Southeast Asia's Chinese Businesses in an Era of Globalization Leo Suryadinata, 2006 Addresses the rise of China and its impacts on Southeast Asia's economies and businesses especially on those of ethnic Chinese Also discusses Southeast Asian government policies particularly their economic and business policies towards local Chinese and Southeast Asian Chinese businesses both conglomerates and SMEs in an era of globalization

The Political Economy of Business Ethics in East Asia, 2014

Asian Economic and Political Issues Frank H Columbus, 1998 It is predicted by some observers that the 21st century will be remembered as the Asian Century Many of the countries in the region seem to be able to take the economic and trade baton when one of the others experiences problems The region in general continues to grow economically politically and militarily The articles presented in this volume examine the current political and economic situations in nations across Asia particularly focusing on economic developments

Chinese Family Businesses in Malaysia Lee Kean Yew, 2025-03-31 Lee focuses on the historical and cultural journey of Chinese family businesses CFBs in Malaysia uncovering the dynamic interplay of ethnic resources generational knowledge and state led development policies that have shaped their survival and success With one of the largest Chinese communities in Southeast Asia Malaysia offers a rich landscape to explore the evolution of CFBs Through analyzing 12 small and medium sized enterprises SMEs across key economic sectors the book examines how Chinese family businesses have adapted to a shifting landscape from leveraging deep rooted networks and ethnic heritage to navigating government policies that have both challenged and shaped their growth It uncovers key factors such as tacit knowledge innovation and generational transitions that have driven the evolution of these enterprises in Malaysia's competitive business environment Drawing on detailed case studies Lee demonstrates how tradition innovation and strategic decision making converge to sustain business longevity across generations An essential read for researchers students family business practitioners and business historians and anyone interested in understanding the resilience and adaptability of Chinese family businesses

The Capital Come Under Bourgeois Rule And Present Scenario of Political Business N.K.S.R. Nantu Roy , Mr. Salween Roy, 2023-10-20 Bourgeois peoples evaluated by earning money in illegal path and then capture power either directly or indirectly as hack government At present scenario of different nation such community form and they Bourgeois captured power where basically they remain underworld peoples who executing several businesses for show

where as in back they had dark world to earn money By implement hybrid regimes system executing where political leaders remaining in middle position of capitalist and Priest groups of Spiritual Businessman Theocracy implement either directly or indirectly which remain as political party alliance organization where mythology and flash flak story spread up around common peoples that black darn cloud covering to society to push back nation too rule as selfish and self central peoples enjoying life to rule and making fool to common people

Chinese Entrepreneurship in a Global Era , Leadership: Political-economic, Regional Business And Socio-community Contexts Tai Wei Lim,2020-03-20 Political leadership styles in East Asian states are shaped and influenced by a number of domestic factors These factors include the type of political system that an East Asian state adopted from their days of independence and decolonization There is a diverse array of political systems in the region ranging from Western style liberal democracies like Japan and South Korea to autocratic one party states like North Korea Most other East Asian countries adopt systems somewhere in between these two polar ends This volume begins with a macro political perspective of leadership It then looks at case studies of political leadership and the factors that influence the shape and outcome of leadership styles in the region The book also examines the concept of community leadership and its impact on community well being Several specific case studies are examined in depth While examining political leadership from a macro theoretical and empirical perspective the book also adopts historical anthropological perspectives to analyse case studies The case studies also examine policy formulation and implementation to look at the role of government in handling community level issues Finally the book focuses on economic leadership in international political economy and global business

Competitive Authoritarianism Steven Levitsky, Lucan A. Way,2010-08-16 Based on a detailed study of 35 cases in Africa Asia Latin America and post communist Eurasia this book explores the fate of competitive authoritarian regimes between 1990 and 2008 It finds that where social economic and technocratic ties to the West were extensive as in Eastern Europe and the Americas the external cost of abuse led incumbents to cede power rather than crack down which led to democratization Where ties to the West were limited external democratizing pressure was weaker and countries rarely democratized In these cases regime outcomes hinged on the character of state and ruling party organizations Where incumbents possessed developed and cohesive coercive party structures they could thwart opposition challenges and competitive authoritarian regimes survived where incumbents lacked such organizational tools regimes were unstable but rarely democratized
