Radiant Days Writings:

Radiant Days Enos A. Mills, 1994 **The Writings of Lafcadio Hearn** Lafcadio Hearn, 1922 *Forest and Garden* Melanie Louise Simo, 2003 How wild and managed or artificially arranged environments coexist has long been a matter of intense debate among foresters and landscape professionals *The Collected Writings of Franz Liszt* Janita R. Hall-Swadley, 2012-04-20 During his early years Franz Liszt worked as a traveling piano virtuoso his adventures highlighted by his entrance into the literary world as a correspondent for the most popular French journals of his time In this second volume of Janita Hall Swadley's *The Collected Writings of Franz Liszt* Liszt's work as a music essayist and journalist is on full display In his essays readers will see the influence of the revolutionary theories of Hugues Felicit Robert de Lamennais Victor Hugo and Francois Ren de Chateaubriand as Liszt boldly calls for social reforms on behalf of musicians and musical institutions from demands for a repertoire of church music of divine praise to the timely publication of inexpensive music editions In addition to Liszt's scandalous review of Sigismond Thalberg and the fiery exchange that ensued the essays include his testimonies to living composers Giacomo Meyerbeer and Robert Schumann and the recently deceased Niccol Paganini Alongside the essay this new translation of Liszt's letters opens a window onto the composer's immersion in the Italian countryside where he paints a portrait of a rich musical landscape Liszt regales his correspondents with amusing anecdotes at Sand's Italian country estate in Nohant describes the beautiful landscape and artistic treasures of Italy from his residence on Lake Como defends himself from Heinrich Heine's accusations of his ill seated character discusses the religious aesthetic of Raphael's painting and offers his thoughts on the interconnectedness of all the arts Including two complete facsimile reproductions of the existing manuscripts for *De la situation des artistes* and *Sur Paganini propos de sa mort* Essays and Letters of a Traveling Bachelor of Music is a must read for student and scholars of 19th century classical music

Democracy's Mountain Ruth M. Alexander, 2023-09-26 At 14 259 feet Longs Peak towers over Colorado's northern Front Range A prized location for mountaineering since the 1870s Longs has been a place of astonishing climbing feats and unsurprisingly of significant risk and harm Careless and unlucky climbers have experienced serious injury and death on the peak while their activities equipment and trash have damaged fragile alpine resources As a site of outdoor adventure attracting mostly white people Longs has mirrored the United States tenacious racial divides even into the twenty first century In telling the history of Longs Peak and its climbers Ruth M Alexander shows how Rocky Mountain National Park like the National Park Service NPS has struggled to contend with three fundamental obligations to facilitate visitor enjoyment protect natural resources and manage the park as a site of democracy Too often it has treated these obligations as competing rather than complementary commitments reflecting national discord over their meaning and value Yet the history of Longs also shows us how over time climbers the park and the NPS have attempted to align these obligations in policy and practice By putting mountain climbers and their relationship to Longs Peak and its rangers at the center of the story of Rocky

Mountain National Park Alexander exposes the significant role outdoor recreationists have had as both citizens and privileged adventurers in shaping the peak's meaning, use and management. Since 2000 the park has promoted climber enjoyment and safety, helped preserve the environment, facilitated tribal connections to the park and attracted a more diverse group of visitors and climbers. Yet Alexander argues more work needs to be done. Alexander's nuanced account of Longs Peak reveals the dangers of undermining national parks' fundamental obligations and presents a powerful appeal to meet them fairly and fully.

Saint Elizabeth of The Trinity The Complete Works, vol. 1 General Introduction -

Major Spiritual Writings Revised Edition Elizabeth of the Trinity, 2025-03-22 Saint Elizabeth of the Trinity 1880-1906 is a mystic for our times. She entered the Discalced Carmelite monastery in Dijon, France, at the age of twenty-one and died just five years later. In her short time as a Carmelite nun, she advanced profoundly in the spiritual life. Her spirituality is marked by her attention to the indwelling Trinity and her call to become a praise of glory for God. Her writings are imbued with biblical spirituality, especially the epistles of St. Paul, and an apostolic impetus to share the message of finding heaven on earth within the soul's union with God. This first of three volumes contains a biographical sketch, a general introduction to her complete works, and her major writings. The introductory material, as well as the critical notes throughout, were composed by her French biographer and editor, Father Conrad De Meester, O.C.D. The major writings included in this volume consist of two sets of retreats: *Heaven in Faith*, written for her younger sister just three months before her death, and *Last Retreat*, her expression of thirst for the love of God. Also included are *The Greatness of Our Vocation*, *Let Yourself Be Loved*, and her famous prayer, *O My God, Trinity, Whom I Adore*. This revised edition reflects the minor changes and corrections to the French critical edition since this translation's first publication in 1984. The reissue of this volume under its new series title reflects the saint's canonization in 2016 and anticipates the publication of the long-awaited third volume in 2025.
