Political Religions:

New Political Religions, or an Analysis of Modern Terrorism Barry Cooper, 2004-07-07 In *New Political Religions or an Analysis of Modern Terrorism* Barry Cooper applies the insights of Eric Voegelin to the phenomenon of modern terrorism. Cooper points out that the chief omission from most contemporary studies of terrorism is an analysis of the spiritual motivation that is central to the actions of terrorists today. When spiritual elements are discussed in conventional literature they are grouped under the opaque term religion. A more conceptually adequate approach is provided by Voegelin's political science and in particular by his Schellingian term pneumopathology, a disease of the spirit. While terrorism has been used throughout the ages as a weapon in political struggles, there is an essential difference between groups who use these tactics for more or less rational political goals and those seeking more apocalyptic ends. Cooper argues that today's terrorists have a spiritual perversity that causes them to place greater significance on killing than on exploiting political grievances. He supports his assertion with an analysis of two groups that share the characteristics of a pneumopathological consciousness: Aum Shinrikyo, the terrorist organization that poisoned thousands of Tokyo subway riders in 1995, and Al Qaeda, the group behind the infamous 9/11 killings. Cooper applies the Voegelinian terms first reality, a commonsense goal regarding legitimate political grievances, and second reality, a fantastic objective sought by those whose rationality has been obscured, to show the major divide between political and apocalyptic terrorist groups. Osama Bin Laden's second reality was the imaginary goal that the 9/11 attack was supposed to achieve, and the commonsense reality was what truly happened: the deaths of nearly 3,000 people and the United States's subsequent military response. Cooper shows how such spiritual perversity enables a human being imagining himself empowered by God to go on a campaign of mass destruction. Cooper concludes with a chapter on the uniqueness of terrorist networks, their limitations, and the means by which they can be dealt with. In the ongoing conversations among specialists in terrorist studies as well as the ordinary discourse of citizens in western democracies wishing to understand the world around them, this book will add a distinctive voice.

Totalitarianism and Political Religions Hans Maier, 2004 This book shows how new models by which to understand political history arose from the experience of modern despotic regimes. Here the totalitarianism and political religions are discussed and tested in terms of their usefulness.

Totalitarianism and Political Religions Volume III Hans Maier, 2008 *Totalitarianism and Political Religions, Volume II* Hans Maier, Michael Schäfer, 2007-12-24 *Totalitarianism and Political Religions Volume II* available for the first time in English translation features contributions from leading scholars of political extremism, sociology, and modern history. Based upon a seminal conference on political religions edited by eminent Professor Hans Maier, the book seeks to define the term and explore its application to the interpretation of a wide variety of totalitarian movements in Europe in the twentieth century.

Political Religions in the Greco-Roman World Charlotte Dunn, Elias Koulakiotis, 2019-06-04 Until the 1980s historical treatments of ancient religion focused mainly on myth, cult, and ritual as a way to interpret the mental

structures or primary emotions of ancient peoples but in the last few decades a political turn in the study of religion has taken hold. This volume serves to diversify our understanding of the political conceptualizations and implementations of religious practice in the ancient Mediterranean region from the 7th Century BCE to the 4th Century CE in both Greek and Roman contexts. The underlying question taken up here is in what situations was Greco Roman religious practice articulated, communicated and perceived in political contexts both real and imagined. Written by experts in the fields of archaeology, linguistics, art history, historiography, political science and religion, the chapters of this volume engage the plurality and the diversity of the Greco Roman religious experience as it receives and negotiates power relations.

New Political Religions, Or an Analysis of Modern Terrorism Barry Cooper, 2005-08. While terrorism has been used throughout the ages as a weapon in political struggles, there is an essential difference between groups who use these tactics for more or less rational political goals and those seeking more apocalyptic ends. Cooper argues that today's terrorists have a spiritual perversity that causes them to place greater significance on killing than on exploiting political grievances. He supports his assertion with an analysis of two groups that share the characteristics of a pneumopathological consciousness: Anum Shinrikyo, the terrorist organization that poisoned thousands of Tokyo subway riders in 1995, and Al Qaeda, the group behind the infamous 9/11 killings.

From Civil to Political Religion Marcela Cristi, 2006-01-01. Prompted by the shattering of the bonds between religion and the political order brought about by the Enlightenment, Jean Jacques Rousseau devised a new religion, civil religion, to be used by the state as a way of enforcing civic unity. Emile Durkheim, by contrast, conceived civil religion to be a spontaneous phenomenon arising from society itself, a non-coercive force expressing the self-identify or self-definition of a people. In 1967, the American sociologist Robert Bellah rediscovered the concept and applied it to American society in its Durkheimian form. Ever since Bellah's publication, most authors have sought to explain civil religion in terms of an alleged spontaneous integrative role for society. They have emphasized the religious and cultural dimension of the concept but failed to give due consideration to its political ideological foundations. Thus, the coercive potential of civil religion has received little attention or has been wrongly relegated to Third World countries. Cristi provides a critique of the civil religion thesis and identifies the most basic deficiencies of literature on this topic. By contrasting Bellah's Durkheimian conception with Rousseau's original formulation, the author discloses the dubious conceptual and empirical basis of the former. She demonstrates the need to rethink Bellah's thesis in the light of a reinterpretation of Rousseau's and Durkheim's classical approaches and substantiates her critique with a brief comparative survey of state-directed civil religions and with an informative case study of civil religion in Pinochet's Chile.

Political Religion Beyond Totalitarianism J. Augusteijn, P. Dassen, M. Janse, 2013-01-29. The success of fascist and communist regimes has long been explained by their ability to turn political ideology into a type of religion. These innovative essays explore the notion that all forms of modern mass politics, including democracies, need a form of sacralization to function.

Totalitarianism and Political Religion A.

Gregor, 2012-03-07 The totalitarian systems that arose in the twentieth century presented themselves as secular Yet as A James Gregor argues in this book they themselves functioned as religions He presents an intellectual history of the rise of these political religions tracing a set of ideas that include belief that a certain text contains impeccable truths notions of infallible charismatic leadership and the promise of human redemption through strict obedience selfless sacrifice total dedication and unremitting labor Gregor provides unique insight into the variants of Marxism Fascism and National Socialism that dominated our immediate past He explores the seeds of totalitarianism as secular faith in the nineteenth century ideologies of Ludwig Feuerbach Moses Hess Karl Marx Friedrich Engels Giuseppe Mazzini and Richard Wagner He follows the growth of those seeds as the twentieth century became host to Leninism and Stalinism Italian Fascism and German National Socialism each a totalitarian institution and a political religion

Fascism, Totalitarianism and Political Religion Roger Griffin, 2013-09-13 9 11 and its aftermath demonstrate the urgent need for political scientists and historians to unravel the tangled relationship of secular ideologies and organized religions to political fanaticism This major new volume uses a series of case studies by world experts to further our understanding of these complex issues They examine the connections between fascism political religion and totalitarianism by exploring two inter war fascist regimes two abortive European movements and two post war American extreme right wing movements with contrasting religious components A highlight of this collection is a fresh article from Emilio Gentile recently awarded an international prize for his contributions to our appreciation of the central role played by political religion in the modern age This is preceded by an editorial essay by Roger Griffin one of fascist studies most original thinkers Alongside these contributions the reader is presented with a wealth of work that redefines the complex concept of totalitarian movement and our understanding of generic Fascism Taken as a whole it comprehensively analyses the links between particular totalitarian movements and regimes and the concrete historical phenomena produced in the light of current radical theories of fascism totalitarianism and political religion This book will be of great interest to all students and scholars of international relations politics and contemporary history This volume was previously published as a special issue of the journal Totalitarian Movements and Political Religions

Thank you completely much for downloading **Political Religions**. Maybe you have knowledge that, people have see numerous period for their favorite books as soon as this Political Religions, but stop taking place in harmful downloads.

Rather than enjoying a fine book behind a cup of coffee in the afternoon, on the other hand they juggled past some harmful virus inside their computer. **Political Religions** is to hand in our digital library an online access to it is set as public fittingly you can download it instantly. Our digital library saves in compound countries, allowing you to get the most less latency period to download any of our books past this one. Merely said, the Political Religions is universally compatible taking into account any devices to read.

Political Religions Introduction

In the digital age, access to information has become easier than ever before. The ability to download Political Religions has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Political Religions has opened up a world of possibilities. Downloading Political Religions provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Political Religions has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Political Religions. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Political Religions. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Political Religions, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Political Religions has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility

it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Political Religions Books

1. Where can I buy Political Religions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Political Religions book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Political Religions books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Political Religions audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Political Religions books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
