Point Of View:

Point of View Leslie Watts,2020-11-09 Finding the right point of view is one of the most important and least understood challenges writers face Point of view extends far beyond the choice of first second or third person POV determines all that a reader knows about the world inside a story Is the murder told from the criminal s the detective s or the victim s vantage point An awful lot rides on that decision In short a story s point of view guides the characters message and events that matter In Point of View Why Narrative Perspective Can Make or Break Your Story Story Grid Publishing Editor in Chief Leslie Watts provides examples from dozens of masterworks to help writers understand telling and showing points of view and narrative devices Does a telling narrator live inside or outside the story Is the focus of a showing POV external or internal Every choice has an impact Watts offers a revolutionary approach to point of view demonstrating how deep study of narrative perspective can empower and uplift storytellers themselves When writers truly master point of view they can share the messages they want to share and bring their stories to life

The Power Of Point Of View Alicia Rasley,2008-03-11 Every Character Has a Voice Point of view isn t just an element of storytelling when chosen carefully and employed consistently in a work of fiction it is the foundation of a captivating story It s the character voice you can hear as clearly as your own It s the unique worldview that intrigues readers persuading them to empathize with your characters and invest in their tale It s the masterful concealing and revealing of detail that keeps pages turning and plots fresh It s the hidden agenda that makes narrators complicated and compelling It s also something most writers struggle to understand In The Power of Point of View RITA Award winning author Alicia Rasley first teaches you the fundamentals of point of view POV who is speaking why and what options work best within the conventions of your chosen genre Then she takes you deeper to explain how POV functions as a crucial piece of your story something that ultimately shapes and drives character plot and every other component of your fiction Through comprehensive instruction and engaging exercises you ll learn how to choose a point of view that enhances your characters and plots and encourages reader involvement navigate the levels of a character s point of view from objective viewing to action to emotion craft unusual perspectives including children animal narrators and villains A story changes depending on who s telling it and The Power of Point of View will help you determine which of your characters can make your story come to life
