Ideas and International Political Change Jeffrey T. Checkel, 1997-01-01 The end of the Cold War dramatically and unexpectedly transformed international politics toward the end of the 20th century At the heart of this change was the struggle over new and old ideas

Institutional Change and Political Continuity in Post-Soviet Central Asia Pauline Jones Luong, Pauline Jones (Professor of political science), 2002-04-29 Publisher Description *Institutions and Political Change in Russia* N. Robinson, 2000-01-27 For a decade Russia has been building a new political order This collection of essays offers a progress report on this effort recording the projects for institutional reform their successes and their many failures Institutions covered include the presidency the State Duma regional government the judiciary the power ministries the foreign policy and economic policy making establishments Other chapters examine popular attitudes towards institutions and the crises of state society relations in Russia

The Political Economy of Post-Soviet Russia V. Tikhomirov, 2000-05-15 This book deals with general political and economic developments that took place in Russia since the collapse of the Soviet Union The major aim of the book is to analyse successes and failures of Russian reform attempts as well as their effect on the development of Russian regions particularly from the point of view of interrelation between socio economic tendencies and political developments Analysis concentrates on both national dynamics and dynamics of development in three main groups of regions mining agricultural and manufacturing

Reexamining Economic and Political Reforms in Russia, 1985-2000 Vladimir Gel'man, Dmitry Travin, Otar Marganiya, 2014-06-25 Reexamining Economic and Political Reforms in Russia 1985 2000 Generations Ideas and Changes analyzes the impact of generational changes and ideational changes on major political and economic reforms conducted in Russia during the late twentieth century This book examines how the policy agenda was shaped by the ideas of the generations representatives for the sixties and seventies Representatives of the generation of sixties conducted reforms from 1985 to 1991 and invested major efforts in political liberalization but did not pay enough attention to economic reforms On the other hand the reformers from the generation of seventies who were in charge of policy making from 1991 to 1998 were genuinely oriented toward market building but rather insensitive to the democratization of the political regime This book explores how these differences in ideational agendas produced inconsistent and controversial outcomes from both stages of reforms

Autocratic and Democratic External Influences in Post-Soviet Eurasia Anastassia Obydenkova, Alexander Libman, 2016-03-09 As the Ukrainian Crisis shows both political regimes and national borders in Eurasia are still in a state of flux Bringing together literatures on the external influences of democratization the post Soviet space and support for autocracy Autocratic and Democratic External influences in Post Soviet Eurasia provides a comprehensive overview of the interaction of domestic and international politics during times of regime transition Demonstrating the interplay of these forces the book explores the rich variation in motives and channels of autocratic and democratic influences International scholars consider two channels of external influence on regime transition

the role of supranational organizations established by non democracies and the role of non governmental organizations and through a set of carefully chosen case studies offer a new theoretical discussion on the phenomenon of multi level regime transition

Educational Reform in Post-Soviet Russia Ben Eklof, Larry E. Holmes, Vera Kaplan, 2004-08-02 This volume consists of a collection of essays devoted to study of the most recent educational reform in Russia In his first decree Boris Yeltsin proclaimed education a top priority of state policy Yet the economic decline which accompanied the collapse of the Soviet Union dealt a crippling blow to reformist aspirations and to the existing school system itself The public lost faith in school reform and by the mid 1990s a reaction had set in Nevertheless large scale changes have been effected in finance structure governance and curricula At the same time there has been a renewed and widespread appreciation for the positive aspects of the Soviet legacy in schooling The essays presented here compare current educational reform to reforms of the past analyze it in a broader cultural political and social context and study the shifts that have occurred at the different levels of schooling from political decision making and changes in school administration to the rewriting textbooks and teachers everyday problems The authors are both Russian educators who have played a leading role in implementation of the reform and Western scholars who have been studying it from its very early stages Together they formulate an intricate but cohesive picture which is in keeping with the complex nature of the reform itself Contributors Kara Brown Indiana University Ben Eklof Indiana University Isak D Froumin World Bank Moscow Larry E Holmes University of South Alabama Igor Ionov Russian History Institute of the Russian Academy of Sciences Viacheslav Karpov Elena Lisovskaya Western Michigan University Vera Kaplan Tel Aviv University Stephen T Kerr University of Washington James Muckle University of Nottingham Nadya Peterson Hunter College Scott Seregny Indiana University Purdue University Indianapolis Alexander Shevyrev Moscow State University Janet G Vaillant Harvard University
