

justice" that will help citizens bring into law their natural rights. That the best arguments according to nature do not, according to Aristotle, seem to establish overriding claims of justice suggests to me that we may be wrong in assuming that he believes that it is important for citizens to identify a "correct conception of justice." I develop this argument about political justice in my own book on Aristotelian political thought, *The Problems of a Political Animal*. But on this point I am the one who is challenging conventional wisdom, so I shall not develop it further here.

For the most part, Miller's book is a reliable guide through the controversial terrain that surrounds most of Aristotle's arguments about politics. It will both enlighten students new to the world of the *Politics* and stimulate the minds of those scholars who have long wandered this territory.

—Bernard Yack

THE HAPPINESS OF OTHERS

Paul Schollmeier: *Other Selves: Aristotle on Personal and Political Friendship*. (Albany: State University of New York Press, 1994. Pp. ix, 222. \$49.50.)

Professor Schollmeier's book, *Other Selves: Aristotle on Personal and Political Friendship*, joins a growing list of recently published works on the subject of friendship in general and Aristotle's theory of *philia* in particular. The stated motivation for the present volume is twofold: first, to reassert the place of Aristotle's theory within the current discourse on friendship in moral philosophy, and second, to strike new ground on interpretative questions concerning the theory itself. It might be added that the central role of Aristotle's discussion of *philia* within his ethical treatises themselves cannot be denied as *philia* has been claimed to connect the practical and theoretical parts of the good life (Burnet, *The Ethics of Aristotle* [1900], p. 345). At any rate, the topic constitutes a good fifth of his analysis in the *Nicomachean Ethics*, and nearly as large a portion in the *Eudemian Ethics*. Furthermore, the recent attention to the subject of friendship in modern, Anglo-American publications in moral philosophy (see, for example, Lawrence Blum, *Friendship, Altruism, and Morality*, 1980) indicates the need for nonhistorians to reconsider the value of the Aristotelian theory of friendship. On the question of specific interpretive issues within Aristotelian scholarship, this book takes up some of the more central ones, including the nature of the object and the motivation for friendship, the relation among the three kinds of personal friendship, and the similarity between justice and political friendship. The last area also deserves treatment in virtue of texts which seem to indicate both that political friendship is a precondition for justice, and that justice is a precondition for political friendship.

Schollmeier seeks to provide answers to these problems by means of a general framework that considers that both our personal and political relationships consist in various kinds of relations to "another self." What Schollmeier intends by the notion of a relation to another self is that in all

Other Selves Aristotle On Personal And Political Friendship:

Other Selves Paul Schollmeier, 1994-01-01 This book presents a thorough and systematic integration of Aristotle's analysis of friendship with the main lines of the rest of his work in Politics and Nicomachean Ethics. The author conveys a clear sense of the continuing illumination that Aristotle's analysis of friendship provides to contemporary ethical theorists and to students of Aristotle. *Other Selves* speaks to both audiences.

Other Selves Paul Schollmeier, 1994-09-20 This book presents a thorough and systematic integration of Aristotle's analysis of friendship with the main lines of the rest of his work in Politics and Nicomachean Ethics. The author conveys a clear sense of the continuing illumination that Aristotle's analysis of friendship provides to contemporary ethical theorists and to students of Aristotle. *Other Selves* speaks to both audiences.

Strong Liberalism Jason A. Scorza, 2008 In this age of total war on terrorism many liberals fail to recognize the dangers of adopting the methods of their enemies of meeting propaganda with propaganda, cruelty with cruelty and violence with violence. Other liberals reject even modest efforts to teach and regulate good citizenship, fearing that in doing so they will come to resemble their enemies. Can liberal democracy be strengthened and secured without either compromising basic liberal principles or emasculating fundamental liberal purposes? The great totalitarian regimes of the twentieth century are gone, but the need for strong liberalism has never been more urgent. Jason A. Scorza argues that liberalism can generate an account of citizenship responsive to such pressing contemporary challenges as political fear, political apathy, and conformist political membership. Strong Liberalism is founded on understanding thoroughly the canonical defenders of liberal democracy: John Stuart Mill, John Rawls, and Judith Shklar, moving beyond the thinking of prominent contemporary theorists Stephen Macedo, William Galston, and Thomas Spragens, and parrying the arguments of liberalism's critics Benjamin Barber, Michael Sandel, and Mary Ann Glendon. Scorza imparts a sharp theory of strong liberalism that summons liberal philosophy to the battlefield of the inner life of politics and recalls it to its own essential but often overlooked strengths: civic friendship, political courage, political self-reliance, civic toleration, and political irreverence. The theory of strong liberalism accepts that civic strength is rooted in civic pluralism. Liberal democracy is best served by the cultivation of multiple examples of good citizenship rather than by the insistence that a single ideal civic character can be identified and universally imposed through civic education.

Gender and Authority in the Late Medieval Church Ian Forrest, 2025-06-15 *Gender and Authority in the Late Medieval Church* asks a deceptively simple question: How did the governance of the medieval institutional church remain exclusively male despite plentiful evidence of women being as capable and devout as men? The remarkable endurance of an all-male clergy is an important element of medieval church government, one that is frequently taken for granted in the historiography and is connected to another overlooked feature of episcopal authority: the strategies that bishops used to secure the compliance of a relatively autonomous clergy. As Ian Forrest shows, bishops kept their clergy in check through normative standards of masculinity that necessarily disqualified women from leadership roles. Everywhere in the medieval

church were women who had the capacity the resources and often the ambition to take part in governance from abbesses to priests servants mothers sisters and unofficial wives Bringing together evidence of female activity at the margins of the institutional church Forrest argues that the male monopoly on formal power was haunted by female capability and aspiration at every turn Drawing on case studies from the English diocesan clergy between the mid thirteenth and early sixteenth centuries he explores how women s involvement in governance was rendered unthinkable through the very discursive strategies that bishops used to control their male clergy In doing so *Gender and Authority in the Late Medieval Church* tells an integrated history that explains how both the exclusion of women and the inclusion of men underpin a rigidly gendered system of religious governance

Friendship and Hospitality Dongfeng Xu,2021-08-01 The Jesuit mission to China more than four hundred years ago has been the subject of sustained scholarly investigation for centuries Focusing on the concepts of friendship and hospitality as they were both theorized and practiced by the Jesuit missionaries and their Confucian hosts this book offers a new comparative and deconstructive reading of the interaction between these two vastly different cultures Dongfeng Xu analyzes how the Jesuits presented their concept of friendship to achieve their evangelical goals and how the Confucians reacted in turn by either displaying or denying hospitality Challenging the hierarchical view in traditional discourse on friendship and hospitality by revealing the irreducible otherness as the condition of possibility of the two concepts Xu argues that one legacy of the Jesuit Confucian encounter has been the shared recognition that cultural differences are what both motivated and conditioned cross cultural exchanges and understandings

Aristotle's Quarrel with Socrates John Boersma,2024-03-01 Aristotle s Quarrel with Socrates is an account of the role friendship plays in ancient political thought Examining Platonic dialogues and Aristotle s ethical and political treatises John Boersma makes the case that the different stances Aristotle and Socrates take toward politics can be traced to their divergent accounts of friendship Aristotle s Quarrel with Socrates brings to the fore the tension that exists between the philosophic life as exemplified by Socrates and the life devoted to politics It goes on to argue that Aristotle s account of a friendship of the good based on human excellence can reduce not to say eliminate this tension enabling the development of a political community that is organized for action in history

Applied Political Theory and Canadian Politics David McGrane,Neil Hibbert,2019-01-01 Bringing together political theorists and specialists in Canadian politics *Applied Political Theory and Canadian Politics* combines conceptual frameworks from political theory and empirical evidence to offer fresh perspectives on political events in contemporary Canada Examining complex and timely subjects such as equality social justice democracy citizenship and ethnic diversity contributors present current and archival research supplemented with insights drawn from political theory to give readers a deep and nuanced understanding of increasingly pressing issues in Canadian society For scholars and students seeking a work of political theory that is tangible focused and connected to the real world of everyday politics *Applied Political Theory and Canadian Politics* will be an important resource combining philosophical insights and

empirical evidence to enhance our understanding of contemporary Canadian politics **Hierarchy, Unity, and Imitation** Joseph A. Marchal, 2006 **Friendship, Flattery, and Frankness of Speech** John Fitzgerald, 2014-04-09 This volume deals with the topics of friendship flattery and frankness of speech in the Greco Roman world The three topics were often related with candor or frank criticism viewed as the trait that distinguished the true friend from the flatterer The book's eleven essays are divided into three parts The first part introduces the volume and discusses the three topics in the thought of Philodemus and Plutarch Part two deals with Paul's use of friendship language in his correspondence with the Church at Philippi Part three examines the concept of frankness parrhesia in Paul Luke Acts Hebrews and the Johannine corpus The volume will be particularly useful to NT Scholars classicists and modern theologians and ethicists who are interested in the theory and practice of friendship in antiquity Encyclopedia of Love in World Religions Yudit Kornberg Greenberg, 2007-11-15 This is the first comprehensive resource on the subject of love in the teachings of the world's major religions cultures and philosophies Encyclopedia of Love in World Religions is the first reference work to offer a comprehensive portrait of love in the context of the classic and contemporary literature of Judaism Christianity Islam Buddhism and Hinduism as well as other cultures and philosophies Like no volume published to date it reveals the full richness of religious teachings on love in all its many forms exploring an extensive range of topics that offer philosophical psychological and religious perspectives to guide the quest for the meaning of love Encyclopedia of Love in World Religions features approximately 300 subject entries as well as insightful biographic sketches of preeminent thinkers all written by a multidisciplinary team of some of the foremost scholars on the subject Entries examine both general and culture specific interpretations of love not just the dichotomy of spiritual and physical love but the full emotional spectrum of love in relationships and practices Collectively they encompass love's integral and sometimes conflicting role in shaping beliefs and behavior in a vastly diverse world *Virtue Ethics and Contemporary Aristotelianism* Andrius Bielskis, Eleni Leontsini, Kelvin Knight, 2020-05-28 This compelling and distinctive volume advances Aristotelianism by bringing its traditional virtue ethics to bear upon characteristically modern issues such as the politics of economic power and egalitarian dispute This volume bridges the gap between Aristotle's philosophy and the multitude of contemporary Aristotelian theories that have been formulated in the twentieth and twenty first centuries Part I draws on Aristotle's texts and Thomas Aquinas Aristotelianism to examine the Aristotelian tradition of virtues with a chapter by Alasdair MacIntyre contextualising the different readings of Aristotle's philosophy Part II offers a critical engagement with MacIntyrean Aristotelianism while Part III demonstrates the ongoing influence of Aristotelianism in contemporary theoretical debates on governance and politics Extensive in its historical scope this is a valuable collection relating the tradition of virtue to modernity which will be of interest to all working in virtue ethics and contemporary Aristotelian politics *Friendship and Benefaction in James* Alicia J. Batten, 2017-06-23 Now available from SBL Press Employing social description social scientific models and rhetorical analysis

Alicia J Batten argues that the letter of James is conversant with the topic of friendship within Greek and Roman literature as well as within various texts of early Christianity She illustrates how James drew upon some of the language and concepts related to friendship with an intriguing density to advocate resistance to wealth avoidance of rich patrons and reliance upon God Features Use of friendship benefaction and patronage as lenses through which James and related texts can be viewed A strong case for how the letter appeals to the language and ideas of friendship with regard to God s relationships with humans Exploration of the relationship between the book of James and the teachings of Jesus *The Question of the Gift* Mark Osteen,2013-09-13 The Question of the Gift is the first collection of new interdisciplinary essays on the gift Bringing together scholars from a variety of fields including anthropology literary criticism economics philosophy and classics it provides new paradigms and poses new questions concerning the theory and practice of gift exchange In addressing these questions contributors not only challenge the conventions of their fields but also combine ideas and methods from both the social sciences and humanities to forge innovative ways of confronting this universal phenomenon Perfecting Friendship Ivy Schweitzer,2007-09-06 Contemporary notions of friendship regularly place it in the private sphere associated with feminized forms of sympathy and affection As Ivy Schweitzer explains however this perception leads to a misunderstanding of American history In an exploration of early American literature and culture Schweitzer uncovers friendships built on a classical model that is both public and political in nature Schweitzer begins with Aristotle s ideal of perfect friendship that positions freely chosen relationships among equals as the highest realization of ethical social and political bonds Evidence in works by John Winthrop Hannah Foster James Fenimore Cooper and Catharine Sedgwick confirms that this classical model shaped early American concepts of friendship and thus democracy Schweitzer argues that recognizing the centrality of friendship as a cultural institution is critical to understanding the rationales for consolidating power among white males in the young nation She also demonstrates how women nonelite groups and minorities have appropriated and redefined the discourse of perfect friendship making equality its result rather than its requirement By recovering the public nature of friendship Schweitzer establishes discourse about affection and affiliation as a central component of American identity and democratic community

Friendship in the Classical World David Konstan,1997-02-06 An examination of the nature of friendship in Greece and Rome from Homer to the Christian Roman Empire of fourth century AD **Friendship** Barbara Caine,2014-09-11 There has been an increasing interest in the meaning and importance of friendship in recent years particularly in the West However the history of friendship and the ways in which it has changed over time have rarely been examined *Friendship A History* traces the development of friendship in Europe from the Hellenistic period to today The book brings together a range of essays that examine the language of friendship and its significance in terms of ethics social institutions religious organizations and political alliances The essays study the works of classical and contemporary authors to explore the role of friendship in Western philosophy Ranging from renaissance friendships to Christian and secular friendships and from women s writing to

the role of class and sex in friendships Friendship A History will be invaluable to students and scholars of social history

The Cambridge Companion to Aristotle's Nicomachean Ethics Ronald Polansky,2014-06-23 This volume provides a systematic guide to Aristotle's Nicomachean Ethics a key text of ancient philosophy and Western philosophy in general

Marriage, Sex and Family in Judaism Michael J. Broyde,2005-08-22 Marriage Sex and Family in Judaism explores Jewish marriage from historical and contemporary perspectives focusing on the religious and legal concepts of marriage and the social impact of family in the Jewish community The book does not advocate one perspective or another instead the essays range from conservative to liberal viewpoints offering readers a well balanced mixture of perspectives on Jewish marriage

Altruism in World Religions Suzanne Neusner,Bruce Chilton,2005-11-08 In 1830 philosopher Auguste Comte coined the term altruism to provide a general definition for the act of selflessly caring for others But does this modern conception of sacrificing one's own interests for the well being of others apply to the charitable behaviors encouraged by all world religions In *Altruism in World Religions* prominent scholars from an array of religious perspectives probe the definition of altruism to determine whether it is a category that serves to advance the study of religion Exploring a range of philosophical and religious thought from Greco Roman *philia* to Judaism Christianity and Islam from Hinduism in India to Buddhism and the religions of China and Japan the authors find that altruism becomes problematic when applied to religious studies because it is in fact a concept absent from religion Chapters on Judaism Christianity and Islam reveal that followers of these religions cannot genuinely perform self sacrificing acts because God has promised to reward every good deed Moreover the separation between the self and the other that self sacrifice necessarily implies runs counter to Buddhist thought which makes no such distinction By challenging our assumptions about the act of self sacrifice as it relates to religious teachings the authors have shown altruism to be more of a secular than religious notion At the same time their findings highlight how charitable acts operate with the values and structures of the religions studied

Encyclopedia of Political Thought Garrett Ward Sheldon,2001 Presents articles on concepts issues and notable persons related to politics and political science throughout history

Thank you enormously much for downloading **Other Selves Aristotle On Personal And Political Friendship**. Most likely you have knowledge that, people have seen numerous times for their favorite books subsequently this Other Selves Aristotle On Personal And Political Friendship, but end in the works in harmful downloads.

Other Selves Aristotle On Personal And Political Friendship Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Other Selves Aristotle On Personal And Political Friendship PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing

individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Other Selves Aristotle On Personal And Political Friendship PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Other Selves Aristotle On Personal And Political Friendship free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Other Selves Aristotle On Personal And Political Friendship Books

1. Where can I buy Other Selves Aristotle On Personal And Political Friendship books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Other Selves Aristotle On Personal And Political Friendship book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
