusive demons that surround us *Mother*

Elisabeth Wesseling,2016-12-05 Taking up the understudied relationship between the cultural history of childhood and media studies this volume traces twentieth century migrations of the child savage analogy from colonial into postcolonial discourse across a wide range of old and new media Older and newer media such as films textbooks children s literature periodicals comic strips children s radio and toys are deeply implicated in each other through ongoing remediation meaning that they continually mimic absorb and transform each other s representational formats stylistic features and content Media theory thus confronts the cultural history of childhood with the challenge of re thinking change in childhood imaginaries as transformation through repetition patterns rather than as rise shine decline sequences This volume takes up this challenge demonstrating that one historical epoch may well accommodate diverging childhood repertoires which are recycled again and again as they are played out across a whole gamut of different media formats in the course of time **Savage Shadows**

Eileen Ross,1993-04 Eileen Ross a blind woman was alone in her apartment when a man broke in and raped her He fled after nearly three hours certain he would never be identified But she reached beyond her fear to provide police with vital clues that led to the rapist s capture and conviction The dramatic true story of a gritty gutsy woman Atlanta Journal Constitution Previous publisher New Horizon Children's Literature Barbara Stoodt,1996 **Disobedient Women** Sarah

Stankorb,2023-08-08 In this national bestseller journalist Sarah Stankorb outlines how access to the internet its networks freedom of expression and resources for deeply researching and reporting on powerful church figures allowed women to begin dismantling the false authority of evangelical communities that had long demanded their submission A generation of American Christian girls was taught submitting to men is God s will They were taught not to question the men in their families or their pastors They were told to remain sexually pure and trained to feel shame if a man was tempted Some of these girls were abused and assaulted Some made to shrink down so small they became a shadow of themselves To question their leaders was to question God All the while their male leaders built fiefdoms from megachurches and sprawling ministries They influenced politics and policy To protect their church s influence these men covered up and hid abuse American

Christian patriarchy as it rose in political power and cultural sway over the past four decades hurt many faithful believers Millions of Americans abandoned churches they once loved Yet among those who stayed and a few who still loved the church they fled a brave group of women spoke up They built online megaphones using the democratizing power of technology to create long overdue change In *Disobedient Women* journalist Sarah Stankorb gives long overdue recognition for these everyday women as leaders and as voices for a different sort of faith Their work has driven journalists to help bring abuse stories to national attention Stankorb weaves together the efforts of these courageous voices in order to present a full layered portrait of the treatment of women and the fight for change within the modern American church *Disobedient Women* is not just a look at the women who have used the internet to bring down the religious power structures that were meant to keep them quiet but also a picture of the large scale changes that are happening within evangelical culture regarding women s roles ultimately underscoring the ways technology has created a place for women to challenge traditional institutions from within

Postcolonial Film Rebecca Weaver-Hightower, Peter Hulme, 2014-02-24 *Postcolonial Film History Empire Resistance* examines films of the later twentieth and early twenty first centuries from postcolonial countries around the globe In the mid twentieth century the political reality of resistance and decolonization lead to the creation of dozens of new states forming a backdrop to films of that period Towards the century s end and at the dawn of the new millennium film continues to form a site for interrogating colonization and decolonization though against a backdrop that is now more neo colonial than colonial and more culturally imperial than imperial This volume explores how individual films emerged from and commented on postcolonial spaces and the building and breaking down of the European empire Each chapter is a case study examining how a particular film from a postcolonial nation emerges from and reflects that nation s unique postcolonial situation This analysis of one nation s struggle with its coloniality allows each essay to investigate just what it means to be postcolonial
