Meg Eastman,1994-01-01 Provides parents with realistic healthy and positive ways to understand and diffuse situations that trigger their child s tantrums flare ups sulks and arguments Shows parents how to recognize and break their own anger patterns which their children may be imitating Each chapter combines specific information and advice with realistic examples of what to do in a variety of typical situations *The People of Harmony Baptist Church* Bernadette Penelope Byrd,2012-09-24 The people in each chapter have gone through many problems physical and mental abuse death suicide murder alcoholism drugs marriage divorce children and adoption Sometime we as Christians forget that being a Christian means to forgive the inexcusable because God has forgiven the inexcusable in us Let the truth be told unless you let go unless you forgive yourself unless you forgive the people that did you wrong or harmed you in anyway unless you forgive the situation unless you realize that that situation is over you cannot move forward and God cannot bless you and we all want to be blessed Matthew 6 14 15 For if you forgive man and or woman when they sin against you your heavenly Father will also forgive you But if you do not forgive man and or woman their sins your Father will not forgive your sins The sense of the reality of spiritual things and the power to rest the thought upon them is as various as the power of flight in different birds See a great eagle soaring without effort high in the air or circling with undazzled eyes towards the sun A noble bird with such powers of flight and of sight pictures an affection for spiritual thought of the strongest most searching kind which rises highest above superficial appearances and takes the most comprehensive views of like the most in accord with the Divine wisdom Isaiah 40 31 But they that wait upon the LORD shall renew their strength they shall mount up with wings as eagles
