O. E. and the Aliies* Józef Garliński, 1969 **Poland** Józef Garliński, 1969 **The Spy Who Loved** Clare Mulley, 2025-09-23 The Spy Who Loved presents the untold story of Britain's first female Special Agent of World War II In June 1952 a woman was murdered by an obsessed colleague in a hotel in the South Kensington district of London Her name was Christine Granville That she died young was perhaps unsurprising that she had survived the Second World War was remarkable The daughter of a feckless Polish aristocrat and his wealthy Jewish wife Granville would become one of Britain's most daring and highly decorated special agents Having fled to Britain on the outbreak of war she was recruited by the intelligence services and took on mission after mission She skied over the hazardous High Tatras into occupied Poland served in Egypt and North Africa and was later parachuted behind enemy lines into France where an agent's life expectancy was only six weeks Her courage quick wit and determination won her release from arrest more than once and saved the lives of several fellow officers including one of her many lovers just hours before their execution by the Gestapo More importantly the intelligence she gathered in her espionage was a significant contribution to the Allied war effort and she was awarded the George Medal the OBE and the Croix de Guerre Granville exercised a mesmeric power on those who knew her In The Spy Who Loved acclaimed biographer Clare Mulley tells the extraordinary history of this charismatic difficult fearless and altogether extraordinary woman *Poland, SOE Special Operations Executive and the Allies* Józef Garliński, Paul Stevenson, 1969 **War and Diplomacy in East and West** M. B. B. Biskupski, 2017-05-12 The New York Times said of J zef Hieronim Retinger that he was on intimate terms with most leading statesmen of the Western World including presidents of the United States He has been repeatedly acknowledged as one of the principle architects of the movement for European unity after the World War II and one of the outstanding creative political influences of the post war period He has also been credited with being the dark master behind the so called Bilderberg Group described variously as an organization of idealistic internationalists and a malevolent global conspiracy Before that Retinger involved himself in intelligence activities during World War II and given the covert and semi covert nature of many of his activities it is little wonder that no biography has appeared about him This book draws on a broad range of international archives to rectify that Rediscovering Irregular Warfare A. R. B. Linderman, 2016-02-29 Britain's Special Operations Executive SOE which conducted sabotage campaigns and supported resistance movements in Axis occupied Europe and in Asia is often described as Winston Churchill

s brainchild But as A R B Linderman reveals in this engrossing history the real genius behind Britain s clandestine warriors was Colin Gubbins a British officer who forged the SOE by drawing on lessons learned in irregular conflicts around the world Following Gubbins through operations he studied and participated in Linderman maps the evolution of the SOE from its origins to its doctrine to its becoming a critical institution Part biography part intellectual and organizational history Rediscovering Irregular Warfare is the first book to explore the origins of a substantial force in the Allies victory in World War II Although popular history holds that Britain entered World War II with no prior knowledge of or experience with underground warfare Rediscovering Irregular Warfare tells us otherwise Linderman finds ample precedent in the clearly documented work of Gubbins and his fellow clandestine organizers He traces Gubbins s career from 1914 through World War I and such irregular conflicts as the Allied intervention in Russia the Irish Revolution and conflicts in British India To these firsthand experiences Gubbins added the insights of colleagues who had served with him and in Iraq as well as what he learned from the Second Anglo Boer War the Arab Revolt led by T E Lawrence the German guerrilla war in East Africa the revolt in Palestine between the world wars the Spanish Civil War and the Second Sino Japanese War The two booklets that Gubbins wrote based on his accumulated knowledge offered the first synthesis of British unconventional warfare doctrine practical guides that emphasized the centrality of local populations the collection protection and use of intelligence the necessity of cooperating with conventional forces and the use of speed surprise and escape in ambush operations In 1940 when Gubbins joined the newly created SOE the experience and know how codified in his guides formed the basis of Britain s approach to irregular warfare The history of the SOE s doctrinal origins is Colin Gubbins s story By telling that story Rediscovering Irregular Warfare amplifies and clarifies our understanding of the Second World War and of doctrines of unconventional warfare in the twentieth century
