Political Economy Of Democratic Decentralization:

The Political Economy of Democratic Decentralization James Manor, 1999 Nearly all countries worldwide are now experimenting with decentralization Their motivation are diverse Many countries are decentralizing because they believe this can help stimulate economic growth or reduce rural poverty goals central government interventions have failed to achieve Some countries see it as a way to strengthen civil society and deepen democracy Some perceive it as a way to off load expensive responsibilities onto lower level governments Thus decentralization is seen as a solution to many different kinds of problems This report examines the origins and implications decentralization from a political economy perspective with a focus on its promise and limitations It explores why countries have often chosen not to decentralize even when evidence suggests that doing so would be in the interests of the government It seeks to explain why since the early 1980s many countries have undertaken some form of decentralization This report also evaluates the evidence to understand where decentralization has considerable promise and where it does not It identifies conditions needed for decentralization to succeed It identifies the ways in which decentralization can promote rural development And it names the goals which decentralization will probably not help achieve

Democratic Decentralization Through a Natural Resource Lense Jesse Craig Ribot, Anne M. Larson, 2005 This text includes case studies from Africa Asia and Latin America which address the management of water land forests or pasture

Democratic Decentralization, Local Governance and Sustainable Development Prince Osei-Wusu Adjei, Samuel Adu-Gyamfi, 2022-11-14 Drawing on field based data and experiences from the practice of democratic decentralization and local governance over the last three decades in Ghana this book examines whether and how democratic decentralization and local governance reforms in developing countries have produced the anticipated development outcomes In seventeen related contributions the authors present four relevant focal themes including conceptual and historical trajectories of decentralization and local governance institutional choice democratic representation and poverty reduction local governance resource capacity and service delivery

and non state actors local governance and sustainable development The book blends perspectives of scholars practitioners and policy makers to provide a holistic analysis of linkages between decentralization local governance and sustainable development efforts presenting a novel and useful guide for science policy and practice of bottom up governance and development It provides relevant lessons and experiences for scholars policy makers and development practitioners in Africa in particular and developing countries in general

Decentralizing Governance G. Shabbir Cheema, Dennis A. Rondinelli, 2007-08-01 The trend toward greater decentralization of governance activities now accepted as commonplace in the West has become a worldwide movement This international development largely a product of globalization and democratization is clearly one of the key factors reshaping economic political and social conditions throughout the world Rather than the top down centralized decisionmaking that characterized communist economies and Third World dictatorships in the twentieth century today s world demands flexibility adaptability and the autonomy to bring those qualities to bear In this thought provoking book the first in a new series on Innovations in Governance experts in government and public management trace the evolution and performance of decentralization concepts from the transfer of authority within government to the sharing of power authority and responsibilities among broader governance institutions This movement is not limited to national government it also affects subnational governments NGOs private corporations and even civil associations The contributors assess the emerging concepts of decentralization e g devolution empowerment capacity building and democratic governance They detail the factors driving the movement including political changes such as the fall of the Iron Curtain and the ascendance of democracy economic factors such as globalization and outsourcing and technological advances e g increased information technology and electronic commerce Their analysis covers many different contexts and regions For example William Ascher of Claremont McKenna College chronicles how decentralization concepts are playing out in natural resources policy while Kadmeil Wekwete United Nations outlines the specific challenges to decentralizing governance in sub Saharan Africa In each case contributors explore the objectives of a decentralizing strategy as well as the benefits and difficulties that will likely result

Decentralization in Asia and Latin America Paul J. Smoke, Eduardo J. Gómez, George E. Peterson, 2006-11-28 Public sector decentralization has emerged prominently in many Asian and Latin American countries as a strategy to promote development and political reform Results in both cases have been mixed Despite broad similarities in intent and outcome contextual differences between the regions have led to striking differences in the way decentralization has been structured and implemented This volume takes an atypically historical and interdisciplinary perspective on decentralization highlighting how fiscal and political forces together have been shaping its evolution in the two regions
