Paintings on the Move Susanne Zantop,1989 **Paintings on the Move** Susanne Zantop,1989 **Heinrich Heine and the World Literary Map** Azade Seyhan,2019-01-14 This text provides a key reassessment of the German author Heinrich Heine s literary status arguing for his inclusion in the Canon of World Literature It examines a cross section of Heine s work in light of this debate highlighting the elusive and ironic tenor of his many faceted prose works from his philosophical and political satire to his reassessment of Romantic idealism in Germany and the unique self reflexivity of his work It notably focuses on the impact of exile belonging exclusion and censorship in Heine s work and analyzes his legacy in a world literary context comparing his poetry and prose with those of major modern writers such as Pablo Neruda Naz m Hikmet or Walter Benjamin who have all been persecuted and exiled yet used their art as resistance against oppression and silencing At a time when a premium is placed on the value of world literatures and transnational writing Heine emerges once again as a writer ahead of his time and of timeless appeal **The Gamin de Paris in Nineteenth-Century Visual Culture** Marilyn R. Brown,2017-05-08 The revolutionary boy at the barricades was memorably envisioned in Eug ne Delacroix s painting Liberty Leading the People 1830 and Victor Hugo s novel Les Mis rables 1862 Over the course of the nineteenth century images of the Paris urchin entered the collective social imaginary as cultural and psychic sites of memory whether in avant garde or more conventional visual culture Visual and literary paradigms of the mythical gamin de Paris were born of recurring political revolutions 1830 1832 1848 1871 and of masculine bourgeois identity constructions that responded to continuing struggles over visions and fantasies of nationhood With the destabilization of traditional patriarchal family models the diminishing of the father s symbolic role and the intensification of the brotherly urchin s psychosexual relationship with the allegorical motherland what had initially been socially marginal eventually became symbolically central in classed and gendered inventions and repeated re inventions of fraternity people and nation Within a fundamentally split conception of the people the bohemian boy insurrectionary an embodiment of freedom was transformed by ongoing discourses of power and reform of victimization and agency into a capitalist entrepreneur schoolboy colonizer and budding military defender of the fatherland A contested figure of the city became a contradictory emblem of the nation **Picturing Science, Producing Art** Peter Galison,Caroline A. Jones,2014-02-04 Between the disciplines of art history and the history of science lies a growing field of inquiry into what science and art share as both image making and knowledge producing activities The contributors of Picturing Science Producing Art occupy this intermediate zone to analyze both scientific and aesthetic representations utilizing disciplinary perspectives that range from art history to sociology history and philosophy of science to gender studies cultural history to the philosophy of mind Organized in five sites Styles The Body Seeing Wonders Objectivity Subjectivity and Cultures of Vision their topics extend from Cinquecento theories of female reproduction to the technologies of cloning from medieval depictions of the stigmata to electrical metaphors for sex from astronomical drawings

to radioencephalography from Phoenician griffons carved in ivory to factories cast in concrete The internationally renowned contributors go beyond both science wars and culture wars by exploring substantive links between systems of visual representation and knowledge in science and art Contributors include Svetlana Alpers Jonathan Crary Arnold Davidson Carlo Ginzburg Donna Haraway Bruno Latour and Simon Schaffer

Heinrich Heine Jeffrey L. Sammons, 2006 *The Harz Journey and Selected Prose* Heinrich Heine, 2006-06-29 A poet whose verse inspired music by Schubert Schumann Mendelssohn and Brahms Heinrich Heine 1797 1856 was in his lifetime equally admired for his elegant prose This collection charts the development of that prose beginning with three meditative works from the Travel Pictures inspired by Heine's journeys as a young man to Lucca Venice and the Harz Mountains Exploring the development of spirituality the later On the History of Religion and Philosophy in Germany spans the earliest religious beliefs of the Germanic people to the philosophy of Hegel and warns with startling force of the dangers of yielding to primeval Germanic paganism Finally the Memoirs consider Heine's Jewish heritage and describe his early childhood As rich in humour satire lyricism and anger as his greatest poems together the pieces offer a fascinating insight into a brilliant and prophetic mind

Heine and Critical Theory Willi Goetschel, 2019-02-21 Heinrich Heine's role in the formation of Critical Theory has been systematically overlooked in the course of the successful appropriation of his thought by Marx Nietzsche Freud and the legacy they left in particular for Adorno Benjamin and the Frankfurt School This book examines the critical connections that led Adorno to call for a reappraisal of Heine in a 1948 essay that published posthumously remains under examined Tracing Heine's Jewish difference and its liberating comedy of irreverence in the thought of the Frankfurt School the book situates the project of Critical Theory in the tradition of a praxis of critique which Heine elevates to the art of public controversy Heine's bold linking of aesthetics and political concerns anticipates the critical paradigm assumed by Benjamin and Adorno Reading Critical Theory with Heine recovers a forgotten voice that has theoretically critical significance for the formation of the Frankfurt School With Heine the project of Critical Theory can be understood as the sustained effort to advance the emancipation of the affects and the senses at the heart of a theoretical vision that recognizes pleasure as the liberating force in the fight for freedom

Reading Heinrich Heine Anthony Phelan, 2007-03-01 This book is a comprehensive study of the nineteenth century German poet Heinrich Heine Anthony Phelan examines the complete range of Heine's work from the early poetry and Pictures of Travel to the last poems including personal polemic and journalism Phelan provides original and detailed readings of Heine's major poetry and throws fresh light on his virtuoso political performances that have too often been neglected by critics Through his critical relationship with Romanticism Heine confronted the problem of modernity in startlingly original ways that still speak to the concerns of post modern readers Phelan highlights the importance of Heine for the critical understanding of modern literature and in particular the responses to Heine's work by Adorno Kraus and Benjamin Heine emerges as a figure of immense European significance whose writings need to be seen as a major

contribution to the articulation of modernity Philosophy and Revolution Stathis Kouvelakis, 2019-01-29 Throughout the nineteenth century German philosophy was haunted by the specter of the French Revolution Kant Hegel and their followers spent their lives wrestling with its heritage trying to imagine a specifically German path to modernity a revolution without revolution Trapped in a politically ossified society German intellectuals were driven to brood over the nature of the revolutionary experience In this ambitious and original study Stathis Kouvelakis paints a rich panorama of the key intellectual and political figures in the effervescence of German thought before the 1848 revolutions He shows how the attempt to chart a moderate reformist path entered into crisis generating two antagonistic perspectives within the progressive currents of German society On the one side were those socialists among them Moses Hess and the young Friedrich Engels who sought to discover a principle of harmony in social relations bypassing the question of revolutionary politics On the other side the poet Heinrich Heine and the young Karl Marx developed a new perspective articulating revolutionary rupture proletarian hegemony and struggle for democracy thereby redefining the very notion of politics itself

German Literature as a Transnational Field of Production, 1848-1919 Lynne Tatlock, Kurt Beals, 2023 A collection of new essays bringing into view the push and pull of the national and the international in the German language cultural field of the period The cultural formations of the so called Age of Nationalism 1848 1919 have shaped German language literary studies to the present day for better or worse Literary histories German self representations the view from abroad all of these perspectives offer images of a culture ever more concerned with formulating a coherent nationally focused idea of its origins history and cultural community But even in this historical moment the German speaking territories were not culturally self contained international forces always played a significant role in the constitution of the so called German literary and cultural field This volume rethinks the historical period with fourteen case studies that bring into view the push and pull of the national and international in Germany Austria and Switzerland undertaking a reframing of literary cultural history that recognizes the interrelatedness of literatures and cultures across political and linguistic boundaries Viewing even overtly national literary and cultural projects as belonging to an international system these case studies examine the interrelations organization and positioning of the agents forces enterprises and processes that constituted the German language literary cultural field locating these ostensibly national developments within an inter or even anti national context **Prosaic**

Conditions Na'ama Rokem, 2013 In this book the author observes that prose writing more than poetry drama or other genres came to signify a historic rift that resulted in loss and disenchantment The author treats prose as a signifying practice that is a practice that creates meaning During the nineteenth and twentieth centuries prose emerges in competition with other existing practices specifically the practice of performance Using Zionist literature as a test case the author examines the ways in which Zionist authors put prose to use both as a concept and as a literary mode Writing prose enables these authors to grapple with historical political and spatial transformations and to understand the interrelatedness of all of these changes
