

"She's been wrestling with success and success, the author reads through the past thirty years' worth of slightly over-the-top, somewhat negative, celebrity journalism, magazines, reality, and print-on-demand parenting literature with this idealism, and quite inspiring, version of motherhood that women need to have." —Chicago Tribune

The Idealization of Motherhood and How It Has Undermined All Women

Mommy Myth The Idealization Of Motherhood And How It Has Undermined Women

Catherine Bourland Ross

Mommy Myth The Idealization Of Motherhood And How It Has Undermined Women:

The Mommy Myth Susan Douglas, Meredith Michaels, 2004-03-26 Susan Douglas first took on the media's misrepresentation of women in her funny scathing social commentary *Where the Girls Are Now* she and Meredith Michaels have turned a sardonic but never jaundiced eye toward the cult of the new momism a trend in American culture that is causing women to feel that only through the perfection of motherhood can true contentment be found This vision of motherhood is highly romanticized and yet its standards for success remain forever out of reach no matter how hard women may try to have it all *The Mommy Myth* takes a provocative tour through the past thirty years of media images about mothers the superficial achievements of the celebrity mom the news media's sensational coverage of dangerous day care the staging of the mommy wars between working mothers and stay at home moms and the onslaught of values based marketing that raises mothering standards to impossible levels just to name a few In concert with this messaging the authors contend is a conservative backwater of talking heads propagating the myth of the modern mom This nimble assessment of how motherhood has been shaped by out of date mores is not about whether women should have children or not or about whether once they have kids mothers should work or stay at home It is about how no matter what they do or how hard they try women will never achieve the promised nirvana of idealized mothering Douglas and Michaels skillfully map the distance traveled from the days when *The Feminine Mystique* demanded more for women than the unpaid labor of keeping house and raising children to today's not so subtle pressure to reverse this thirty year trend A must read for every woman **Mommy Angst** Ann C. Hall, Mardia J. Bishop, 2009-10-27 This revealing work looks at representations of motherhood from a wide range of pop culture sources to explore larger questions about the image and self image of mothers in the United States How has the popularity of *Gilmore Girls* influenced perspectives on teenage pregnancies How did the mother in law assume such monstrous proportions Did the Republicans view of motherhood and their continual hectoring of Hillary Clinton for putting ambition ahead of family cost them the 2008 election *Mommy Angst Motherhood in American Popular Culture* considers questions like these as it probes our country's views on mothers and how those views shape and are shaped by the habitually oversimplified portrayals of mothers in pop culture politics and the media *Mommy Angst* gets at the heart of America's anxious ambivalence toward mothers whether sanctifying them vilifying them or praising the ideal of motherhood while thoroughly undervaluing the complexities of their lives and their contributions to family and society To highlight the many sides of motherhood the collection contrasts the lives of a diverse range of real moms with their pop culture representations including Jewish mothers Cuban mothers teenage mothers mothers with disabilities working versus stay at home moms and more **Encyclopedia of Motherhood** Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The first ever on the topic this

Encyclopedia of Motherhood helps to both demarcate motherhood as a scholarly field and an academic discipline and to direct its future development With more than 700 entries these three volumes provide information on the central terms concepts topics issues themes debates theories and texts of this new discipline Further the encyclopedia examines the topic of motherhood in various contexts such as history and geography and by academic discipline Key Features Provides an overview of the topic of motherhood in many and diverse disciplines such as anthropology sociology psychology and philosophy Examines the meaning and experience of motherhood in many time periods from classic civilizations to present day Includes an entry for all the influential theorists of maternal scholarship from the pioneering theories to the more recent writings Covers issues and events of our current times including entries on the mommy blog the motherhood memoir terrorism reproductive technologies HIV AIDS and LGBT families Explores geographical cultural and ethnic diversity with an entry for almost every country in the world as well as entries on lesbian immigrant adoptive single nonresidential young poor mothers and mothers with disabilities Key Themes History of Motherhood Issues in Motherhood Motherhood and Family Motherhood and Health Motherhood and Society Motherhood Around the World Motherhood in the United States Motherhood Studies Prominent Mothers In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The scope of the Encyclopedia of Motherhood is focused on providing a comprehensive resource to understanding the complexities of motherhood for academic and public libraries written by scholars and institutional experts in the social and behavioral sciences

The Juggling Mother Amanda D. Watson, 2020-09-15 Who is the juggling mother the woman who quietly flicks dried cereal off her blazer while running a corporate empire The Juggling Mother explores this figure of contemporary mothering in media representations a typically white middle class woman on the verge of coming undone because of her unwieldy slate of labours Mothers who frantically juggle paid and unpaid work demands do not threaten the way labour is organized In fact as Amanda Watson demonstrates they are model neoliberal workers who uphold white privilege along with ableist notions of mastery capacity and productivity because of a desire for political visibility and social inclusion The Juggling Mother makes the controversial case that unfair labour distributions are publicly celebrated intentionally performed and intimately felt Mothers with the most power are thus complicit in the exclusion of less privileged ones and in their own undoing

Studies of Communication in the 2012 Presidential Campaign Robert E. Denton Jr., 2014-06-04 This diverse and unique collection of essays examines a wide range of communication elements and themes in the context of the 2012 election Topics include the early campaign and Romney's nomination battle candidate image the rhetoric and campaigning of Michelle Obama and Ann Romney issues of race persuasive appeals to voters the use of music and social media and Obama's second inaugural address Studies of Communication in the 2012 Presidential Campaign aims not only to expand the contributions and understandings of the various roles of communication in the 2012 presidential election but also

to cultivate a more active democratic citizenry *Postfeminist Celebrity and Motherhood* Jorie Lagerwey, 2016-09-01 This book analyzes the intersections of celebrity self branding and mommy culture It examines how images of celebrity moms playing versions of themselves on reality television social media gossip sites and self branded retail outlets negotiate the complex demands of postfeminism and the current fashion for heroic labor intensive parenting The cultural regime of new momism insists that women be expert in both affective and economic labor producing loving families self brands based on emotional connections with consumers and lucrative saleable commodities Successfully creating all three a self brand a style of motherhood and lucrative product sales is represented as the only path to fulfilled adult womanhood and citizenship The book interrogates the classed and racialized privilege inherent in those success stories and looks for ways that the versions of branded motherhood represented as failures might open a space for a more inclusive emergent feminism **The Absent Mother in the Cultural Imagination** Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion social and cultural change as well as issues of power and authority within the family str m seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography romances folktales plays novels children s literature and graphic novels as well as film and television This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an on going cultural conversation that spans the centuries resulting in an innovative text that will be of great interest to all scholars of gender feminist and media studies **Sex Work in Popular Culture** Lauren Kirshner, 2024-07-05 Sex Work in Popular Culture delves into provocative movies TV shows and documentaries about sex work produced in the last fifteen years a period of debate and change around the meaning of sex work in North American society From Oscar winning films to viral YouTube videos and from indie documentaries to hit series many of which are made by women the book reveals how sex work is being recognized as real work and an issue of human rights Lauren Kirshner shares how popular culture has responded by producing the dynamic new figure of a sex worker who challenges tropes and promotes understanding of the key issues shaping sex work The book draws on labour and feminist theory film history current news and popular culture all within the context of neoliberal capitalism and the rise of transactional intimate labour Kirshner takes us from erotic dance clubs to porn sets illuminating the professional lives of erotic dancers massage parlour workers webcam models call girls sex surrogates and porn performers Probing how progressive popular culture challenges stereotypes Sex Work in Popular Culture tells the story of sex work as labour and how the screen can show us the world s oldest profession in a new light **The Routledge Companion to Motherhood** Lynn O'Brien Hallstein, Andrea O'Reilly, Melinda Giles, 2019-11-04 Interdisciplinary and intersectional in emphasis the Routledge Companion to Motherhood brings together essays on current intellectual themes issues and debates while also creating a foundation for future

scholarship and study as the field of Motherhood Studies continues to develop globally This Routledge Companion is the first extensive collection on the wide ranging topics themes issues and debates that ground the intellectual work being done on motherhood Global in scope and including a range of disciplinary perspectives including anthropology literature communication studies sociology women s and gender studies history and economics this volume introduces the foundational topics and ideas in motherhood delineates the diversity and complexity of mothering and also stimulates dialogue among scholars and students approaching from divergent backgrounds and intellectual perspectives This will become a foundational text for academics in Women s and Gender Studies and interdisciplinary researchers interested in this important complex and rapidly growing topic Scholars of psychology sociology or public policy and activists in both university and workplace settings interested in motherhood and mothering will find it an invaluable guide

Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition Andrea O'Reilly, 2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women s role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers concerns as the starting point for a theory and politic of empowerment O Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice

Monstrous Children and Childish Monsters Markus P.J. Bohlmann, Sean Moreland, 2015-03-06 Perhaps because of the wisdom received from our Romantic forbears about the purity of the child depictions of children as monsters have held a tremendous fascination for film audiences for decades Numerous social factors have influenced the popularity and longevity of the monster child trope but its appeal is also rooted in the dual concepts of the child like innocent angelic and the childish selfish mischievous This collection of fresh essays discusses the representation of monstrous children in popular cinema since the 1950s with a focus on the relationship between monstrosity and childness a term whose implications the contributors explore

In (M)other Words Andrea O'Reilly, 2024-04-30 Dr Andrea O Reilly is internationally recognized as the founder of Motherhood Studies 2006 and its subfield Maternal Theory 2007 and creator of the concept of Matricentric Feminism a feminism for and about mothers 2016 and Matricritics a literary theory and practice for a reading of mother focused texts 2021 With this collection O Reilly continues the conversation on the meaning and nature of motherhood initiated by Adrienne Rich in *Of Woman Born* close to fifty years ago In *In M other Words* O Reilly shares 25 of her chapters and articles published between 2009 2024 to examine the oppressive and empowering dimensions of mothering and to explore motherhood as institution experience subjectivity and empowerment The collection considers the central themes and theories of motherhood

studies including normative motherhood feminist mothering maternal regret matricentric pedagogy young mothers academic motherhood matricentric feminism matricritics motherhood and feminism the motherhood memoir the twenty first century motherhood movement mothers and daughters mothers and sons pandemic mothering and the motherline *Sacred Pregnancy* Ann W. Duncan, 2023-04-25 *Sacred Pregnancy* is a retrospective on evolving feminist discourse of motherhood a sociological study of religious demographics and experience in the U S and an exploration of the spiritually guided reproductive health services The book allows readers to more deeply understand the life changing experiences of pregnancy birth and motherhood Contemplating Maternity in an Era of Choice Sara Hayden, Lynn O'Brien Hallstein, 2010-06-14 Women who came of age in the late twentieth century were raised in the era of choice they grew up believing that reproductive decision making is a political right a responsibility of women living the successes of second wave feminism and under their control *Contemplating Maternity in an Era of Choice* Explorations into Discourses of Reproduction explores contemporary maternity both within and in light of these late twentieth century understandings Employing a variety of feminist communication approaches the volume s contributors discuss how discourses of choice shape and are shaped by women s identities and experiences as non mothers and how those same discourses affect and reflect private practices and public policies related to reproduction and motherhood Through this process the contributors illustrate a variety of ways of conducting feminist thinking research and practices within the communication discipline Major sub disciplines within communication studies are represented here including feminist organizational interpersonal rhetorical critical cultural and social movement studies Whereas many of the previous scholarly investigations into maternity highlight only one aspect or phase of motherhood *Contemplating Maternity in an Era of Choice* is unique because it investigates discourses of choice across the arc of maternity and as enacted through various non maternal subject positions The Routledge Handbook of Motherhood on Screen Susan Liddy, Deirdre Flynn, 2025-04-25 The Routledge Handbook of Motherhood on Screen offers a comprehensive global analysis of the representation of Mothers and Motherhood in contemporary screen industries and online spaces Over five distinct sections this handbook examines how the complexities and realities of contemporary motherhood are translated to the screen Offering a full scholarly overview of the field this handbook provides a ground breaking and important contribution to our understanding of motherhood on screen The geographical and genre reach of the handbook presents new ways of theorising and reframing current scholarly debate and gives a wide ranging and comprehensive contribution to knowledge of on screen representations An international team of established scholars and emerging voices provide analysis of representations from around the world spanning a breadth of genres The chapters situate transnational screen representations of motherhood in the 21st Century and assess the implications of contemporary representation of motherhood Thoroughly challenging and expanding understandings of motherhood and mothers this handbook will be an essential multi faceted publication for researchers and students of film TV animation motherhood gender

The Changing Face of Motherhood in Spain Catherine Bourland Ross, 2015-12-24 This book investigates the perceptions of motherhood in Spanish author Lucía Etxebarria's fiction and offers views of the importance of motherhood in society. Traditional expectations for women as mothers persist despite the fact that they no longer match Spain's cultural and economic reality. These issues of gender equality and societal perceptions stand out in the novels and screenplays of Etxebarria. Her work at times resists and at times affirms patriarchal constructs associated with traditional Spanish motherhood and ultimately I argue enacts the very complexity of contemporary Spanish motherhood ideals. By showing the tension between the past constructs of the mother and the possible future outcomes of gender equality Etxebarria's works navigate the complexity between past and future illuminating the current and future uncertainties and the ambivalent nature of change. Each chapter views motherhood from a different perspective and focuses on particular works of Etxebarria. Through the depiction of a variety of mother characters these different perspectives as showcased in Etxebarria's narratives together compose an understanding of Spanish maternal identity.

Motherhood in the Media Barbara Barnett, 2016-02-19 This book examines contemporary media stories about women who kill their children. By analyzing media texts motherhood blogs and journalistic interviews the book seeks to understand better maternal violence and the factors that lead women to harm their children. The central thesis of this book is that media practices have changed dramatically during the past 50 years as has society's views on appropriate feminine behavior yet definitions of characteristics of good mothers remain largely defined by 1950s sitcoms Victorian ideals and Christian theology. The book contends that in spite of media saturation in American society and the media's increased opportunities to tell complex and nuanced stories news media narratives continue to situate maternal violence as rare unfathomable and unpredictable. The news media's shift in focus from public service to profit making industry has encouraged superficial coverage of maternal violence as reporters look for stories that sell not stories that explain. Motherhood blogs in contrast offer an opportunity for women to tell their own stories about motherhood based on experience. Interviews with journalists offer insights into how the structure of their jobs dictates media coverage of this intimate form of violence.

Twenty-first-Century Motherhood Andrea O'Reilly, 2010-09-28 Andrea O'Reilly's coverage is comprehensive. Her book reflects current trends in the field particularly the examination of reproductive technologies and the Internet and their implications for motherhood and mothering.

Heather Hewett State University of New York New Paltz writer and editor of the Global Mama column for Girl with Pen www.girlwopen.com

You Never Call! You Never Write! Joyce Antler, 2007-04-02 In *You Never Call You Never Write* Joyce Antler provides an illuminating and often amusing history of one of the best known figures in popular culture the Jewish Mother. Whether drawn as self-sacrificing or manipulative in countless films novels radio and television programs stand-up comedy and psychological and historical studies she appears as a colossal figure intensely involved in the lives of her children. Antler traces the odyssey of this compelling personality.

through decades of American culture. She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance as in the early twentieth century image of the Yiddishe Mama, a sentimental figure popularized by entertainers such as George Jessel, Al Jolson, and Sophie Tucker, and especially by Gertrude Berg, whose amazingly successful Molly Goldberg ruled American radio and television for over 25 years. Antler explains the transformation of this Jewish Mother into a brassy voiced smothering and shrewish scourge in Irving Howe's words detailing many variations on this negative theme from Philip Roth's Portnoy's Complaint and Woody Allen's Oedipus Wrecks to television shows such as The Nanny, Seinfeld, and Will and Grace. But she also uncovers a new counter narrative leading feminist scholars and stand up comedienne's to see the Jewish Mother in positive terms. Continually revised and reinvented, the Jewish Mother becomes in Antler's expert hands a unique lens with which to examine vital concerns of American Jews and the culture at large. A joy to read, *You Never Call You Never Write* will delight anyone who has ever known or been nurtured by a Jewish Mother, and it will be a special source of insight for modern parents. As Antler suggests in many ways we are all Jewish Mothers today.

Thank you for downloading **Mommy Myth The Idealization Of Motherhood And How It Has Undermined Women**. Maybe you have knowledge that, people have look numerous times for their favorite books like this Mommy Myth The Idealization Of Motherhood And How It Has Undermined Women, but end up in malicious downloads.
