Tales of Fishing Virgin Seas Zane Grey, 1925 Stepping off the deck of his three masted schooner the Fisherman at the end of an unparalleled fishing cruise Zane Grey set down the record without an instant's delay of these adventurous weeks The result is this book a narrative of adventure and deep sea fishing unique even in the career of this great sportsman Cruising in the dangerous little known sections of the Pacific around the Galapagos Islands the party putting out from the Fisherman in small boats threw their lines into the waters often alive with man eating sharks At other times under less strenuous conditions Zane Grey devoted his time to

careful observation and the recording cataloguing and photographing of strange and little known game fish Here certainly is a book that ever good sportsman will wish to own a chronicle of adventure and danger and sport for sport s sake
