Reflections on Grace Thomas A. Langford, 2007-06-23 For about the last fifteen years of his life Thomas A Langford pondered how grace is central to Christian theology This book records his reflections and provides numerous gems of mature Christian insight From beginning to end the book is christologically focused Grace is not something that God gives us rather it is the way God gives us himself Grace is a person God present to human beings Grace is not a gift but rather a giver Grace is Jesus Christ The central contribution of this work is its personalization of grace its sharp focus on God present in Jesus Christ Because its focus on grace gives the reader such a clear and thematically developed entry point this work is a great introduction to theology and the life of the church the kind that pastors and parishioners would certainly benefit from confronting

Living Grace (24/7) Jay Leach, 2023-08-13 It has often been expressed that the primary leadership of the Reformation Restoration did not go far enough in their restoration of the New Testament Church Martin Luther got it right on how we are saved justification The just shall live by faith Galatians 3 11 was one of the revelatory truths of God's Word that rallied the Reformers We praise God for the reformer John Wycliffe who believed that the people should be able to read the Bible in their own language and by the grace of God he worked hard to get the truth of God's Word into the hands and hearts of the masses That is an on going mission which must be repeated in each new generation Notice within a half century after the Reformation began the church was in crisis because it misunderstood that justification or salvation is of God by grace through faith alone the believers who came out of the Medieval or Dark Ages were taught that sanctification spiritual maturity was accomplished through works of the flesh They were constantly reminded how much their relationship with God depended on their works The sad news is many local churches continue to practice this pre Reformation church model of ministry to this day That theological error has come full circle today The results are witnessed in every city town and village of America as citizens who have chosen to no longer believe God is relevant but that He no longer loves and cares that He created the world and left it to feign for itself Deism Add to that the many local churches that rely upon legalism performance of the flesh and feelings entertainment rather than upon God's grace alone through the power and anointing of the Holy Spirit and Word of God working in tandem The Spirit leads guides and teaches the restored truths of the Gospel of Grace Teachers were raised up during the Reformation to help Christians know what they believed and why they believed it Today God is continuing to meet that need by raising up desperately needed Spiritually gifted and bold apologetic teachers for that very purpose in these last days see 2

Timothy 2 2 The Bread of Life Ministries and Bible Institute along with thousands of Para ministries across America and around the world are established and Spirit led for such a time as this Magdalene and I were led of the Spirit to establish the Bread of Life Ministries 25 years ago specifically to equip the saints disciples for that purpose If the churches would return to their Christ given mission biblical world view and teaching ministries millions would be saved disciple and brought into the kingdom of God with the continued commitment to do the same
