The Handbook of Crime & Punishment Michael H. Tonry, 2000 Consisting of 28 articles this comprehensive reference work on the study of crime examines its causes effects trends and institutions current philosophies of punishment and ways of controlling crime *Criminal Justice 2000: Policies, processes, and decisions of the criminal justice system*, 2000 **The Social History of Crime and Punishment in America: A-De** Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present Transforming the Police Charles M. Katz, Edward R. Maguire, 2020-01-17 Policing in the United States is at a crossroads decisions made at this juncture are crucial With the emergence of evidence based policing police leaders can draw on research when making choices about how to police their communities Who will design the path forward and what will be the new standards for policing This book brings together two qualified groups to lead the discussion academics and experienced police professionals The School of Criminology and Criminal Justice at Arizona State University recruited faculty with expertise in policing and police research This volume draws on that expertise to examine 13 specific areas in policing Each chapter presents an issue and provides background before reviewing the available research on potential solutions and recommending specific reform measures Response essays written by a current or former police leader follow each chapter and reflect on the recommendations in the chapter The 13 chapters and response essays present new thinking about the police their challenges and the reforms police agencies should consider adopting Policy makers practitioners educators researchers students and anyone interested in the future of policing will find valuable information about the benefits of adopting evidence based policing leading strategic crime control efforts instituting procedural justice to enhance police legitimacy reducing use of force combatting racially biased policing establishing civilian oversight implementing a body worn camera program creating sentinel event reviews developing police university collaborations facilitating organizational justice in police departments improving officer health and wellness handling protests and increasing the effectiveness of police responses to sexual assault *Law Enforcement Operations and Management* Marilyn D. McShane, Franklin P. Williams, 1997 Violence Work Micol Seigel, 2018-08-02 In *Violence Work* Micol Seigel offers a new theorization of the quintessential incarnation of state power the police Foregrounding the interdependence of policing the state and global capital Seigel redefines policing as violence work showing how it is shaped by its role of channeling state violence She traces this dynamic by examining the formation demise and aftermath of the U S State Department s Office of Public Safety OPS which between 1962 and 1974 specialized in training police forces internationally Officially a civilian agency the OPS grew and operated in military and counterinsurgency realms in ways that transgressed the borders that are meant to contain the police within civilian public and local spheres Tracing the career

paths of OPS agents after their agency closed Seigel shows how police practices writ large are rooted in violence especially against people of color the poor and working people and how understanding police as a civilian public and local institution legitimizes state violence while preserving the myth of state benevolence

Handbook on the Consequences of Sentencing and Punishment Decisions Beth M. Huebner, Natasha A. Frost, 2018-08-06 Handbook on the Consequences of Sentencing and Punishment Decisions the third volume in the Routledge ASC Division on Corrections Sentencing Series includes contemporary essays on the consequences of punishment during an era of mass incarceration The Handbook Series offers state of the art volumes on seminal and topical issues that span the fields of sentencing and corrections In that spirit the editors gathered contributions that summarize what is known in each topical area and also identify emerging theoretical empirical and policy work The book is grounded in the current knowledge about the specific topics but also includes new synthesizing material that reflects the knowledge of the leading minds in the field Following an editors introduction the volume is divided into four sections First two contributions situate and contextualize the volume by providing insight into the growth of mass punishment over the past three decades and an overview of the broad consequences of punishment decisions The overviews are then followed by a section exploring the broader societal impacts of punishment on housing employment family relationships and health and well being The third section centers on special populations and examines the unique effects of punishment for juveniles immigrants and individuals convicted of sexual or drug related offenses The fourth section focuses on institutional implications with contributions on jails community corrections and institutional corrections
