No One Ever Cared For Me Like Jesus Octavo:

The Absence of Love Jerry Piercy, 2021-03-16 In John 13 34 35 Jesus tells us to love one another in the same manner that He loves us He then says this By this will all men know that you are my disciples by the love they possessed and exhibited with each other Jesus could have given a number of different ways which may have possibly identified us as His chosen people but He hones in directly on this one all important sign love not just love itself but the kind of love that would clearly connect us to the love He has given and displayed in us It s the genuine and sincere love that we would share with one another that is the hallmark the identifier the tangible factor which would reveal to the world that we are indeed believers in and followers of Christ The New Testament speaks clearly and is saturated with imperatives concerning how and why we are to love God our fellow believers and even our enemies If love would be the aim the target the bull s eye so to speak how many of us are hitting the target How many of us are even aiming for it It is the negligence and lack of love that has compelled me to write this book It has grieved me so deeply to see and experience that absence of love from so many who profess to be Christians yet the constant mean spirited behavior has clearly spoken the opposite of what love is and what love does It grieves me even more deeply to discover the same behavior that I can be guilty of personally if and when I allow selfishness to rule my own thoughts and actions I find myself in need of constant repentance My experiences have been painfully real as they pertain to an absence of love in God s people It has caused me to cry out for more and more of God s patience and grace to love I believe that if we are lacking in love for others it is because we are not properly connected to the source of love which is Christ the vine It is the love we have and exhibit to one another that matters most and if we are lacking it this should be of the utmost concern **Songs of Faith & Praise Leather Shaped Note** Alton Howard, 2007-12-11 Piano Hymns

Wiersbe, 2010-07-01 In a church culture that is rapidly losing its unique intergenerational make up in favor of small groups and even entire churches designed to target specific age groups it can be difficult for ministers to relate to those who are not in their own demographic But Warren and David Wiersbe representing two generations believe that generational differences should not keep ministers from relating to their congregations In this thoughtful and practical book they offer ten principles for Christian service that always work at all times and in all places inviting ministers to get back to the basics of serving others New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages
