Political Expectation By Tillich Paul:

Political Expectation Paul Tillich,1981 *Paul Tillich and Religious Socialism* Kirk R. MacGregor,2021-03-19 Paul Tillich and Religious Socialism Towards a Kingdom of Peace and Justice argues that the Kingdom of God the reign of God over all human affairs via God s manifestations in love power and justice can be fragmentarily achieved through a religious socialism that creatively integrates the early Tillich s socialist thinking with later insights throughout Tillich s theological career and with contemporary developments in just peacemaking The resulting religious socialism is defined by economic justice and a recognition of the sacred reality in all human endeavors It employs Christianity to furnish the necessary depth for warding off materialism and affirming the spiritual dimension of both labor and acquiring material goods The unbridgeable Marxist chasm between expectation and reality is bridged through new being already historically inaugurated in the Christhood of Jesus New being is fundamentally oriented toward bringing justice to the poor the disenfranchised and the marginalized It affirms the individual and equal value of all persons and thus in Kantian terms promotes a kingdom of intrinsically worthwhile ends rather than a kingdom of instrumentally worthwhile means of things **Models of God and**

Alternative Ultimate Realities Jeanine Diller,Asa Kasher,2013-06-13 The envisioned volume is a collection of recent essays about the philosophical exploration critique and comparison of a the major philosophical models of God gods and other ultimate realities implicit in the world s philosophical schools and religions and of b the ideas of such models and doing such modeling per se The aim is to identify exactly what a model of ultimate reality is create a comprehensive and accessible collection of extant models and determine how best philosophically to model ultimate reality if possible and desirable

Retrieving the Radical Tillich Russell Re Manning,2016-01-26 Paul Tillich is best known today as a theologian of mediation Many have come to view him as an out of date thinker a safe exemplar of a mid twentieth century theological liberalism The way he has come to be viewed contrasts sharply with the current theological landscape one dominated by the notion of radicality In this collection Russell Re Manning breaks with the widespread opinion of Tillich as safe and dated Retrieving the Radical Tillich depicts the thinker as a radical theologian strongly marked but never fully determined by the urgent critical demands of his time From the crisis of a German cultural and religious life after the First World War to the new realities of religious pluralism Tillich s theological responses were always profoundly ambivalent impure and disruptive asserts Re Manning The Tillich that is outlined and analyzed by this collection is never merely correlative Far from the dominant image of the theologian as a liberal accommodationist Re Manning reintroduces the troubled and troubling figure of the radical Tillich **Paul Tillich's Philosophy of Art** Michael Palmer,2017-04-10 No detailed description available for Paul Tillich s Philosophy of Art

The Christian Left Anthony A. J. Williams,2022-04-13 Christianity is often assumed to be pro capitalist and socially conservative in short necessarily aligned with the political Right But can this be straightforwardly true of a religion founded by a figure who drew his early followers from among the poor and downtrodden and spoke against

the accumulation of earthly riches In this book Anthony A J Williams shows that this assumption is far from correct by giving an introductory overview of a tradition of socialist and radical Christianity that can be traced back to the communal ownership described in the Acts of the Apostles Focusing on modern Christian Left movements from Christian Socialism and the social gospel to liberation theology and red letter Christianity Williams examines the major challenges faced by the Christian Left today both from within Christianity itself and from the secular Left Does the Bible and Christian theology really support collectivism and universal equality Can Christian radicalism remain viable in an age of identity politics This book is essential reading for anyone interested in the relationship between religion and politics

Paul Tillich's Theological Legacy Frederick J. Parrella,1995 **Trames** ,2002 **Paul Tillich and Pentecostal Theology** Nimi Wariboko,Amos Yong,2015-11-17 Paul Tillich 1886 1965 is widely regarded as one of the most influential theologians of the 20th century By bringing his thought together with the theology and practices of an important contemporary Christian movement Pentecostalism this volume provokes active productive critical and creative dialogue with a broad range of theological topics These essays stimulate robust conversation engage on common ground regarding the work of the Holy Spirit and offer significant insights into the universal concerns of Christian theology and Paul Tillich and his legacy Memories of Journeying through Life: Encounters and Happenings Elena Ene Drăghici-Vasilescu,2025-01-01 The book is about academic happenings that took me around the world on a journey I never dreamed of and I am not sure I wanted almost everything that happened was and still is a surprise to me I write it as a kind of activity report This not a journal since I have not written regularly in its pages It is a publication about what I remember mostly from my professional life and what I usually do as a professor at the University of Oxford of course some of my thoughts pop up here from time to time I do not think there are many people who have studied and taught in Toronto Ottawa Sydney and Oxford met and had discussions with Jacques Derrida Umberto Eco Noam Chomsky Yehudi Menuhin Roger Penrose Nobel Prize Laureate Richard Swinburne and David Chalmers for example and are still part of the conversations taking place in the intellectual world today I have often been asked what it is like in Oxford and the institution where I have worked for 26 years and where I still work so what I say may be of interest Besides I feel a kind of duty to do this because I have had the chance to find myself in extraordinary situations in the good sense of the word and it seems only right to express my gratitude by recounting some of them
