Censorship Mark Paxton, 2008-06-30 Ever since the Bill of Rights became the cornerstone on which individual Americans rights and liberties rest the practical realities of honoring the grand principles of the First Amendment have been hotly contested and none more so than freedom of expression From governmental limits on robust even vicious colonial and Federal era newspaper attacks to the USA PATRIOT Act to efforts to rein in the vast and anarchic Internet the First Amendment protection of free expression has been virtually under siege by various forms of censorship some clearly pernicious and others evidently benign This book guides the reader through these many faceted historical controversies always with an eye toward contemporary and future challenges

Publishers Weekly, 1993

The Canadian Paediatric Society Guide to Caring for Your Child from Birth to Age Five The Canadian Paediatric Society, Diane Sacks, 2009-08-06 The definitive Canadian resource from the leading association on child health development Paediatrician Dr Diane Sacks and the CPS have compiled the most current information relating to child health and development This guide empowers parents to make informed decisions about their child's well being by laying out the information in an engaging and informative way Emphasis is placed on health development injury prevention and nutrition Organized into age specific sections the book features a modular format that allows parents or caregivers to jump in and out with just the information they need Clear instructions are given to help parents assess the severity of a situation or condition with guidelines that recommend when to mention at the next Dr's appt make an appt to see the Dr or proceed to the clinic or emergency room immediately This type of easy to apply advice will make this a go to resource for generations to come The book includes the most up to date information on Preparing for your baby's arrival The role of the parent in caring for your child's health The Canadian Health Care System dealing with the system and your role as a parent in getting the best care Growth and Development charts A detailed section on children's mental health The Canadian Paediatric Society CPS has been working for children since 1922 Today more than 2 000 paediatricians from across Canada belong to the CPS

The

Complete Home Learning Sourcebook Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level

Montessori Read & Write Lynne Lawrence,1998 Making the world renowned Montessori method available to all this book will be welcomed by parents who wish to give their children a solid foundation in a set of basic skills that will benefit them for a lifetime 80 color illustrations

Gendered Bodies Judith Lorber,Lisa Jean Moore,2007 For centuries the biological sciences have dissected measured and probed the human body as a product of nature But from a feminist perspective the human body is a social production Human bodies are shaped and controlled by the norms and expectations of gendered social orders intersected by racial class religious and age norms and expectations The result is a gendered body produced for a gendered social world In this concise text with readings designed for undergraduate students Lorber and Moore present feminist contributions to social and cultural studies of the human body showing the construction of gendered bodies in different contexts The authors argue that the ideology of the perfect body is a powerful means of social control for girls and boys as well as women and men The authors show how children s bodies are gendered through games and sports and shaped and modified throughout adulthood to meet social expectations Each chapter includes a list of key concepts three readings recommended books and articles and Internet sources For the instructor the book includes class exercises and a list of films with somatic themes

Issues, Advocacy, and Leadership in Early Education Mary A. Jensen,Mary Anne Zeitler Hannibal,2000 This book meets the needs of today s early childhood teachers administrators and community leaders who are seeking to become better acquainted with critical issues in early education and to develop their own advocacy and leadership skills It provides the tools and knowledge necessary for early childhood professionals to advocate for and address the implications of child related policies

KEY TOPICS The book s articles and activities involve readers in an investigation of and reflection on issues and advocacy action Readers are presented with various viewpoints that engage their critical thinking skills and expand their advocacy abilities both inside and outside their immediate professional settings Incorporated into the chapters are cases and vignettes discussion questions advocacy and leadership activities advocacy strategy guidelines fact sheets and suggestions for additional resources and further readings
