## **Mommy Ii Mommys Day:**

The Cursing Mommy's Book of Days Ian Frazier, 2025-08-22 Based on his widely read columns for The New Yorker Ian Frazier's uproarious first novel *The Cursing Mommy's Book of Days* centers on a profoundly memorable character sprung from an impressively fertile imagination Structured as a daybook of sorts the book follows the Cursing Mommy beleaguered wife of Larry and mother of two boys twelve and eight as she tries more or less valiantly to offer tips on how to do various tasks around the home only to end up on the ground cursing surrounded by broken glass Her voice is somewhere between Phyllis Diller's and Sylvia Plath's a hilariously desperate housewife with a taste for swearing and large glasses of red wine who speaks to the frustrations of everyday life Frazier has demonstrated an astonishing ability to operate with ease in a variety of registers from *On the Rez* an investigation into the lives of modern day Oglala Sioux written with a mix of humor compassion and imagination to *Dating Your Mom* a sidesplitting collection of humorous essays that imagines among other things how and why you might begin a romance with your mother Here Frazier tackles another genre with his usual grace and aplomb as well as an extra helping of his trademark wicked wit *The Cursing Mommy's* failures and weaknesses are our own and Frazier gives them a loving satirical spin that is uniquely his own **Mom Me : E-Mail 2 Heaven** Valerie

Auguste'-Partin, 2015-11-24 Dear Mom Me Why did I write the book sequel to *Mom Me Soaring Through The Pain* The answer is simple I need people to understand the difference between the grief journey of losing your mother to more than one terminal illness vs just losing your mother to natural causes Some folks still believe that I should be over my loss by now Fortunately many of them still have their own mothers and can never empathize with me Why should they A mother is the extraordinary superwoman who inhaled the breath of life into you for 9 miraculous months She exhaled you to the world during the slow and painful labor process To watch my physically strong healthy and powerful mother who gave me life lose her own life slowly and painfully to not one but two terminal illnesses left a dark stain and a traumatic impression on me emotionally It is difficult to transition smoothly to the happy moments shared together when the recent memories of their physical anguish and suffering still haunt and torment you For many of us these emotional demons are worst at night when you are alone with your nocturnal thoughts This book is dedicated to her undying memory and incredible legacy
