Mommy, Please Don't Listen To Them Denise F. Loewen, 2014-10-27 Little Trina had health challenges from the start and over the course of her 27 short years their source seemed to mystify professionals from all branches of medicine In *Mommy Please Don't Listen to Them* we are taken on a roller coaster ride that traverses the emotional ups and downs that shaped the lives of little Trina and her devoted family Through Trina the author learned that when she listened to her own intuition about her daughter's needs that is where she found the real answers Trina defied all statistics for health and longevity with regard to an extremely rare chromosomal syndrome that she was born with 3p minus syndrome In fact tests often showed that her systems functioned at higher than average levels Even so infections nutritional deficiencies and Trina's inability to communicate pain led to ongoing setbacks and ensuing medical testing Various pharmaceuticals were tried but they often brought nightmarish side effects along with them Alternative therapies were explored extensively with some successes In *Mommy Please Don't Listen to Them* readers will discover new levels of parental devotion and human struggle It is at times touching at times infuriating It is the story of a mother who dedicates her every breath to giving her daughter what she needs to reach her full potential No matter what the doctors say **Mommy, Please Marry My Ceo Daddy** Nan

We are mothers who will forever grieve the loss of our children. And yet there is hope for our troubled souls. **Spiritual Emotional Warfare** Karen Marie Irving, 2011-01-13 The book is about about how you feel and how you have been hurt and don't know if you can love or trust again. So you turn to GOD for some answers. *Mommy Please Come Home* Kevin P. Tremblay, 2005 *Everything I Miss At Home* Dawn, 2011-04-12 What's love when the world is at your fingertips? Crosse Pointe, Virginia's most notorious residents come together in a race for love, money, and lust while doing every dirty trick in the book to win at all costs. Devyn McAllister, the vivacious and vilified vixen, and transitioning basketball star Nikki Brown throw caution to the wind to satisfy the needs they lack in *Everything I Miss At Home*, the sexy and thrilling debut novel from the author Dawn. This page turning sexy corporate thriller in a soap opera on the steroids that somehow feels like real life. As the players succeed in making their wildest dreams come true, reality returns with a vengeance in a karmatic tornado that simultaneously spares and destroys *C'est La Vie*. **Once Innocent** April Bartaszewicz, 2012-11 In this heartfelt memoir, April goes into great detail about the physical, psychological, and sexual abuse she and her young siblings suffered at the hands of their father. At the age of three, April was tortured, beaten, belittled, and abused by her alcoholic and drug addicted father, a father who beat and played mind games that left her fearing for her life. She learned how to survive by silence, and silence alone. April slept in a corner in her bedroom, her clothes raunchy with urine. April did everything she could to be a good girl so her father would love her, but all she got in return was a beating to reassure her father she would remain silent and not speak a word to anyone. No other family member knew of the abuse April was suffering, nor did they care. April had no one to turn to; all she had was her prayers, prayers that her father would find her a good child and love her. This memoir will walk you through each struggle as April fights for love and happiness and survival. This memoir speaks the truth about child abuse and the choices we are all faced in order to survive. **Sentenced but Not Silenced** Walter H. Martin-El, 2013-09-05 This book is a prophetic peek into the heart of this author through the eyeglass of his mind, reasoning, belief, and faith. The laughter and lamentations expressed herein are blatant examples of how poetry can shed a light of revelation on the unknown, reveal the hidden wisdom of the most darkest of hours lived by the misguided fool, and tell a story a lot better than a painting worth a thousand words.

This is a mental diary like manuscript compiled of emotions moods experiences of the heart prophetic visions relationship rules and ethereal thoughts all fueled by Allah inspired direction and written to and for those who have only silenced their minds in order to become aware of His presence in them and of the presence of the storms that are forever raging in us and around us These are writings and songs of joy encouragement and inspiration sometimes painted with warning and other times shaded with the answers to the whys that often pester our consciousness and unconsciousness Finally this book is a formal invitation to the reader It is a request for your company that you might journey with the author outside of the realms of this soul plane to a Spiritual plane elevating from this level where man strives to be man with god to a level where we here are ascending to be God in Man Please Don't Say Anything!
