Political Change in Underdeveloped Countries, 1962 *Political Change in Underdeveloped Countries* John Hans Kautsky, 1962 [Political Change in Underdeveloped Countries](#) John H. Kautsky, 2003-01-01 **Political change in underdeveloped countries** John H. Kautsky, 1976 **Political Change in the Metropolis** Ronald Vogel, 2015-10-05 This popular text has been thoroughly updated and revised to sharpen the focus on its bias and change theme include the latest data studies informing the field and cover important new topics e g flood disaster in New Orleans Political Change in the Metropolis Eighth Edition continues to focus on the political changes that have taken place in American cities and the reactions of urban scholars to them In addition to offering scholarly perspectives the text offers students a theoretical framework for interpreting these changing events for themselves This framework analyzes the patterns of bias inherent in the organization and operation of urban politics giving students an in depth look at the fascinating and constantly changing face of urban politics Features Accessible writing style engages students in the material Provides excellent coverage of the impact of immigrants and ethnic groups in the making of the American city An abundance of historical material helps students better understand the origins and development of urban politics and structures Case studies throughout the text give students an opportunity to apply important material The text exposes students to first rate discussions of political phenomena and empirical literature on those phenomena [Politics and Social Change](#) Ishwaran, 2022-09-12 **The Soviet Model and Underdeveloped Countries** Charles K. Wilber, 2018-06-15 This book constructs the model of economic development implicit in the historical experience of the Soviet Union and the agricultural industrial and social strategies followed are shown to fit into a logical and coherent pattern Those strategies are then evaluated for the positive and negative answers they hold for underdeveloped countries today Originally published 1969 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value [The Fascist Persuasion in Radical Politics](#) A. James Gregor, 2015-03-08 How valid are the assertions of contemporary radicals who insist that they are Marxists A James Gregor measures the distance that separates today s radicals from the belief system of Marx and Engels He finds that the characteristic qualities of modern mass mobilizing movements bear more impressive similarities to the paradigmatic Fascism of Benito Mussolini than to classical Marxism Thus he offers a new conceptual framework for the analysis of contemporary totalitarian movements and established regimes Originally published in 1974 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich

scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Necessary Nation Gregory Jusdanis, 2011-06-27 In this controversial look at nationalism Gregory Jusdanis offers a sweeping defense of the nation as a protector of cultural difference and a catalyst for modernization Since the end of the Cold War the nation state has undergone intense scrutiny among critics in the media and the academy Many believe that civic nationalism may be fruitful but that cultural nationalism fosters xenophobia and backward thinking Jusdanis however emphasizes the positive collaboration between nation building and culture Through a series of critical readings of multicultural postcolonial and globalization theories the author reveals how nationalism enables people to defend their distinctive ways of life to fight colonial oppression and to build an independent society of citizens He explains why people over the last two hundred years have politicized their ethnic identities and have sought a union of culture and power within an autonomous nation state While seeking to defend nationalism Jusdanis also examines its potential to unleash extraordinary violence into the world He thus proposes federalism as a political solution to the challenges posed by nationalism and globalization Jusdanis applies the tools of disciplines ranging from anthropology to philosophy as he explores the nation building projects of numerous and diverse countries around the world What emerges is a fresh perspective on the subjects of national culture identity political nations globalization postcolonialism and diaspora

Contemporary Democracies G. Bingham POWELL, G. Bingham Powell, 2009-06-30 Why do some democracies succeed while others fail In seeking an answer to this classic problem G Bingham Powell Jr examines the record of voter participation government stability and violence in 29 democracies during the 1960s and 1970s The core of the book and its most distinguishing feature is the treatment of the role of political parties in mobilizing citizens and containing violence
