Polish Film Charles Ford, Robert Hammond, 2015-05-07 When the Lumiere brothers introduced the motion picture in 1895 Poland was a divided and suffering nation yet Polish artists found their way into the new world of cinema Boleslaw Matuszewski created his first documentary films in 1896 and Poland's first movie house was established in 1908 Despite war and repression Polish cinema continued to grow and to reach for artistic heights The twentieth century closed with new challenges but a new generation of Polish filmmakers stood ready to meet them Here is a complete history of the Polish cinema through the end of the twentieth century with special attention to political and economic contexts *Podróż* Krystyna Bezubik, 2019-01-04 Tomik opowiada Podr jest niecodzienn podr po codzienno ci egzystencji i uczuciach Przenosi do wiata zwyczajego ale pe nego magii w kt rym ma y diabe mo e spa zwini ty jak kot lub p ywa w kieliszku wina W tym wiecie zamiana w czarownic staje si lekarstwem na niewidzialno a picie porannej kawy nabiera wymiary egzystencjalnego Polish Jews in Israel Elżbieta Kossewska, 2021-04-19 In Polish Jews in Israel Polish Language Press Culture and Politics El bieta Kossewska presents a study of the political history of Polish Jews in Israel and their cultural and intellectual achievements with particular emphasis on the Polish language press The book describes Polish immigrants adaptation in Israeli society after World War II and shows the shifting of emigrants attitudes and viewpoints against the backdrop of the Israeli political system The book contains numerous testimonies memoirs and personal documents from Polish journalists and writers that have never been published before These anecdotes biographical curiosities and fascinating details create an evocative and colorful picture of the lives of key figures of post war Polish life in Israel *Beautiful Twentysomethings* Marek Hłasko, 2013-10-01 Marek Hłasko's literary autobiography is a vivid first hand account of the life of a young writer in 1950s Poland and a fascinating portrait of the ultimately short lived rebel generation Told in a voice suffused with grit and morbid humor Hłasko's memoir was a classic of its time In it he recounts his adventures and misadventures moving swiftly from one tale to the next Like many writers of his time Hłasko also worked in screen writing and his memoir provides a glimpse into just how markedly the medium of film affected him from his very earliest writing days The memoir details his relationships with such giants of Polish culture as the filmmaker Roman Polanski and the novelist Jerzy Andrzejewski Hłasko is the most prominent example of a writer who broke free from the Socialist Realist formulae that dominated the literary scene in Poland since it fell under the influence of the Soviets He made his literary debut in 1956 and immediately became a poster boy for Polish Literature He subsequently worked at some of the most important newspapers and magazines for intellectual life in Warsaw Hłasko was sent to Paris on an official mission in 1958 but when he published in an migr Parisian press his novel of life in post War Poland he was denied a renewal of his passport In effect he was called back to Poland and when he refused to return he was stripped of his Polish citizenship He spent the rest of his life working in exile Marek Hłasko was a rebel whose

Department of Printed Books, 1969 *Wanderers Across Language* Kinga Olszewska, 2017-12-02 Exile has become a potent symbol of Polish and Irish cultures Historical political and cultural predicaments of both countries have branded them as diasporic nations but in Adorno's dictum for an exile writing becomes home Olszewska offers a multifaceted picture of the figure of exile in postwar Poland and Ireland juxtaposing politics and culture whereas Irish exile appears more in an economic and cultural context the essence of Polish exile is political This comparative study of works by Polish and Irish authors Stanislaw Baranczak Adam Zagajewski Marek Hlasko Kazimierz Brandys Brian Moore Desmond Hogan and Paul Muldoon shows a literature which not only depicts the experience of exile but which uses exile as a literary device *The Penguin Book of Polish Short Stories* Antonia Lloyd-Jones, 2025-06-05 A revelatory and richly varied collection of Poland's greatest short stories with a foreword by Nobel Prize winner Olga Tokarczuk Witty surprising and sparkling this anthology is an essential exploration of Polish literature Its thirty nine superb stories run the length of the literal and imaginative creation of Poland from 1918 when Poland regained its independence after 123 years of colonization by the

neighbouring empires to the present The stories include Miss Winczewska by the acclaimed twentieth century writer Maria Dabrowska 1889 1965 based on her experience of helping to establish a library for soldiers at the Citadel military base in Warsaw in the interwar period and In the Shadow of Brooklyn by Stanislaw Dygat 1914 1978 the comical tale of a young man's envy of what he imagines to be his father's success with women At the contemporary end it includes a story by Nobel Prize winner Olga Tokarczuk 1962 The Green Children a historical story set in 1656 narrated by a Scottish doctor who as the Polish king's physician travels about the wilds of Poland and encounters two feral children Curated by Antonia Lloyd Jones this anthology is a refreshing and glorious new collection of the best in Polish literature

Sport and Polish Society in the Communist Era Marta Kurkowska-Budzan, Marcin Stasiak, 2023-12-21 Using the history of sport in the small towns and local communities of Poland this book shines new light on the everyday reality of life under a communist regime in Eastern Europe in the 20th century This book shows how socio cultural history history from below that draws on rich sources including oral testimony personal archives and literary and visual material can provide the missing piece in our understanding of a significant time and place in the contemporary history of Europe Focusing on the period between 1945 and 1989 this book shows how sport was an important element of state politics and propaganda but looks closely at the local level at the spaces and material culture of sport to reveal the extent to which sport had penetrated the daily culture of rural and small town life in Poland The stories of football players local clubs small sports arenas and cyclists who crossed geographical and culture boundaries all add new depth to the history of contemporary Poland and by examining the history of local sport organisations this book also reveals important differences between official state ideology the provincial party apparatus and the lives of ordinary people This is fascinating reading for anybody with an interest in the history of sport socio cultural history European history the history of the 20th century or historical methods
