Lupica,2017-04-04 Gus and Cassie have always been on the same team off the field but in this third novel in New York Times bestselling author Mike Lupica s Home Team series can they stay friends when they re on the same court Everyone assumes that Gus whose family is from the Dominican Republic is a baseball guy But this year Gus is even more excited about basketball than any other sport he s ever played He s been practicing some new moves and lately he s more surprised when he misses his shot than when he scores Plus now that he s convinced his friend Teddy to try out for the team and Jack s shoulder is healed it looks like Walton s home team will be unstoppable But this isn t going to be the season Gus expected because their team is getting a new player and she just happens to be one of his best friends Gus knows Cassie is more than good enough to compete on the boys team and besides they really do need a point guard so why isn t he able to shake the feeling that she belongs on their bleachers rather than their bench And to make matters worse with their center Steve Kerrigan constantly making comments about his Dominican heritage and Steve s dad voicing his views on immigration as he runs for office Gus is starting to wonder if he really belongs in Walton after all Can Gus find a way to bring the home team together both on and off the court or will all these prejudices block their shot at a winning season **Top 10 Basketball**

Story of One of Basketball's Greatest Point Guards Clayton Geoffreys,2016-06-21 Learn the Inspiring Story of the Legendary Point Guard Jason Kidd Read on your PC Mac smartphone tablet or Kindle device In Jason Kidd The Inspiring Story of One of Basketball s Greatest Point Guards you will learn the inspirational story of one of basketball s premier point guards Jason Kidd Jason Kidd was easily one of the best point guards to play the game of basketball throughout the 2000s With an extraordinary ability to pass the ball at precisely the right time Kidd was like Steve Nash in that he made the teammates around him fundamentally better Being an NBA Champion with the Dallas Mavericks in 2011 ten time All Star and five time All NBA First Team member Jason Kidd s passing and rebounding abilities made him feared by opponents He corralled triple doubles years before flashy athletic point guards like Russell Westbrook began doing so Read on to learn Kidd s inspiring story Here is a preview of what is inside this book Childhood and Early Life High School Career College Career Jason Kidd s NBA Career Getting Drafted Rookie Campaign First All Star Season Tensions in Dallas the Trade to Phoenix Fresh Start with the Suns First Playoff Appearance First Full Season with Phoenix Igniting the Scorching Suns Shortened Season Another First Round Exit Breaking Through to the Second Round Final Season in Phoenix The Trade to New Jersey Reaching the NBA Finals Second Consecutive Finals Appearance Teaming Up with Vince Carter Leading a Trio with Carter and Jefferson Final Stretch in New Jersey the Return to Dallas Contending as a Mav First and Only NBA Championship Final Season with Dallas Stop at the Big Apple and Retirement Coaching Career USA National Basketball Team Career Personal Life Impact Legacy and Future An excerpt from the book As far as ranking the top point guards in the history of the NBA is concerned no list would be truly complete without Jason Kidd somewhere on top of all of the other playmakers the league has seen Why not He is an NBA champion a 10 time All Star a six time All NBA Team member a nine time All Defensive Team selection a two time Olympic Gold medalist and a five time assist leader On paper alone you would see how valuable of a point guard Kidd was in his 19 year NBA stint However there were also times when he was not truly befitting of being called a historically elite point guard because of all the criticisms and shortcomings he has had as a player He came into the league with virtually no jump

shot and a very minimal offensive repertoire He has had struggles with coaches and even for a while lacked the work ethic needed to be elite And for most of his career he was never the leader of a championship team But for all those criticisms and downsides to his game Jason Kidd was always a leader that made his other teammates great by doing everything else on the court He always made it a point to find teammates because scoring the ball himself was never really his top priority His ability to rebound the ball at a high level for a point guard made sure he could trigger fast break opportunities at a quick rate And his ability to defend every guard position earned him the reputation of being an elite defender in his prime Kidd s vast array of skills made him a ray of sunshine to a franchise because he always lifted his teammates up in every way possible
