My Queen Bhavya Keshari, To describe a mother would be to write about a hurricane in its perfect power or the climbing falling colours of a rainbow. Many of you would ask Why a hurricane. Well because the love of a mother is higher than the heavens and deeper than the oceans. She's both gentle and powerful at the same time. When it comes to her child she takes the form of goddess Kali. And to praise such an important aspect of our life the origin of our life we writers have taken this honour to give a tribute to all the mothers. From Team My Queen Mom though I fail to express my love and respect for you. But I want to tell you that I love you the most. Please accept this small token of love from us. My Queen is a book consisting of authors from different parts of India who have penned down their unexpressed words for their Queens in the forms of poems letters and articles.
