Picture Of Maryland:

Maryland's Motion Picture Theaters Robert K. Headley, 2008 Since movies were first exhibited in the late 19th century Maryland has been home to hundreds of theaters Some of these theaters were built for movies but others were traditional theaters academies of music lodge halls and even town halls This volume illustrates the development of movie theaters throughout Maryland with historic photographs from the author s extensive collection as well as from the collections of several historical societies libraries and individuals Contemporary theaters have not been neglected as the average life span of a movie theater is 25 years or fewer these theaters may vanish almost overnight This has been the fate of almost all of the theaters built in the 1960s and the multiplexes built between 1964 and 1990 Readers can relive the nostalgia of past trips to the movies as they explore the pages of this book

Maryland's Vanishing Lives John

Sherwood, 1995-10 For more than two years John Sherwood roamed Maryland s small towns and city neighborhoods traveled Appalachian back roads and sailed the Chesapeake looking for people whose work or way of life recalled the state s rich and varied tradition Maryland s Vanishing Lives is his vivid account of the people he met on those journeys Working in a country store or an old time movie house on a small tobacco farm or a weathered skipjack Sherwood s subjects interest us as people as stubborn survivors who have watched sometimes defiantly sometimes wistfully as the world moved on These Marylanders stories poignantly show what happens to family businesses and ordinary folk in the face of new technology suburban sprawl franchise outlets and changing tastes But Maryland s Vanishing Lives is also an engaging celebration of pride and craft and the ability to survive In this collection of sixty six short profiles illustrated with memorable photographs by Edwin Remsberg Sherwood preserves for posterity the lives of Marylanders who hang on to values and skills that are quickly disappearing

Murder on Maryland's Eastern Shore Joseph E. Moore, 2006-02-17 From a former Maryland attorney comes the true crime story of accused murderer Orphan Jones a case mired in the racism and politics of 1930s America Euel Lee alias

Orphan Jones was an African American accused of murdering his white employer and family over a single dollar. The tumultuous events and cast of characters surrounding the racially charged crime garnered national media attention and changed the course of Maryland history. With exacting research, former Maryland State's Attorney Joseph E. Moore reconstructs the murders, the ensuing roller coast of a trial, and the eventual conviction and execution of Orphan Jones. Moore details all of this in the context of Jim Crow politics and American society during the Great Depression in this gripping true crime account. The Euel Lee case as explored by Joe Moore is more than good readable local history. It is about the stresses and strains in American society in the Depression, from the radicalism of a young Communist lawyer to the conscious efforts of a rural community to contain violence, confront or at least deal with their prejudices, and see that justice was served for a senseless murder in their midst. Moore sets a high standard of factual accountability and entertaining narrative based upon oral history and archival research. General readers and scholars alike will not be disappointed. Edward C. Far from Hollywood, regional productions such as Oscar Micheaux's provocative race films and Nell Shipman's wildlife adventures were censored by men like Major M. L. C. Funkhouser, the terror of Chicago's cinemas, and Myrtle Snell, the Alabama administrator who made the slogan "Banned in Birmingham" famous. Censorship continues today with Utah's case against *Deadpool* (2016) pending in federal court and Robert Rodriguez's *Machete Kills* (2013) versus the Texas Film Commission.
