Resisting Bodies Helga Druxes, 1996 Helga Druxes study of the female protagonists in novels by German writer Monika Maron British writers Margaret Drabble and Jean Rhys and French writer Marguerite Duras brings together the work of four prominent contemporary women authors In discussing the position of women in urban spaces from the point of view of feminist and cultural theory Druxes combines anthropology and recent literary theory within the framework of cultural studies She addresses such concerns as the objectification commodification of women in late capitalist society the possibilities for resistant or subversive female agency under these conditions and the role of specifically urban arrangements of space in both effecting this objectification and creating the sites where it might be resisted or disrupted by women Resisting Bodies is an important contribution to literary criticism and feminist theory

Feminism's Progress Carol Colatrella, 2023-08-01 Feminism s Progress builds on more than fifty years of feminist criticism to analyze narrative representations of feminist ideas about women s social roles gender inequities and needed reforms Carol Colatrella argues that popular novels short stories and television shows produced in the United States and Britain from Little Dorrit and Iola Leroy to Call the Midwife and The Closer foster acceptance of feminism by optimistically illustrating its prospects and promises Scholars students and general readers will appreciate the book s sweeping introduction to a host of concerns in feminist theory while applying a gender lens to a wide range of literature and media from the past two centuries In exploring how individuals and communities might reduce bias and discrimination and ensure gender equity these fictions serve as both a measure and a means of feminism s progress

Odd Jobs John Updike, 2012-12-04 To complement his work as a fiction writer John Updike accepted any number of odd jobs book reviews and introductions speeches and tributes a few paragraphs on baseball or beauty or Borges and saw each as an opportunity to learn something or to extract from within some unsuspected wisdom In this his largest collection of assorted prose he brings generosity and

insight to the works and lives of William Dean Howells George Bernard Shaw Philip Roth Muriel Spark and dozens more Novels from outposts of postmodernism like Turkey Albania Israel and Nigeria are reviewed as are biographies of Cleopatra and Dorothy Parker The more than a hundred considerations of books are flanked on one side by short stories a playlet and personal essays and on the other by essays on his own oeuvre Updike's odd jobs would be any other writer's chief work

The radiant way Jane Brown (writer for children.), E. L. Sinton, 1933 *Forces of Nature* Bernadette H.

Hyner, 2009-03-26 In *Forces of Nature* the authors investigate the relationships between the natural world and gender and sexuality The authors explore the frameworks within which femininity and nature have been constructed as well as the impact nature has had on our understandings of masculinity homosexuality and heterosexuality For some writers nature has restorative powers for others nature embodies violence and destruction Yet one common thread runs across all of the chapters in this collection nature and animals can not be separated from the human experience *Forces of Nature* brings to light the intimate connection humans have with the natural world and provides students and scholars with innovative readings of both canonical and noncanonical texts Thatcherism and Literature Ruth Wittlinger, 2002 **A Comparative**

Analysis of Violence in Margaret Drabble and Four Selected Iraqi Novels Bushra Juhi Jani, 2021-11-22 This book is the first work comparing Margaret Drabble with key Iraqi novelists It analyses physical and soft violence in Drabble's novels and the works of four Iraqi contemporary novelists including Ahmed Saadawi's *Frankenstein in Baghdad* 2013 The book argues that physical and soft violence are interwoven and interconnected meaning that where there is physical violence there is nearly always soft violence and though to a lesser extent vice versa Thus soft violence can cause just as much damage psychologically or literally as hard violence **The History of British Women's Writing, 1970-Present** Mary

Eagleton, Emma Parker, 2016-04-29 This book maps the most active and vibrant period in the history of British women's writing Examining changes and continuities in fiction poetry drama and journalism as well as women's engagement with a range of literary and popular genres the essays in this volume highlight the range and diversity of women's writing since 1970 *Changing the Story* Gayle Greene, 1992-01-22 *Changing the Story* gives an excellent and well informed account of the differences between the American Canadian British and French attitudes towards feminism and feminist fiction and literary theory a very readable book which reminds us that literature can change us and that through it we can change ourselves Margaret Drabble A distinctive contribution clear elegant precise and well read to the feminist discussion of narrative of Anglo Canadian white North American novelists and to contemporary fiction Greene tracks how feminist novelists draw upon and negotiate with traditional narrative patterns and how their critical approach implicates and provokes social change The book brings us to an intelligent post humanism which does not scant the social meanings of metafictional critique And in addition this book remembers hope Rachel Blau DuPlessis *Changing the Story* is an invaluable guide to the feminist classics of the last three decades This is cultural criticism at its best engaged re visionary and politically

astute Nancy K Miller Greene tells a very good tale about how feminist fiction emerged developed made changes in the world and now threatens to wane The Women s Review of Books Her probing analysis should captivate general readers as well as academics WLW Journal Changing the Story is an important work of feminist criticism certain to spark controversy within the feminist community American Literature The feminist fiction movement of the 1960s 1980s was and is as significant a movement as Modernism Gayle Greene focuses on the works of Doris Lessing Margaret Drabble Margaret Atwood and Margaret Laurence to trace the roots of this feminist literary explosion She also speculates on the future of feminist fiction in the current regressive period of post feminism
