David Wurfel, Bruce Burton

Political Economy Of Foreign Policy In S:

The Political Economy of Foreign Policy in Southeast Asia David Wurfel, Bruce Burton, 2016-07-27 This is the first book in several years to review the foreign policies of major Southeast Asian states and the first ever to include those frequently neglected smaller states It is also unique in the editors adherence to a new comparative framework which attempts to weave together the earlier literature on comparative foreign policy analysis and current concepts of political economy Comparative foreign policy studies are introduced by three distinguished scholars in that field A general survey of international relations in Southeast Asia then precedes the country chapters all authored by experienced specialists A concluding chapter attempts to identify the emerging patterns of Southeast Asian foreign policy and suggest explanations for them

The Political Economy of Foreign Policy in ECOWAS Timothy M Shaw, Julius Emeka Okolo, 1994-05-13 Both political economy and foreign policy have been transformed in the sixteen states of West Africa at the start of the 1990s because of interrelated external factors end of the Cold War and start of a New International Division of Labour and internal factors national structural adjustment programmes Sixteen leading analysts of new regional relations of both cooperation and conflict offer original revisionist insights into ECOWAS and ECOMOG debt and democracy reform and resistance The mixture of case studies and comparative analyses constitutes a comprehensive overview of West African actors issues structures perspectives and possibilities at the end of the century with relevance for development discourses and directions in other peripheral regions Together these offer timely redefinitions and reconceptualisations of central notions like civil society diplomacy foreign policy peacekeeping security and self reliance for political economies and cultures throughout the South
