Political Parties And The European Union

John Gaffney

Political Parties And The European Union:

The Role of Political Parties in the European Union Bjorn Lindberg, Anne Rasmussen, Andreas Warntjen, 2013-09-13
At the national level political parties play an important role in making representative democracy work. They help to aggregate and communicate policy preferences, link decision making between different legislative bodies and hold politicians accountable. In the European Union however the electoral connection is weak. This casts doubt on the impact of partisan politics at the European level. Are political parties able to fulfil their role as transmission belts ensuring political accountability and consistent decision making in the European Union? To answer this question we look at the micro foundations of partisan politics in the European Union. The contributions in this volume all depart from a common theoretical framework but use a wide range of empirical data and research designs covering qualitative process tracing, elite interview and large N quantitative analysis. Moreover they examine party effects in the electoral and legislative arena. Finally the volume covers all European institutions: the Commission, the Council of the European Union, the European Council and the European Parliament. The findings enhance our understanding of the workings of decision making in Brussels, add to the debate on the EU democratic deficit and highlight the usefulness of drawing upon insights from the literature on Comparative Politics when studying the European Union. This book was published as a special issue of the Journal of European Public Policy.

Political Parties and the European Union John Gaffney, 2002-09-11 A major textbook for comparative courses on European politics and for courses on the European Union providing a panoramic survey of the political parties of Europe.

Political Representation and Legitimacy in the European Union Hermann Schmitt, J. J. A. Thomassen, 1999 How severe a problem is what many call the democratic deficit of the European Union? Despite a voluminous theoretical literature dealing with this question there is hardly any systematic empirical investigation of the effectiveness of the system of political representation in the EU and of the legitimacy beliefs of EU citizens that spring from it. This volume elaborates a conceptual framework for the empirical analysis of the alleged democratic deficit. Four dimensions of legitimacy beliefs are identified and analysed: the European political community, the scope of EU government, the institutions and processes of EU government and EU policies. Based upon large scale representative surveys among the mass public and different strata of the political elite of the EU and its member states the book examines the conditions of political representation in the EU. The results demonstrate by and large that legitimacy beliefs of EU citizens are the more positive the less specific the object of identification and evaluation is and that the process of political representation works pretty well as long as issues other than European Union issues are concerned. These findings are finally discussed in view of familiar strategies for institutional reform of the European Union.

Political Parties and the European Union John Gaffney, 2002-09-11 Political Parties and the European Union offers a panoramic survey of the political parties of contemporary Europe. It covers party politics from Scandinavia to Greece focusing on how parties in the individual member

states have responded to the processes of European integration. Despite a trend towards political convergence, national traditions continue to shape politics across Europe. In order to reflect and do justice to the diversity of political cultures, the book combines case studies, comparative approaches and supranational perspectives. It examines the history of the main national parties, offers new comparative perspectives on communist, green and extreme right parties, and analyses party politics at the European level.

The Role of Political Parties in the European Union, 2008 [The Impact of European Integration on Political Parties](#) Dimitri Almeida, 2012-04-27 This book traces the positions of national partisan actors towards the development of the European polity in an in-depth comparative analysis covering all member states of the European Union over a period of 60 years. The author examines the approach of the social democratic, radical left, liberal Christian democratic and radical right party families, eliciting a comprehensive analysis of partisan positions on European integration. Demonstrating that attitudes and programmatic changes towards European integration must be understood both as the product of long-term ideological traditions and domestic opposition or incumbency-seeking strategies, this book examines how far common ideological traditions lead to the emergence of convergent European policies. Based on an interdisciplinary approach that encompasses political science, history and area studies, this book provides background and analysis and develops theory in an open and accessible style that expands the understanding of party behaviour. Using party programmes and quantitative data, the book reveals considerable cross-family variations regarding the extent to which parties' genetic origins shape partisan responses to Europe. [The Impact of European Integration on Political Parties](#) will be of interest to students and scholars of European politics, European integration, comparative politics and political parties.

The Politics of the European Union Herman Lelieveldt, Sebastiaan Princen, 2023-04-20 The European Union is a key player in determining policies and politics in Europe, and yet understanding how it works remains a challenge. [The Politics of the European Union](#) introduces students to its functioning by showing the similarities and differences between the EU and national political systems. Fully revised and updated in its third edition, this introductory textbook uses the tools of comparative politics to explore the history, theories, institutions, key actors, politics and policy making of the EU. This comparative approach enables students to apply their knowledge of domestic politics and broader debates in political science to better understand the EU. Numerous real-world examples guide students through the textbook, and chapter briefings, fact files and controversy boxes highlight the important and controversial issues in EU politics. A companion website features free Navigating the EU exercises to guide students in their analysis of EU policy making.

[The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945-1950](#) Walter Lipgens, Wilfried Loth, 2019-11-05 No detailed description available for [The Struggle for European Union by Political Parties and Pressure Groups in Western European Countries 1945-1950](#)

Directory of European Union Political Parties Alan John Day, 2000 This is a companion volume to the reference [Political parties of the World](#) but it deals only with EU member states. It features detailed

profiles of all parties of any significance providing data on each party's history, character, support base, policies, leadership, electoral results and affiliations. For each country, a general introduction puts the parties in their overall political, constitutional and electoral context. This volume is up to date to the beginning of 2000.

Political Parties in Advanced Industrial Democracies Paul Webb, David Farrell, Ian Holliday, 2002-09-26

How relevant and vital are political parties in contemporary democracies? Do they fulfill the functions that any stable and effective democracy might expect of them, or are they little more than moribund anachronisms, relics of a past age of political life now superseded by other mechanisms of linkage between state and society? These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies. Drawing on the expertise of an impressive team of internationally known specialists, the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic, though rarely acute, parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed. This has enabled them to remain central to democratic systems, especially in respect of the political functions of governance, recruitment and, albeit more problematically, interest aggregation. On the other hand, the challenges they face in respect of interest articulation, communication and participation have pushed parties into more marginal roles within Western political systems. The implications of these findings for democracy depend on the observer's normative and theoretical perspectives. Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role, while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical.

Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and politics. The General Editors are Max Kaase, Vice President and Dean of Humanities and Social Sciences, International University Bremen, and Kenneth Newton, Professor of Government at Southampton University. The series is published in association with the European Consortium for Political Research.

Political Parties And The European Union Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Parties And The European Union has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Parties And The European Union has opened up a world of possibilities. Downloading Political Parties And The European Union provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Parties And The European Union has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Parties And The European Union. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Parties And The European Union. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Parties And The European Union, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Parties And The European Union has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Parties And The European Union Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read

eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Political Parties And The European Union is one of the best book in our library for free trial. We provide copy of Political Parties And The European Union in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Political Parties And The European Union. Where to download Political Parties And The European Union online for free? Are you looking for Political Parties And The European Union PDF? This is definitely going to save you time and cash in something you should think about.
