Poirot quitte la scène Agatha Christie, 2023-01-25 Agatha Christie and New Directions in Reading Detective Fiction Alistair Rolls, 2022-06-16 This book brings a new lens to the work of Agatha Christie through a series of close readings which challenge the official solutions by Hercule Poirot and Miss Marple This book s approach interweaves two core ideas first it explores the importance of French critic Pierre Bayard s self styled detective criticism second it takes detective criticism in a new direction by refocusing on the beginnings of Agatha Christie s novels In this way the book counters the end orientation that has traditionally dominated the reading experience of and critical response to detective fiction by exploring the potential of the beginning to host other interpretations and stories Offering a new way of reading detective fiction this book is a mixture of narratology and detective criticism and deploys it in the form of radical new readings of a number of Christie s most famous works This illuminating text will interest students and scholars of crime and detective fiction literary studies and comparative literature
